

## *The Bohemian Grove*

The Bohemian Grove was created in 1872 where men worshipped an Owl statue. **As time went on, the wealthy businessmen controlled the Grove (above and beyond the original middle class artists in the group). At first, Grovers would camp at various places like the present Muir Woods, Samuel P. Taylor State park, and a separate redwood grove near Duncans Mills.** Regular July encampments similar to those held today began in 1899. The first parcel of the grove was purchased from Melvin Cyrus Meeker who developed a successful logging operation in the area. Gradually over the next decades, members of the Club purchased land surrounding the original location to the perimeter of the basin in which it resides. Their motto is "Weaving spiders, come not here." These words existed from Shakespeare's "A Midsummer Night's Dream." That means that outside concerns and business deals are to be left outside. There is an interesting story of tale of Minerva and Arachne. Arachne is Greek for spider. The story revolves about a weaking contest between Minerva (who is called the goddess of arts, needle work, and weaving) against Arachne. Arachne losing the competition and turns into a spider. This motto of "Weaving Spiders Come Not Here" might to alluded to the myth. The area where the Grove is at is located at 20601 Bohemian Avenue in Monte Rio, California. The ceremonies occur in mid-July each year. It hosts a three week encampment. Its

members aren't just former U.S. Presidents business leaders, and bankers. There are some artists and musicians there as well. **The Camp at the Grove is riddled with imagery of death, sacrifice, skulls and Owls, as is the Club's Headquarters in San Francisco.** An initiation fee of \$25,000 (as of 2006) is required in addition to yearly membership dues. Elected members are allowed to prorate the initiation fee into equal annual payments until they reach the age of 45. Therefore, you have to be rich or have a lot of money to join this club. Guests come in by a screening process. Folks join by invitation. The main encampment area has 160 acres of old growth redwood trees. Some of them are over 1,000 years old and are higher than 300 feet in height.

The National Press Club was established in Washington, D.C. in 1908. Soon, its membership include news reporters, including 17 consecutive President of the United States. The National Press Club's logo had and owl (an emblem of the Bohemian Grove), a lantern, and the rays of sunlight. Some of the folks in the National Press Club control most of the mainstream media today in America. One of the most powerful cliques of the Bohemian Grove is called Mandalay filled with CFR members, SMOMs, Pilgrims, and corporate cheiftans. Mandalay seems to be the camp of international relations. Those in Mandalay include Samuel H. Armacost (from Bank of America), Ralph E. Bailey, George H. W. Bush, the late William J. Casey, Henry Kissinger, George P. Schultz, etc. Mandalay is the top of the capstone of the Bohemian Grove in terms of political power. **You can't just walk into the Mandalay location. The Syllabus of Errors in the late 1800's had the Vatican to condemn the freedom of religion, the freedom of speech, and other legitimate freedoms in the world. William Randolph Hearst, Bay Area shipbuilder Arthur W. Moore, writer Ambrose Bierce, writer Henry Georg, and other famous Grovers existed in times past. Other pre-eminent camps are:**

- Hill Billies (which is made up of: Big Business/Banking/Politics/Universities/Media)
- Cave Man (which is made up of: Think Tanks/Oil Companies/Banking/Defense Contractors/Universities/Media)
- Stowaway (which is made up of: Rockefeller Family Members/Oil Companies/Banking/Think Tanks)
- Uplifters (which is made up of: Corporate Executives/Big Business)
- Owls Nest (which is made up of: U.S. Presidents/Military/Defense Contractors)
- Hideaway (which is made up of: Foundations/Military/Defense Contractors)
- Isle of Aves (which is made up of: Military/Defense Contractors)
- Lost Angels (which is made up of: Banking/Defense Contractors/Media)
- Silverado squatters (which is made up of: Big Business/Defense Contractors)
- Sempervirens (which is made up of: Californian-based Corporations)
- Hillside (which is made up of: Military — Joint Chiefs of Staff)
- Idlewild (which is made up of: California-based Corporations)

This is an image of a Bohemian Grove meeting in 1957. There, you see David Rockefeller, Ronald Reagan, Glenn T. Seaborg, and Richard Nixon. The Bohemian Grove hosts some of the most powerful men in the world. Seaborg is one man who headed the Plutonium work of the Manhattan Project (which formed American nuclear technology into the next level). The Manhattan Project had many Grovers that worked on it. Glenn T. Seaborg once described the Grove as: **"...where all the important people in the United States decide an agenda for our country the following year."** (Mike Hanson, "Bohemian Grove: Cult of Conspiracy," pg. 32)

**The Bible is clear that we should make owls and animals into godlike images:** Romans 1:22,23 comes to mind: **"Professing themselves to be wise, they became fools, And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things."** The Bohemian Grove deal with sexual debauchery and the praise of false gods in simply terms.

## The Cremation of Care and the Owl

Some believe that the owl image in the Grove looks similar to Molech, who is the pagan deity of Canaan. Yet, Molech doesn't look like an owl, but a bull creature. Therefore, Molech isn't in the Cremation of Care ceremony (once the Care statue was a 70 ft. high Buddha statue). The owl in the Cremation of Care ceremonies relates to the goddess of Minerva. Molech is in the collection of masculine false gods of the ancient world (like Amun Ra, Baal, Marduk of Babylon, the Tyrian Melqart, the Greek Zeus, and the Akkadian Adad. These beings typically have horns, relate to the sun, relate to fire, etc.). The Cremation of Care ceremony was invented by Joseph D. Redding in 1893. Joseph Redding was very well connected to elite Anglo-American families. For example, Redding's father was a land agent for the Southern Pacific Railroad Company. This company was owned by elite Anglo-American Pilgrim Society families (like Harriman and Harkness). A statue of an owl stands at the head of the lake in the Grove; the Owl Shrine was designed by sculptor and two-time club president Haig Patigian and built in the 1920's. The owl statue (in the Cremation of Care ritual) is more related to Minerva (or the Goddess like Lilith). Lilith

represents wisdom ([This has been proven by the research of Conspiracy Archive.com. This site proves that the Bavarian Illuminati used the owl as a strong logo of this group](#)). Goddess image relate to the moon, while god images relate to the sun in the Mysteries. It is generally accepted that Sumerian goddess of Innana became Ishtar, Semiramis, Cybele, and Astarte, which are all mother goddesses with the dove and lion as main attributes. Lilith in the occult was Adam's mythological first wife. She like Adam was created from the dust of the Earth. In legends, she refused to submit to Adam and she left him. *Lilith is described as either a winged serpent or a screech owl WHO MURDERS INFANTS!* (according to the research of Christian David Stewart). Sounds familiar? A 2006 occult work by ceremonial magickian Donald Tyson, titled *Liber Lilith*, details the secret cosmology for the 'Mother of Harlots' and the spawn of all nightbreed monsters called **Lilith**. To occultists, Lilith is a consort of Lucifer or related to the figure of Babylon. She is also called the Queen of Demons. The book [proclaims itself](#) as saved from the ashes of *Dr Dee's library* at Mortlake in the 1580's. According to Terry Melanson, Lilith [is also](#) closely related "to the Greek figure of Hecate, with her demands for human sacrifice." (in the Bohemian Grove, there is mock human sacrifice). In fact, the poet [George Sterling](#) was one of the most prominent "Bohos" of his time. Sterling wrote a play titled *Lilith; a dramatic poem* (in 1920), in which Lilith herself [mentions](#) the owl, which demonstrated that they or Bohos at least knew of such symbolism. Sterling stayed at the Bohemian Club in his own private room toward the end of his life, where he committed suicide by ingesting cyanide. The owl is therefore one major symbol of the Bohemian Grove. Some point to the owl design in a section of Washington, D.C. as another proof of D.C.'s Masonic/occult origin. The owl is also found hidden in the One Dollar Bill. The owl emblem of Minerva (which is the Roman god of wisdom. The ancient Greek version of Minerva is Athena) in the occult world again represents wisdom. The owl is viewed as a good omen in the battlefield or in a crisis. Owls images are found at the Acropolis of Athens (which is a Temple dedicated to Athena). An exact replica of the Acropolis is found in the Library at the Bohemian headquarters in San Francisco. There is also a plaque in the Bohemian Grove area stating: "Replica of Ancient Athenian Owl."

The Bavarian Illuminati utilized the owl as an emblem as well. The Bavarian Illuminati wanted enlightenment principles to govern the world (in the process of getting rid of Monarchs and organized religion in the process). Ironically, Weishaupt allowed the Minerval Academy to transpire in his group. The Minerval degree (or the Brethren of Minerva) was in the Bavarian Illuminati as from, which was above the Novice degree. People were called on to learn figures from ancient Greece and Rome. The Minerval degree have Quibus Licet notebooks were notebooks were introduced and kept. Members in the that degree are required to do essays to pass a test. The owl was a nightly bird and according to Terry Melanson, the Bavarian Illuminati operated at night. On each Minerval ceremony, the initiates recited and were taught a lecture on a slight version of the Ode to Wisdom poem (which was written by Elizabeth Carter). This poem ironically has the word Care, which is similar to the Bohemian Grove's Cremation of Care. The Minerval Academy have its meetings marked on the Illuminati's calendar as sacred. One pages 236 and 237 from "The Dictionary Symbols" by J.E. Cirlot, the owl represents:

"...In the Egyptian system of hieroglyphics, the owl symbolized death, night, cold, and passivity. It also pertains to the realm of the dead sun, that is, of the sun which has set below the horizon and which is crossing the lake or sea of darkness."

Here's another Bohemian Grove connection to the owl:

"...The Bohemian Club's] symbol is an owl, which has been in use since the first year the Club started. The owl has come to symbolize the wisdom of life and companionship, that allows humans to struggle with and survive the cares and frustration of the world. The owl is found on all Bohemian materials from matchbook covers and doormats to the most elaborate Club publications. For

\$34.00 you can even own an owl-emblemmed sports shirt. A forty foot concrete owl stands at the head of the lake in the Grove. This owl shrine was built in 1929 to serve as a ceremonial site for traditional Bohemian rituals and is used yearly for the Cremation of Care Ceremony....”

- Peter Martin Phillips, [\*A Relative Advantage: Sociology of the San Francisco Bohemian Club \(1994\)\*](#), p. 44.

**There is even more obsession with the owl image. James Gordon Bennett (1795-1872) was the founder of the New York Herald. His son was James Gordon Bennett Jr. (1841-1918). Now, Minerva and the Bell Ringers at Herald Square were dedicated to both men. Bennett Jr. took control of the Herald after his father died. The original masthead of the Herald was the owl. A statue of Minerva and the Bell Ringers are found on the roof of the New York Herald building on 35<sup>th</sup> Street and 6<sup>th</sup> Avenue.** The statue of Minerva of Athena hold her shield with her left hand. Also, she gestures at the 2 men named Stuff and Guff statues. The link of <http://www.museumplanet.com/tour.php/nyc/es/33> describes more information on the statues in New York City:

“...On the hour, the men swing back their hammers and pretend to strike the bell, but stop three inches short. The hour is actually struck by a mechanism tucked behind Stuff and Guff. Originally, it was hand-wound, and each winding took 240 turns and took two to three hours to set Minerva for a week. Now it is electric. On top of the bell sits Athena's bird, the owl, whose eyes blinked green when the owl and Athena were on top of the Herald's headquarters. The inscription below the figures notes that this is a memorial to

James Gordon Bennett, founder of the New York Herald in 1835, and his son James Gordon Bennett, 'through whose vision and enterprise the New York Herald became one of the world's great newspapers.' James Gordon Bennett, Jr., moved the headquarters of the Herald from its original location on Park Row (near 'Printer's Square,' where the Benjamin Franklin statue now stands) uptown to a Renaissance-palazzo-style building designed by Stanford White. (The Building was demolished in 1921.) Before working people owned watches, the Herald Tribune's tolling clock was relied upon to tell time in the Herald Square area. The artist was the Beaux-Arts trained-sculptor Jean Antoine (Antonin) Carles (1851-1919). The figures and bell were cast in France by 'SIOI - Decauville, Foundeur Paris' and shipped to New York...." (end of source).

Ironically, the Herald headquarters' roof is surrounded by 26 owls that are 4 feet high. The eye sockets of the owl have electric globes at night that flash on and off. It winks on people. One meaning of it is that wisdom is found in the newspaper. The *New York Times* [writes](#) that there's "a bronze door accessing the interior of the monument near 35th Street. It is inscribed with five stars, an owl and the legend 'La Nuit Porte Conseil,' which has been translated idiomatically from the French as 'Let's sleep on it.'" Indeed, for it was Bennett's personal [motto](#) (the words of *In nocte consilium* means *Night is mother of counsel in Latin. The Bavarian Illuminati embraced these words. Another maxim that the Illuminati gave to the Minervals was Quidquid agis, age prudente et respice finem.* These words are Latin for Whatever you do, do cautiously, and be mindful of the end). Bennett Jr. would keep live owls in his office as meaning wisdom. He painted owls everywhere in his house, yacht, and even in their bathrooms. This is an obsession and many of these people worship the Creation instead of the Creator. That is the precise definition of a pagan.

**The Care according to Peter Martin Philips relates to Bacchus (a Roman false god which is better known as the Greek false god of Dionysus. Dionysus is the god of wine, sexual freedom, and ecstatic freedom). Sir Francis Dashwood would have a role of Bacchus/Dionysus in his own rituals of the Hell Fire Club. The "do what you will" quote, inscribed above the main entrance of the Medmenham Abbey where many of Dashwood's rites were performed, served as an inspiration for Aleister Crowley. Dashwood visited many European royal courts in his younger years, ultimately becoming Chancellor of the Exchequer and a member of the Queen's Privy Council (in 1761). The Cremation of Care ceremony portrays the Grove members as **being afraid of Care. The ritual wants to rid of Care. Care is posing as a mocking spirit in the Cremation of Care ritual. These actions go back to the Druids, Babylon, Greece, etc.** Philips's 1994 Ph.D dissertation about the Cremation of Care outline the following:**

*"...The Cremation of Care Ceremony was produced as a play in 1920, wherein a High Priest standing before a huge pre-historic alter, is confronted by Dull Care wrapped in the chains but not dead because Bacchus, the only warrior Care fears, is truly dead... Care responds: 'Call Bacchus from the grave... long as he is dead. I sneer at Great Bohemia! Aha! Aha!'... Good Fellowship then takes the torch from the priest at the alter and burns Care in his prison, thereby purging the 'demon Care from the sacred Grove.' This ceremony has been rewritten on several occasions but the theme is still the same." (1994, Peter Martin Philips, 'A Relative Advantage: Sociology of the San Francisco Bohemian Club' [Ph.D. dissertation])*

**Some believe that the Dull Care may go back to the Sumerians. The Sumerians had the word barra. Barra means begone to get rid of the**

**unwelcome spirits of the land. This tradition spread into Greece, Rome, and Europe during the Middle Ages.** In fact, there was the 1687 play called "Begone Dull Care" This was made by John Playford. Also, the Grove members have a human sacrifice in effigy (or a dummy) and do other things. In the Bohemian Grove, there is a priest wearing a mitre (which looks similar to the Pope's mitre, and the Dagon fish gods of the Middle East). Dagon is the half man, half fish god that was believed by the ancient pagans to have brought humankind civilization. It was worshipped under many names of Enki, Ea, Dagon, and Oannes. **This tells me that the Bohemian Grove high priests existed from the Sumerian-Babylonian high priests not just having connections to the Papacy. Similar groves occur worldwide in Europe, etc. It isn't just one place in Northern California where some world leaders perform occult, degenerate acts near Groves. The Bohemian Grove today owns about 2,712 acres of land.** Journalist Dirk Mathison found out about the Grove by the hard way. In July 1991, when Mathison was the San Francisco bureau chief of People magazine (owned by Time Warner), he sneaked into the Grove's 2,700 acre spread three times. On his third foray, Mathison ran into a Time Warner executive who recognized him - and threw him out. **Mike Hanson is a first-hand eyewitness who has been inside the Bohemian Grove. In the summer of July 15, 2000, Mike secretly "infiltrated" the Grove with radio talk show host Alex Jones. They filmed several hours of footage, including the entire "Cremation of Care" ritual, which will be published in full here for the first time. He peers behind the deep, green foliage and twisted vines, and the moss-covered brown limbs and trunks of ancient, gnarled trees to discover what really goes on at the Bohemian Grove. This ritual was the Cremation of Care. The goddess Diana is also present at the Grove. A picture of her statue, which is located near the 'Diana Circle', has been among a few dozen photos a certain 'Kyle' has managed to snap in 2004 and 2005 as an employee at the Bohemian Grove.**

## Saint Nepomuk

**The Bohemian Grove has many Vatican ties that isn't shown much even in some of the alternative media.** Saint John of Nepomuk (in Bohemia) is the Patron saint of the Grove. Nepomuk in some stories refused to tell the confessional secrets of Queen Johanna of Bohemia to King Wenceslaus IV of the Bohemians (He was also King of the then Holy Roman Empire). John of Nepomuk was killed in 1393 according to a legend. King Rudolph II of Bohemia was another occultist in the 1500's. There is even an old Bohemian Grove picture of a Mass being performed there. Hence a Vatican/Bohemian Grove link is there. Both George W. Bush John Kerry are related to Borivoj I and Saint Ludmila, who are the oldest rulers of Bohemia. Nepomuk is pictured (in a wood carving) with an index finger near his mouth. He wears cleric robes. This symbolizes secrecy. **The Jesuits canonized Nepomuk as a means to continue their wicked Counter-Reformation. Ironically, there is a place called "Old Bohemia." Old Bohemia is also called St. Francis Xavier Church, which was founded by Rev. Thomas Mansell in 1704.** This place is a large Jesuit plantation in Cecil County, Maryland (since Maryland back in the 1700's was an outpost of Papal influence). It's one of the oldest permanent Catholic institutions in America. The Bohemia Academy was created in 1745 by Jesuit Thomas Pulton (which was attended by Roman Catholic Charles Carroll of Carrolton). Charles Carroll was a signer of the Declaration of Independence (His cousin John Carroll was the first Catholic bishop in the United States). Old

Bohemia is now a famous historical site. The Vatican have been involved in evils for centuries as we all know. These are interesting connections. There is also the Vatican connection to sexual abuse and child slavery. Again, this is a taboo subject for the disinformation folks. **The CIA and certain members of the U.S. government were caught in child sex trafficking rings in the U.S. These evil acts include the kidnapping of Johnny Gosch, who vanished without a trace in 1982. Former Republican Nebraska State Senator John DeCamp wrote a book, entitled "The Franklin Cover-Up." In it, he wrote that Paul Bonacci was an eyewitness to the rape and ritualistic murder of a young boy named Nicholas in the Bohemian Grove at the summer of 1984. Bonacci created notes of the sick incident. There is one connection to abuse scandals in the 1980's that doesn't receive much attention. That link is that Vatican role in such scandals. For example, Boystown in the 1980's was caught in child abuse. John DeCamp (he was an ex-aide of the Knight of Malta CIA boss William Colby) wrote about this scandal and the Franklin child sex abuse case.**

**Lawrence King was convicted for his involvement in the Franklin sex abuse case. Also, Roman Catholic priests abused many of the boys at Boystown. It would be ironic that John DeCamp was becoming a Catholic priest. The overseer of Boystown was the Roman Catholic Monsignor Robert Hupp. According to DeCamp Monsignor was the only Catholic priest to be appointed as a delegate to the United Nations. The Vatican has supported the U.N. since its inception. One example is how Pope Paul VI (Montini) who stated that the United Nations was "the last great hope for mankind." DeCamp visited and talked to the then Cardinal Ratzinger about the archdiocese of Omaha Nebraska's involvement in the pedophilia at Boystown. A judge forced DeCamp (who had an audience with the Pope) to take the Arch Diocese off the lawsuit. This information is omitted from the "Conspiracy of Silence" documentary (which was produced by John DeCamp) that was to air May 3, 1994 on the Discovery Channel. It's easy to decipher that the Roman Catholic Church was involved in child abuse for a long time. The Vatican boasts over 1 billion members worldwide including 1.7 million Knights of Columbus in the USA. Ted Gunderson writes about similar subject matter (like about Satanists), but unfortunately doesn't outline the Vatican's role in the sexual abuse of young children. Also, Ted L. Gunderson supported Sylvia Browne, who is a pro-Gnostic psychic. Human trafficking is a global occurrence that has been exposed by conservatives, liberals, and independents. Stealing children and banning innocent behavior among parents and children were key duties of sick dictatorships like in Nazi Germany and the Soviet Union. Even in the 21<sup>st</sup> century, Dyncorp and the U.N. have been caught being involved in sex rings or some of the U.N. peacekeepers doing sexual assaults against women of the Third World.**

## Prostitutes

People have sexual orgies and the members of the Bohemian Grove have sex with prostitutes from across the world. I wouldn't be surprised if human sacrifice and sexual abuse is done there as well. Mike Hanson interviewed 4 Mitchell Brothers female dancers for his book. They admit that prostitution was an "unofficial" policy at the Bohemian Grove. The girls were expected to perform sexually inside of the Grove. The girls found a briefcase left by one Bohemian Grove member. They found an old butcher knife that had stains in it (that could be used for murder). Also, the briefcase had an owl mask, a long black robe with a gold hood, and ritual gear. [The New York Post Page Six \( which is an Archived Page\) from July 22, 2004](#) exposed how a male porn star named Chad Savage serviced some of the Bohemian Grove members. The article says that this person makes their beds and gives the Grover's food back then. The Post claims that they don't know who he is. This part of the story is possibly disinformation by them since no one comes into the Bohemian Grove unless you are screened. According to the Bohemian Grove Fact Sheet (which is promoted by the Bohemian Grove Action Network, which I don't agree with on every issue) as shown in this link of <http://www.sonomacountyfreepress.com/bohos/bohofact.html>:

“...They watch (and participate in) plays and comedy shows in which women are portrayed

by male actors. Although women are not allowed in the Grove, members often leave at night to enjoy the company of the many prostitutes who come from around the world for this event. Is any of this hard to believe? Employees of the Grove have said that no verbal description can accurately portray the bizarre behavior of the Grove's inhabitants....When powerful people work together, they become even more powerful. The Grove membership is wealthy, and becoming more so, while the middle class is steadily becoming poorer. This close-knit group determines whether prices rise or fall (by their control of the banking system, money supply, and markets), and they make money whichever way markets fluctuate. They determine what our rights are and which laws have effect, by appointing judges. They decide who our highest officials shall be by consensus among themselves, and then selling candidates to us via the media which they own. Important issues and facts are omitted from discussion in the press, or slanted to suit their goals, but they are discussed frankly at the Grove. Is there true democracy when so much power is concentrated in so few hands? Is there any real difference between the public and private sectors when cabinet members come from the boardrooms of large corporations? Is the spending of billions on weapons, which are by consensus no longer needed, really the will of the people? Or is it the will of General Electric, General Dynamics, and the other weapons contractors represented at the Grove? .. ....”

Richard Nixon wrote about the Bohemian Grove in interesting terms:

"If I were to choose the speech that gave me the most pleasure and satisfaction in my political career, it would be my Lakeside Speech at the Bohemian Grove in July 1967. Because this speech traditionally was off the record it received no publicity at the time. But in many important ways it marked the first milestone on my road to the presidency." — President Richard Nixon again, in a more mellow mood, in his *Memoirs* (1978).

"The Bohemian Grove, that I attend from time to time — the Easterners and the others come there — but it is the most faggy god\_\_ thing that you would ever imagine. The San Francisco crowd that goes in there, it's just terrible. I can't even shake hands with anybody from San Francisco." — President Richard M. Nixon

Herb Caen of the San Francisco Chronicle wrote about the homosexual activities going on in the Bohemian Grove. Don Heimforth was a Grover and admitted to homosexual sex in the Grove as well before dying of AIDS. Many fake conservatives hypocritically claim to be for family values, but go into the Bohemian Grove to have sex in orgies. “Kyle” (which isn’t his real name, but a secret one to protect his identity) is an employee of the Bohemian Grove that blew the whistle on many inside events of the organization. He told his information to Alex Jones. Kyle worked at the Grove for their Spring Jinx for the “neophytes” (or newcomers or outsiders of the group). He worked for the official 15 day Summer encampment festival as well. **"Kyle" went on record as saying he witnessed Colin Powell, Justice Clarence Thomas, Governor of New Mexico Bill Richardson all in attendance at this year's encampment.** "Kyle" witnessed the extensive use of biometric scanning equipment. Employees now have to hand scan to gain entry and to leave the Grove. The members are able to forego this scanning and simply have ID cards. **He then went on to describe how as one of the younger men in there, he was approached numerous times by men in their 50s, 60s and 70s and asked if he "slept around."** This proves that many adulterers and homosexuals are in the Grove. There is a large statue of the Goddess Diana, the main Circle is named Diana, there are buses named Diana, Old Druid and **hamadryad** (From Greek/Roman mythology -

A wood nymph who lives only as long as the tree of which she is the spirit lives or a King Cobra) which is one of the high priests in the Cremation of Care ceremony. "Kyle" managed to get 5 hours of video and 50 photos in the Grove with the use of a pen camera. Secret orders have these not only obsessed with sex, but almost worshipped it in their rituals and symbols. The Square and Compass emblem of Freemasonry (including the Tubal Cain) are representations of the heterosexual sex act. The Square and Compass represents the Generative principle. Albert Pike, 33°, who used to be the Sovereign Grand Commander of Scottish Rite Freemasonry, agrees with Waite, pointing out the sexual significance of the symbol as pertaining to the "generative principle" (or sexual intercourse). The O.T.O. or the Ordo Templi Orientis has grotesque sexual rituals. Even rocket scientist and OTO member Jack Parsons followed sexual rituals to advance his anti-Christian causes. Jack Parsons was a founding member of Jet Propulsion Laboratories (JPL) back in the late 30's, and one time head of the California branch of the magical order the Agape Lodge of the **Ordo Templi Orientis (O.T.O.)**. Parsons was an innovator of rocket engineering. Babalon Working was a ritual he did with L. Ron Hubbard in order to herald the coming of the Antichrist as a child (or the Moonchild that Aleister Crowley wrote about). Hubbard was of course the founder of Scientology. On June 17, 1952, Parson accidentally died by blowing himself up with explosions. The occult is known for evil sex practices, black magic, and blood sacrifices. That is why it wouldn't be surprising if real human sacrifice takes place inside of the Bohemian Grove.

## More Information about the Bohemian Grove

A grove is a small wooded area. Pagan groves have different meanings to different people. Some pagans conceive of a pagan grove as a learning center for different pagan

religions. In Wicca, a pagan grove is set up for teaching reasons (a Wiccan High Priestess and High Priest head up this grove). The primary activities taking place at the Grove are varied and expansive entertainment, such as an elaborate Grove Play (once known as "High Jinks") and musical comedies ("Low Jinks") — where female roles are played by men in drag — produced by the members and associate members of the Club. Thus, the majority of common facilities are entertainment venues, interspersed among the giant redwoods. This is wild of course. The sleeping quarters or camps are scattered throughout the Grove. The Bohemian Grove Action Network protested the Grove for its secrecy, sexism, and elite connections. Now, the problem with this group is that the "The Order of Death" movie (which was created by Alex Jones and his team) exposed the Bohemian Grove Action Network of being a bunch of New Age witches. They did ceremonies to stop evil spirits, but Wicca is still a worship of Nature. Nature isn't God. God is God that created Nature. There's a difference. Also, the Bohemian Grove Action Network are in the left/right paradigm (In other words, they believe that It's the Republicans vs. the Democrats when it's bigger than that. Both major parties are funded by the same people).

Though no woman has ever been given full membership in the Bohemian Club, the small number of female honorary members includes [Ina Coolbrith](#) (who served as librarian for the Club), [Elizabeth Crocker Bowers](#) and [Sara Jane Lippincott](#). Such honorary members and other women guests have been allowed into the Bohemian "City Club" building and as daytime guests of the Grove, but not to the upper floors of the City Club nor as guests to the main summer encampment at the Grove. Annual "Ladies' Jinks" were held at the Club especially for spouses and invited guests. The Bohemian Grove is so sexist that the Court system in 1987 forced the Grove to have women as workers in the summer encampment. There is a flyer, which was obtained by Alex Jones and Jon Ronson, that seems to depict a baby having been sacrificed in the Cremation of Care fire. It's interesting to note that many professors and other academia from Stanford and U.C. Berkeley Universities (which reside in California) are member of the Bohemian Grove. David Michael Kelley, David Beaven Abernethy, and others are members from Stanford. Walter Alvarez, Jesse H. Choper, Charles Faulhaber, and others are from U.C. Berkeley. Even Kenneth W. Starr from the faculty of Pepperdine University is from the Bohemian Grove. Starr is famous for his prosecution against Bill Clinton for lying under oath. Newt Gingrich and even Danny Glover are famous Bohemian Grove participants as well.

## There is nothing new under the sun

Clearly, we find of the Bohemian Grove that:

1. Many occult/Druid like rituals occur there like the Cremation of Care. This is definitely a sick form of idolatry.
2. The Bohemian Grove have some of the most powerful people in American Government.
3. The Grove have prostitutes of both sexes to service the members. Many of the members are married. Even if they aren't married having sex with prostitutes is immoral and very risky for a person's health.
4. The Bohemian Grove incorporate much secrecy in their total agendas and rituals. Jesus Christ, on the other hand, said to keep nothing secret and don't swear oaths. Jesus said "*in secret have I done nothing*" (John 18:20). Only the wicked use secrecy as an illegitimate means to shield their activities on a grand scale.
5. Much of the Bohemian Grove's concepts were inspired by ancient pagan customs. To have a mock human sacrifice is definitely from the ancient

Mysteries indeed. It goes back into ancient Babylon and ancient Greece even before the Druids. Indeed, there is nothing new under the sun.

"People need somebody to watch over them... Ninety-five percent of the people in the world need to be told what to do and how to behave."

- Schwarzenegger aged 44 to US News and World Report in 1990

## Appendix A: Arnold Schwarzenegger

Evil people just spout with influences, but they can never escape or defeat the truth. Arnold Schwarzenegger married into the Kennedy clan's relative. Also, Schwarzenegger (in 2009) is the perfect champion of the establishment's policies from global warming hysteria, the murder of the unborn, and to the pro-Federal Reserve bailout. **Schwarzenegger is right though to endorse alternative energies to assist the environment like hydrogen fuel cells, etc. There is nothing wrong with that.** How can people become silly enough to place him as Governor of California? Ever since October 2003 when Arnold Schwarzenegger was elected, I was shocked. The Governor's race can because Gray Davis was recalled. Another candidate for Governor who lost the election of 2003 was Cruz Bustamante. The *Voz de Aztlan*, the controversial newspaper supporting MEChA, the Chicano Student Movement for Aztlan, that has just endorsed Mr. Bustamante. La Mecha is a group that some of its members want Atlzan. That is a racial Empire that is mostly Hispanic to reign with the throwing out of non-Hispanic people. As a student at Fresno State

University in the 1970s, Bustamante was an active member of the Movimiento Estudiantil de Aztlan, or MEChA. Bustamante repeatedly denies having a “radical ethnic agenda,” but has refused to disassociate himself from his Mechista roots. MEChA’s symbol is an eagle clutching a dynamite stick and machete-like weapon in its claws; its motto is “*Por La Raza todo. Fuera de La Raza nada* (For the Race, everything. For those outside the Race, nothing).” That motto tells you whether La Mecha is truly tolerant of others or not. The MEChA Constitution calls on members to “promote Chicanismo within the community, politicizing our Raza [race] with an emphasis on indigenous consciousness to continue the struggle for the self-determination of the Chicano people for the purpose of liberating Aztlán.” “Aztlán” is the group’s term for the vast southwestern U.S. expanse, from parts of Washington and Oregon down to California and Arizona and over to Texas, which MEChA claims to be a mythical homeland and seeks to reconquer for Mexico (*reconquista*). Some La Mecha members have displayed racism not only against whites, but blacks, Asians, and Jewish people. Even the present Democrat LA mayor named Antonio Villaraigosa was a member of La Mecha. Cruz Bustamante infamously used the N word while addressing a Black History Month event years ago. Now, this doesn’t mean we embrace the other extreme position of violating people’s civil liberties and kicking people arbitrarily out of this country (neither the other extreme of allowing anyone come into America for any reason without any checks or balances at all). The 2 extreme positions of immigration policy (and their supporters) are supported by the Ford Foundations (plus other entities like Neo cons) in order to form the new world order. Breaking down borders (as supported by the UN, UNESCO, etc.) and harming the middle class is a key plan of the globalists.

**\*The great news is that most Hispanic people in America respect their heritage, yet enough freedom in this nation. Tons of Hispanics are also God-fearers and love the truth of his Word. The vast majority of Hispanic people are hard working, inventive, and very resilient like any other people. So, I want to make that clear.**

Arnold Schwarzenegger puts his hand on the bible while being sworn into office as the governor of California. His wife, Maria Shriver stands on his left.

Proof is all around assigns him with being a foot soldier of the Elite. Again, in a July 2003 San Francisco Chronicle article reported that the Bohemian Grove gave the word to allow Schwarzenegger to run to be the state governor of California:

"...From what we've hear, the Republican hierarchy -- especially those close to former Gov. Pete Wilson -- would favor Schwarzenegger. At least that's the word that came out of the Bohemian Grove this past weekend, where a number of state and national GOPers, including presidential adviser Karl Rove, happened to have gathered at a club getaway" (The San Francisco Chronicle from July 23, 2003).

Karl was there at the meetings it has been reported. Ironically, Karl Rove and his fellow Bohemian Grove member Arnold talked cordially with each other at the 2005 Inauguration of George W. Bush. The Secret Societies love Schwarzenegger for he submits to their ideals and married Maria Shriver, a member of the Kennedy family, in 1986. Reuters' "Buffet backs the Terminator" detailed that Arnold and Warren Buffet (who is a billionaire) visited the ancestral home of the Rothschild dynasty. Lord Jacob Rothschild greeted Arnold at the Waddesdon manor (in Buckinghamshire, England). Schwarzenegger said to Jacob Rothschild that: "...It's very nice of you to host this.." The Rothschilds are an important, strong bloodline of the globalists.

**They are connected to the Vatican Treasury. Jacob Rothschild is the current head of the UK Rothschild family, having inherited the fourth baronetcy from his father, Victor, an eminent zoologist, and sometime MI5 agent and friend of KGB agents Anthony Blunt and Guy Burgess. The Rothschilds gave money to build the Masonic-looking Israeli Supreme Court building. The building has a Pyramid and an All Seeing Eye image. Jacob Rothschild is a friend of Papal Knight of St. Gregory Rupert Murdoch. Also, many Rothschilds have been Freemasons and apart of British Knighthoods. There are other deluded souls who take this further and envision him to be President of the U.S.A. Of course, this violates Article 2, Section 5 of the Constitution forbidding foreigners to become President. Many nations prohibit**

**foreigners to become Presidents or Prime Ministers and we should since it maximizes national interests. The globalists are even throwing some symbolism about Arnold in our faces. In the movie, Demolition Man, Sandra Bullock tells Sylvester Stallone that Arnold was President. This movie came out in 1993 and the movie is set at 2026. Could the “Terminator” be the man to run America and become the prophesized Antichrist. Probably not, but he could be on of the 10 Global Kings predicted to run the American nation for the Antichrist. Arnold Schwarzenegger is definitely an extension of the Illuminists’ cabal with roots from the Nazis.**

Gustav Schwarzenegger (who was Arnold’s father) was a member of Hitler’s infamous Sturmabteilung (SA) “brown shirt storm troopers [brown shirts]. Gustav joined the S.A. on May 1, 1939. This was 6 months after the storm troopers help Kristallnacht, the Night of the Broken Glass, where Jewish homes, businesses, and synagogues were attacked in Germany and Austria. Jewish people in the thousands were sent to concentration camps afterwards. Gustav served with the German army units, which saw some of the most terrible bloodshed of WWII like the invasions of Poland, France, and the German rampage in Russia, and the siege of Leningrad. The LA Times in August 14, 2003, proved it all document. The Jewish hero Michael Lehman, who wrote articles in Pam Schuffert’s American Holocaust old Website, as early as July 2003 exposed Arnold Schwarzenegger plus Kurt Waldheim’s involvement in the Nazi/Ustashi terrorism to Jewish people, Serbs, Gypsies, etc. in Serbia. Kurt Waldheim also attacked American G.I.s. Michael wrote that:

“..Former UN Secretary-General Kurt Waldheim had served with the Wehrmecht Division SS and Ustase terrorists in Macedonia and was a SS Operative in mass killings throughout Yugoslavia:

[http://www.olinfrederick.com/Our\\_Bookshelf/The\\_Waldheim\\_Affair/the\\_waldheim\\_affair.html](http://www.olinfrederick.com/Our_Bookshelf/The_Waldheim_Affair/the_waldheim_affair.html)

Kurt waldheim had recieved a Civil Status Certificate noted that he was fluent in German,Italian,English, and French and had a brief knowledge of Serb- Croatian language. As well Waldheim had received a Zvonimir Medal w/ oak leaves from Fuherer Ante Pavelic,this medal is only awarded in which the honoree had served "under fire". The prelude for the holocaust in America next, like Nazi Germany, REMEMBER, Kurt Waldheim, Adolf Hitler and current Arnold Schwarzenegger are Austrian Catholics the Vatican has arranged this via Hapsburg dynasty. The Nato/European Union are the CONTINUATION of the Third Reich, ANTISEMITISM IS RAMPANT AT THE UNITED NATIONS! ...This demonstrates the cooperation between Nato (NRF-Nato Response Force)and the PENTAGON, preparations for Martial Law/Red Alert.

<http://www.defenselink.mil/photos/newsphoto.aspx?newsphotoid=4602> Most likely the plans are being finalized for anticipated Martial Law/Red Alert in America, just as the LATE Andrija Artukovic, Minister of Interior for the FASCIST Nazi Satellite state of Croatia during the WW II era (1941-1945)He (Artukovic)lived in Seal Beach,CA for 38 yrs. This man organized the HOLOCAUST FOR YUGOSLAVIA!(pavelicpapers.com) As well, Arnold Schwarzenegger was born in Austria,so was Adolf Hitler and Kurt Waldheim, Andrija Artukovic was born in 1899 (movie:"End of Days" 1999-Schwarzenegger)in Austria-HerzeGOVina!...”

Kurt Waldheim was the Secretary General of the United Nations from 1972 to 1986. In 1986, he ran for the Presidency of Austria and Arnold was his biggest supporter. Waldheim had anti-Jewish leaflets saying "enough of the Jewish war, kill the Jews, come over." Arnold was even featured on many campaign posters. **When the Nazi connection of Kurt was exposed in 1986, it dragged for months. Arnold still supported him by saying: "...My friends don't want me to mention Kurt's name because of all the recent Nazi stuff and the UN controversy, but I love him and Marie does too, and so thank you, Kurt."** Arnold and Kurt are Roman Catholics. Gov. Arnold Schwarzenegger is pictured with Christoph Cardinal Schoenborn of Vienna at a Mass for the Dead. Schwarzenegger has Nazi tendencies by 1975, who said in his film Pumping Iron that: "I admired Hitler, for instance, because he came from being a little man with almost no formal education, up to power. I admire him for being such a good speaker and for what he did with it." ABC News obtained a copy of it and the news media showed this story very fast. This is a fact and no person in his 20s that I know of admired Hitler. That's just sick. Arnold Schwarzenegger is hence an admirer of Hitler and dreamed of being a dictator as well. Manfred Thellig, who worked with Arnold in Munich, offers a similar interpretation. According to Thellig, Arnold "definitely admires the Teutonic period of the Third Reich. He just loved those leftover relics of the Third Reich in Munich—those Teutonic statues." He added that Arnold would say, "If I had lived at that time, I would have been one of those Teutonic breeders" but explains, "Whenever he opened his mouth and it sounded like 'Oh, there is a neo-Nazi,' this was just playing Tarzan. It wasn't serious. . . ." He was also photographed in 1996 with Jang Haider, leader of the radical Freedom Party. Haider praised Hitler as executing 'sensible policies' and was filmed at a secret S.S. reunion. **Isn't it ironic that websites like [www.jesus-is-lord.com](http://www.jesus-is-lord.com), who show no anti-Semitism, yet it's blacklisted by the Simon Wiesenthal Center. On the other hand, when a Nazi ties having person like Arnold comes to the plate, he's given a free pass. Why?**

**Surprisingly, the Simon Wiesenthal Center (whose head is Rabbi Heir) supported Arnold. Why? They refuse to expose Arnold's elaborate Nazi connections, because Arnold "tithed" them a percentage of every film he'd starred in. That's over \$5 million for 18 years for the Simon Wiesenthal Center. They awarded Arnold in participating in a blatant bribe by giving him the National Leadership Award (their highest award). In the 1970's, black people were called racial slurs by Arnold like the "N" word. Rick**

**Wayne, a black bodybuilder from St. Lucia [which is a Caribbean Island] accused Arnold saying this racist statement about South Africa's former Apartheid system: "If you give these black a country to run, they would run it down the tube" in the 1970's. The Drudge Report proved it. Wayne said that he saw Arnold upset a Jewish friend Joe Weider making him cry by his sick jokes including an impression of Hitler. Arnold's response was to comment to Rick (after the Germans didn't response as hard after Arnold's Nazi salute pose), "These people are nothing without an Austrian to lead them." Even the LA Times mentioned many stories many stories of numerous women Arnold harassed. Arnold in his infamous Oui magazine interviews, published by Playboy said that he and other bodybuilders gang raped a black woman at Gold's Gym in Venice Beach. On the set of Terminator 2, he put his hands on a female crewmember's blouse and pulled her breasts out of her bra. The woman cried and ran to a nearby trailer. In November of 2000, he pulled British TV commentator Anna Richardson onto his lap after an interview. Arnold then grabbed her breast and squeezed her nipple without her permission. Richardson has filed a libel action and Arnold patted her behind when she left. With this much disrespect for women, lovely human beings who are created from God, it tells me that he doesn't deserve to be elected into any political office.**

Arnold mentioned that he smoked marijuana before in the movie of Pumping Iron and admitted to using marijuana and hashish in the Oui Magazine. The deal isn't about the debate on the war on Drugs. It's about how in the January edition of Playboy, Arnold lied and said that he never used drugs in his life. Now, he's for legalizing the drug. He supports legalizing marijuana and admitted using steroids. In his early career, he posed nude for homosexual pornographic magazines and some think that this was a means for some bodybuilders to earn more income. Even though Arnold lied and denied that the photographs existed. These photographs were on sale at E-Bay. Robert Mapplethorpe, (His gay lover and body builder Jack Fitcher offered auctions of the photos since Robert is dead now) who was a homosexual, photographed the images of Arnold. Pornography is a wicked form of exploitation of the human body. Also, porn has negatively affected people in many arenas not just the youth, but adults. Arnold Schwarzenegger supports civil unions, but not homosexual marriage when both are nearly identical.

I will be pro-gun until I'm dead. Arnold is obviously against the fundamental right to bear arms. According to David Codrea's "True Lies: How can voters believe a thing Arnold says?" at September 29, 2003, Arnold Schwarzenegger supported the extinct assault weapons ban, mandatory gun safety devices, banning .50 caliber rifles, requiring an arbitrary test before owning a gun, etc. Since Day One, Arnold Schwarzenegger is an avid supporter of abortion and embryonic stem cell research. Killing unborn babies is disgusting to me. He passed Proposition 71, a \$3 billion embryonic stem cell initiative in California, yet there has been no evidence that stem research by embryos alone have treated a single disease or ailment. He wants the Republican Party (already extremely socially liberal, which I'm not). He wants the Republican Party (already compromisers now) to be even more compromising on abortion, stem cell research,

whether gays should just have equal rights as found in the Constitution plus the Bill of Rights (or special rights, which I don't agree with), and other socially liberal issues. Fake conservative **talk radio hosts like Sean Hannity and Rush Limbaugh hail Arnold Schwarzenegger, but he's an extremist for abortion on demand, new waves of gun control, quasi-amnesty for all illegal immigrants, and for the war on terror.**

The Associated Press, LA Weekly, and the LA Times detailed this meeting. It was in May 26, 2001 when Ken Lay (an ex-Enron CEO) called a secret meeting of California Republicans at Beverly Hills Hotel. It included ex-LA Mayor Richard Riardon, convicted junk bond person Michael Milken, and Arnold Schwarzenegger. They united to keep the fraudulent deregulation scam going by creating a rigged market costing \$7 billion for California. They called on taxpayers to pay billions of dollars to keep the fraud going on. **People want Arnold Schwarzenegger for President? Well, the U.S. Constitution forbids that by saying in its Second Article that "No person except a natural born citizen, or a citizen of the United States at the time of the adoption of this constitution, shall be eligible to the office of the president." Senator Orrin Hatch wants to change that according to an Associated Press Article carried in The Salt Lake City Tribune's headline of "Hatch for foreign-born hopefuls." If Orrin and Arkansas Democrat Vick Snyder are successful, are successful, it gives clearance for Arnold to do what he wants. George Schultz is part of his economic team and he is also a member of the Bohemian Grove and was part of the Reagan administration as a Secretary of State and a German Roman Catholic.**

**There are more connections of Arnold Schwarzenegger to the establishment that I need to mention. Thomas A. Nassif was a key part of Arnold's ally. He is a member of the CFR and was President of the Western Growers Association. He was a protégé of Archibald and Selwa Roosevelt. Selwa Roosevelt was the White House Chief of Protocol. Also, her husband Democrat Archibald Roosevelt Jr. was a Groton graduate. Even Bonesman and Democrat Averell Harriman was a Groton graduate (just like Bonesman William P. Bundy. Bundy was with the law firm of Covington and Burling. Bundy had close allies with the National Lawyers Guild. Bundy even gave money to defend CFR member Alger Hiss since Hiss was accused of being a Communist). Bundy would edited the official publication of the Council on Foreign Relations called Foreign Affairs. Harriman financed the Nazis as proven in the books of Hitler's Secret Backers, Wall Street and the Rise of Hitler, and America's Secret Establishment. Therefore, Tom A. Nassif (who was the head of Gulf Interstate Engineering or the GIE) was trained by those who wanted the new world order. Tommy A. Nassif's (GIE) had offices in Beijing and Moscow and like Bechtel had business in Saudi Arabia. Even CFR operative & Christian Science religion follower David Dreier is a key supporter of Arnold Schwarzenegger.**

The U.N., Bill Clinton, and Margaret Sanger made errors in history. Also, America should have borders and preserve the 2nd Amendment to the fullest. Yet, you will hear advancement of these principles by brainwashed liberals about these facts. Some liberal sheeple would deride you as an extremist when you say these truths to them. George H. W. Bush, George W. Bush, and Richard Nixon are not real conservatives, yet neo-conservatives will accuse you of blasphemy when you speak the truth on them as well. If an anti-establishment Republican, Democratic, or independent candidate for any office had just 10% of Arnold's baggage, his or her's

reputation and political career would disintegrate in a flash. Arnold even admitted to sexually harassed women as late as 2000, went AWOL from the Austrian military, and has dual citizenship with Austria and the United States of America. (without at least given up his Austrian citizenship). **This will especially happen nowadays in 2009. If you are the globalist's water boy like Arnold is, you're scott-free. I never knew that a person like Arnold Schwarzenegger had so many ties to the establishment. Yet, now I know.**

Appendix C: Schlaraffia

There is another group similar to the Bohemian grove called the Schlaraffia (it was created in Prague, Bohemia in 1859). It was made up at first of actors and musicians just like the Bohemian Grove originally had. This group wanted to promote art, humor, and a care free attitude about life. An actor by the name of Victor Mueller-Fabricius founded the club in Cincinnati in 1893. **Their ceremony were similar to the civic societies of the Middle Ages. They venerate the owl as a symbol of wisdom. The Schlaraffa wanted friendship among people.** The catch with this group would praise Minvera owl symbol. According to the historian Richard B. Spence, members of Schlaraffia would be apart of Sat B'hai, the Royal Order of Sikha (which was apart of the OTO). American and British intelligence accused the Schlaraffia of promoting German propaganda in a silent, slick way. **Another branch of the Schlaraffa came into San Francisco during the late 1800's. Both the Bohemian Grove and Schlaraffia wanted to get rid of the cares of life. This concept in the Bohemian Grove is exempflied as destroying Care (or releasing the everyday mundane life).** Reychs (or local clubs) currently exist in [Germany](#), [Austria](#), [Switzerland](#), [Italy](#), [Spain](#), [France](#), [Belgium](#), [Sweden](#), the [USA](#), [Canada](#), [Mexico](#), [Venezuela](#), [Colombia](#), [Ecuador](#), [Brazil](#), [Argentina](#), [Thailand](#), [South Africa](#) and [Australia](#). The total number of Schlaraffen amounts to about 11,000. Other famous members of this organization include [Franz Lehár](#), [Gustl Bayrhammer](#), and [Peter Rosegger](#).
