## **STW Home Owners Assoc.**

*Tim Morrison, President*

For those of us who remain we sure are seeing summer coming early. Temps in the mid-90s already are seemingly here to stay. All we need now is for the rain to start again so we can get both of our fountains running.

Now for remaining board members we have several new challenges to keep the park in great condition for all residents. To move forward with required park updates the Board had a very productive May board meeting. Our meeting began with Tim opening with up a summarized list of required activities to allow us to move forward. Business discussed and decisions made at high level were as follows:

- Tim reported that the Generac emergency generator installation scheduled for the clubhouse remains on track to complete as planned and within budget.
- Warranty work on the pool is progressing well with the general over-all condition of the pool improving.
- Jack is working with the board and residents to schedule required tree trimming.
- Plans for work this summer are now set to focus on the clubhouse and shuffleboard court structures. Bids have been gathered and vendors selected for the required work. These bids are with our lawyers for review to ensure we have viable work agreements to complete required activities. When completed these efforts will result in:
  - Replacement of the clubhouse roof

- New updated storm gutters on the clubhouse
- Repair of shuffleboard building gutters
- Replacement of some clubhouse windows
- Replacement of shuffleboard building windows
- Restructure of our existing security systems using ADT
- Stones around the pool will be washed, sanded and sealed
- A new sound system for the clubhouse was approved and is scheduled for completion during June of this year.
  - Instead of a drop-down screen we found it is less costly to employ a wide screen smart television. Work is moving forward to install this large screen television to complement clubhouse updates.
- As a result of increased demand with new resident requirements we are going back to the original forms for space in the storage area down by the shed. Each share-holder will be required to fill out a form and space will be made available on a first come basis. Note: All vehicles stored in this area must be licensed and non-commercial in nature to be there. Spaces will be limited to one per share holder. Jack Pugh will be working on this over the summer months.

As you can see, we will be very busy over the next several weeks making all this work happen. We will make every effort to accomplish these activities while keeping access to the clubhouse and pool open. We appreciate your patience while we get this done.

## Community Social Club

*Elaine Lawrence, President*

I would like to thank all those who so graciously volunteered their time and skills to make Spanish Trails West the wonderful community it is. We had a great season with many activities and events. I can't wait to see what is in store for us in the fall.

Happy Father's Day to all the Dads!

Get Well cards were sent to Sue Jacobs and Louis Freijo.

Sympathy cards were sent to Christine Dernier on the loss of her mother, Agnes Mason on the loss of her grandson, to Sue Pascoe on the loss of her husband, Al and to Suzanne Reno on the loss of her husband Angelo. Suzanne and Angelo have provided entertainment here in the park. Thinking of You cards were sent to Ray Sorbo and to Al Pascoe.

## Library News

*Lucille Wagner*

Several books about Amish people were donated to our library. They can be found on the top shelf of the center bookcase facing the clubhouse entrance. Enjoy!

### **Thank You, Thank You, Thank You**

*Tom Pete*

Many thanks are extended to all who have helped veterans who have been released from James Haley, Domiciliary. A special thanks is extended to Dawn Fay and Polly Tyra for spreading the word. Through the efforts of the park you have helped four veterans (and counting) begin a new life, with your donations. Thanks to Ken Fabiani and the Elks Lodge for including us in this effort. **STW is the BEST!!!!**
