After the one page PDF file opens in your browser, you may either print from the browser (which may yield a document of reduced scale- about 75% of original size), or you may download the file, either saving it directly to your computer, or opening it with a PDF reader, and then saving or printing it.

Downloading the file will yield a copy that is 100% of the original size.

To access the Scholarship Guidelines, simply click on the “Scholarship Guidelines” link above the “Scholarship Application” link and repeat the procedure above to save or print the guidelines document.

**DUE:** April 30, 2020.
