## **Department Passes**

Only persons with entries registered by Aug. 20th will receive a gate pass. Due to decreasing state funds for operating our County Fair, the CCFA Board would like your understanding and cooperation with gate passes. The Supt. of each animal department will submit a list of exhibitors. If pass is lost or left at home, you will be expected to pay admission. Parents and family members must pay admission to enter grounds. There will be two entry gates for paying guests. Commercial exhibitors will be issued two passes per exhibit booth only. Pageant & Talent Show Contestant will receive pass good only for date of event. Passes will be dated and are not transferable. Pass must be presented with each entry into fair grounds.

***NO DOGS ALLOWED ON PROPERTY  
except for service animals.***
