

Brothers and Sisters,

Since the promise to guarantee the FM Fort Wayne to Mansfield pool by the division superintendent has not come to pass as promised. I would like anyone that has worked that pool for a complete half and not have 10 starts to put in a PE time claim for the past 2 months. In remarks please put the following:

**I am claiming a PE time claim for 8 hours pay on account of being on the FM Fort Wayne to Mansfield pool that is in constant violation of the 2015 BLET agreement .**

**I am claiming XX starts for the half ending XX/XX/XX that I did not receive because of the failure of the carrier to follow the 2015 agreement and adjust pool spots according to Appendix II, Section 3 Pool Handling paragraph A. All pool service will be regulated on starts rather than mileage.**
