ATV Attachments

Elevate your ATV's productivity by converting to Worksaver ATV Attachments. Great for wildlife food plots, gardens and large acreage, Worksaver provides quality designed and innovative products that work the way you live!

Specifications:

Mount Type	Rear Mount
Frame Construction	Welded Steel
Hopper	Translucent Polyethylene
Hopper Capacity	1 Bushel
Power Source	12-Volt Electric Motor
Power Connections	Wiring Kit Included
Control	Variable Speed (Operator Accessible)
Shipping Weight (lb/kg)	42/19
Product Item Number	403425

ATVK-400

Electric Seeder/Spread

- Excellent for seeding pastures and wildlife food plots; easily spreads granular fertilizer and other granular materials.
- Lower profile mount allows the unit to fit most all brands of ATV's.
- Durable, maintenance-free 1-bushel polyethylene hopper is translucent for easy monitoring of hopper material level.
- Reliable 12-volt electric motor with variable speed control offers outstanding spread coverage, under most seeding conditions.
- Control lever is within easy reach of the operator.
- Complete wiring package is included for simple hook-up.

FOD-16 Flip-Over Disc

- Ideal for tilling wildlife food plots and larger gardens.
- Patented design allows for easy "flip-over" from transport to cultivation mode.
- Eight (8) 16" notched blades are designed for efficient trash cutting and optimum soil penetration.
- Disc gangs are set at 20° angles for maximum cutting.
- Frame design has a platform for adding up to three (3) concrete blocks for deeper cutting depth and better soil penetration.

Specifications:

HP Requirements (minimum)	18 HP or 350 cc
Construction	Welded Steel
Operating Width (in/cm)	60/152
Overall Width of Frame (in/cm)	53/135
Overall Height (in/cm)	35/89
Length with Tongue (in/cm)	70/178
Tire Size	4" X 12" Pneumatic
Axles (in/mm)1/25 Square
Bearings	Cast Iron with Grease Zerks
Shipping Weight (lb/kg)	240/109
Product Item Number	940420

Landscape Rake

- Designed for quick and easy clean up of leaves and debris from large areas of lawn, pastures and roadsides– keeps your property neatly groomed.
- Spring steel tines are spaced at 1" intervals for thorough raking; debris is "windrowed" for easy collection and pick-up.
- Welded steel construction for durability.
- Clevis-type hitch allows for quick and easy hook-up to ATV.
- Rakes are available in 4', 5' and 6' widths.

Specifications:

Rake Type	Pull Type
Rake Widths (in/cm):	
4' Rake.....	48/112
5' Rake.....	50/152
6' Rake.....	72/183
Hitch Type.....	Clevis Type
Angle Positions.....	5
Tines5/16" X 1" Heat Treated
Height Adjustment	Turnbuckle
Raise/Lower Mechanism	Rope Pull-Lever
Tire/Gauge Wheels.....	Pneumatic
Shipping Weight (lb/kg):	
4' Rake.....	195/88
5' Rake.....	205/93
6' Rake.....	225/102
Product Item Number:	
4' Rake.....	341940
5' Rake.....	341945
6' Rake.....	341950

Box Scraper

- Specially designed for moving dirt, grading and spreading topsoil, gravel or driveway rock– exceptional utility for a wide range of grading and leveling applications.
- 42" scraper box made of heavy gauge steel for long life.
- Pneumatic tires are used for transport and gauge wheels.
- Clevis-type hitch allows for quick and easy hook-up to ATV.

Specifications:

Scraper Type	Pull Type
Width (in/cm)	42/107
Hitch Type.....	Clevis Type
Height Adjustment	Turnbuckle
Raise/Lower Mechanism	Rope Pull-Lever
Tire/Gauge Wheels.....	Pneumatic
Shipping Weight (lb/kg).....	190/86
Product Item Number.....	341960

Flip-Over Culti-Packer

- Perfect for final compaction after seeding your food plot. Reduces air pockets and increases seed germination. Helps prevent erosion.
- Unique design allows for easy “flip-over” from transport to operation mode.
- This machine can also be used for breaking the crust of rain-hardened soil, to allow emerging seedlings to break through and grow.

Specifications:

HP Requirements (minimum)	18 HP or 350 cc
Construction	Welded Steel
Operating Width (in/cm)	50/127
Tire Size	4" X 12" Pneumatic
Number of Culti-Packer Wheels	22
Culti-Packer Wheel Material	Cast Iron
Shipping Weight (lb/kg)	274/124
Product Item Number	940400

Caution — A heavy load can cause your tractor to tip over. When moving heavy loads, keep the load as close to the ground as possible, go slowly around turns, and be sure the front or rear of tractor is properly counterbalanced with weights.

Caution — Operators must read & understand operator's manual, particularly the safety warnings and instructions. **The operator is responsible for safety of themselves and others when operating equipment.**

WORKSAVER, INC. has a corporate policy of continuous product improvement and development; therefore, specifications are subject to change without any advance notice.
