

They Just Want To Go Home To Their Family

Below are words from the devoutly Christian, honorable, *martyred*, Senator Nancy Schaefer (1936-2010), who was brutally murdered (and her husband) for *exposing the pedophile ring* operating through *Child Protective Services* across the United States...

"And in nearly every state I am convinced there is no accountability in Child Protective Services. I have come to several conclusions. Two or three are:

1. That poor parents, not always, but oftentimes, are targeted to lose their children because they do not have the wherewithal to hire an attorney and fight the system.
2. That case workers and social workers are very often guilty of fraud; they withhold and destroy evidence; they fabricate evidence; and they seek to terminate the parental rights, unnecessarily.
3. That the separation of families and the snatching of children is growing as the business grows, because state and local governments have grown accustomed to having these taxpayer dollars to balance their ever-growing budgets.

4. That the bureaucracy is huge. Look at who is getting paid: state employees, attorneys, court investigators, guardians, court personal and judges, psychologists, therapists, psychiatrists, counselors, foster parents, adoptive parents, and on and on—All are looking to the children in state custody to provide job security!

5. That the *Adoption And Safe Families Act* set in motion first in 1974 by Walter Mondale, and later in 1997 by [Bill Clinton](#), offered **CASH BONUSES** to the states for every child they adopted out of foster care. In order to receive the adoption incentive bonuses, local Child Protective Services would need more children. They must have merchandise that sells. And they must have plenty so the buyer can choose. Some counties offer \$4,000 to \$6,000 bonus for each child adopted out to strangers. (And an additional \$2,000, for a special needs child, employees work to keep the federal dollars flowing).

But that is only the beginning figure in the formula in which each bonus is multiplied by the percentage that the state has managed to exceed its baseline adoption number. Therefore states and local communities work hard to reach their goals for increased numbers of adoption of children in foster care. As you can see this program is offered from the very top and is run by Health And Human Resources. This is why victims in Child Protection Services get no help from their legislators. ...

The system cannot be trusted—it does not serve the people—it obliterates families and children just because it has the power to do so. What I have said to you in these few minute is that we must confront the fraud in Child Protective Services.

Child Protective Services seizes children using the very system that is paid for by the taxpayer, who actually believes it is used to protect abused and neglected children. The bureaucracy of workers benefit financially by a system that converts children into cash, while destroying their families and their lives. No child who emerges from the system can ever be sound or whole. Many disappear and never, are ever, heard from again.

God will not stand for what is happening to our children and our families. His heart beats for these children. He will life up the downtrodden. What is

happening in America regarding Child Protective Services is a criminal/political phenomenon, and it must be brought to an end!

(PLEASE NOTE: The pedophile elite are powerful thugs in high places and censor internet social media when it starts to become popular. That's why this video will likely go private or be removed at some point. If it does, just **search YouTube for "Nancy Schaefer exposes CPS abuse" or "Nancy Schaefer exposes CPS pedophile ring."** **God makes sure that the truth is always there for those who seek it, but the Devil always tries to suppress truth.** Truth is like the moon and the sun, it can only be hidden for awhile. I'm so glad that there is a holy God in Heaven Who will one day hold unholy men accountable for every thought (Proverbs 24:12), every word (Matthew 12:36), and every deed (Ecclesiastes 12:14)...

Ecclesiastes 5:8, 12:14 and Hebrews 10:31, "If thou seest the oppression of the poor, and violent perverting of judgment and justice in a province, marvel not at the matter: for he that is higher than the highest regardeth; and there be higher than they. ... For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil. ... It is a fearful thing to fall into the hands of the living God."
