My Dearest Fellow Officers, Members & Colleagues,

It is with great pleasure and honor to write this communiqué for the first time as president of your PAMET San Diego Chapter. This year, we are celebrating our chapter's 5th Year founding Anniversary. PAMET San Diego was established on June 6, 2010 as the 16th Local Chapter of PAMET USA at Conching's Restaurant and Bakery in National City. Let Negado was elected as our first president. Throughout the first months of our existence, we experienced the growing pains expected of a very young organization. But with the stewardship and persistence of our founding officers, we overcame all the pressures and challenges, making our chapter strong and stable as we are today. Effective July 2011, we officially obtained tax exempt status as a Non Profit Organization 501 3(c).

As a constant CEU provider, we held our 5th Annual Symposium last April 4, 2015 at the San Diego County Health Services Complex. It is part of our commitment in providing annual Continuing Education to all Laboratory Professionals.

Part of our chapter's mission is also giving back to the community of San Diego. We will be participating in the "Step Out Walk Against Diabetes" on October 18, 2015 at the NTC Park at Liberty Station. We have regularly participated and contributed to this cause to fight and spread the word about Diabetes.

Finally, we will be holding our Induction of New Officers and 5th Year Anniversary Ball on September 26, 2015 at the Town and Country Resort & Convention Center. We invite you and your friends to please join us to celebrate this special event and welcome our new set of officers. For more details, we encourage you to visit our website: www.pametsandiego.com. You can also reach us through email : pametsandiego@yahoo.com. Visit also our Facebook group page : Search PAMET San Diego Chapter.

I thank each and every one of you for what you do, not only for our chapter, but also for our profession.

Sincerely,

Roger Mark M. Lariosa, CLS
