“Getting To Know You Event” A Great Success !!!

The Philippine Association of Medical Technologists- San Diego Chapter held its first membership get together on September 26, 2010 at the “HUB” MCAS Miramar. The event introduced the officers of the newly formed association of Filipino medical technologists to the general members and guests. It was also an opportunity for the members to get acquainted with each other. The event also recognized the role of the Filipino Medical Technologists play in the management of health care. Most of the members came from the San Diego area many of them working in large and small hospitals around the county.

Mrs Loreto Negado, first PAMET-San Diego Chapter president introduced the elected officers and members of the board of directors. All members sang the disco hit “We Are Family” symbolizing the unity and commitment of the members to their newly formed chapter. The night was energized by the great mix of classic line dancing hits and a dose of mainstream pop music provided by Mr. Celso Macaspac.

The support of PAMET-Southern California Chapter was evident by the presence of Mr. Art Trinidad, chapter president, and his officers. They entertained the crowd with a couple of line-dancing performances which made the evening extra special. The event culminated with special thank you’s from Let Negado for a very successful get together.

“The President’s Message”

*Loreto Negado, MSPH, CLS, MT(ASCP)
President, PAMET-San Diego*

Dear colleagues,

PAMET San Diego is now seven months old! Our membership has grown and we are ready to start planning for 2011 activities and projects. I am excited to share what we have accomplished in the last seven months and looking forward to meeting all of you during our first general membership meeting of 2011.
