STW HOA

Tim Morrison, President

Wow, summer is really here to stay with high temps and humidity along with the usual storms. I guess this is Florida life. We even have seen a hurricane try to start up already.

I want this chance to offer one more note of thanks to all shareholders for their efforts in either completing proxies or attending the meeting and voting on Spectrum contract considerations. These efforts made it possible for the shareholder meeting on May 17th to meet requirements for a quorum and to finalize required votes on pending

business. As you are aware by now, negotiations between Spanish Trails West Home Owners Association and Bright House Networks LLC have come to a successful conclusion. This said, we now have a new agreement in place which will take effect on **October 1, 2018**. With this new five-year agreement will come several changes for **all** STW residents. Of primary interest are:

1. All share holder residents of Spanish Trails West will see a monthly fee increase from the current \$123.00 per month to the new \$142.00 per month. Non-Share Holders will see a fee increase from the current \$23.00 a month to \$42.00 a month.
2. This fee increase will be effective October 1, 2018.
3. This fee increase will enable us to provide these services for the length of the agreement with no additional fee increases over the contract term.
4. With this agreement:
 - a. Every home in the park will be entitled to two HD Boxes at **NO** additional monthly fee.
 - b. Every home in the park will receive 100 meg Internet at **NO** additional monthly fee.
 - c. Every home in the park will be entitled to a modem/router at **NO** additional monthly fee.
 - d. Every home in the park will receive approximately 200 HD Television Channels at **NO** additional monthly fee.
 - e. NOTE: In the event you already have this equipment in place in your home you will not need to take any action. This will result in a billing adjustment. In the event you do not

currently use this equipment it will be provided by Spectrum to you.

Going forward, all equipment being provided by Spectrum will remain their property. When a home changes hands this equipment must remain with the property. Spanish Trails West will not be responsible for any additional products or services which are negotiated between residents and Spectrum. This includes recording devices, telephone service etc. We have been told that more detailed information regarding billing adjustments, equipment returns etc. will be forth coming by the end of August. Channel line-up for the service offerings included in this agreement are now available in the office. As more information comes available in the next several weeks we will keep you informed of all details associated with service connection etc. We appreciate your patience and support.

In addition to television and internet concerns, work continues for other items of interest/concern in the park. Bids were received from three vendors to either repair or replace our existing fountains. It was the decision of the board to move forward with required repairs to maintain the existing fountains until the October time line when this matter will be on the agenda for board consideration again.

Other activities include: Jack doing a great job with the new fence. We now have a new survey and a great looking fence. Street sealing efforts that were approved and scheduled were completed as planned. Our park is looking great.

Finally, please be patient with us as we continue to work through office personnel

concerns. We cannot thank Peggy Foote enough for her help and support with getting these concerns rectified. Peggy has continued to work with us in the office through the summer. We may be hiring a temporary person to work part time to fill in for Peggy but will rely on her for the main office functions. Please give Peggy a big thank you when you see her.

Kitchen Korner

Wendy Lewis

I'm pleased to note that we have had a very nice turnout for the June and July events. In June, we had an ice cream social on Father' Day and a pizza lunch on June 23rd. I said it was trying something new and this is what I have to report. Instead of paying the pizza guy \$5.50 per person, I made and served all the pizzas myself. By doing this, instead of losing money on the event we actually made a small profit. Everyone seemed to enjoy the homemade pizzas and the variety offered. The Taco pizza was a big hit. I need to fine tune a few things. But the consensus was to do it this way in the future.

For July 4th, I again tried something new. We charged \$2.00 per person for a choice of a hamburger or hot dog with everyone bringing a side dish or dessert. Everyone agreed we had a nice variety. For future reference, for \$2.00 you do not get all the hot dogs and hamburgers you can eat. The hamburgers cost over \$1.00 each. Add to that the cost of the buns, lettuce, tomatoes, condiments, beverages, cups, napkins, etc. and the kitchen broke even for the event. We also had about twenty more

people to show up that had not signed up to attend. I don't know how to communicate to everyone, how important it is to sign up and to show up! I can only plan for a few extra or the costs will go up and we lose money. We also set up the dining room based on the number signed up. It causes chaos to have to set extra settings at the last minute. Also, if you sign up and don't show up, the kitchen is left with extra food that is not paid for. This also affects the amount of money we have for "free" events. All it takes is a phone call to any Social Club Board Member to add or subtract your name from the count. For bigger events coming up in the fall and winter, we will be selling advance tickets to help alleviate this problem.

We are having one event in August because everyone who attended the past few events said they enjoyed any kind of get together and didn't want to go all summer without "being social." So, we are having a Picnic in the Park on Saturday, August 25th at 11:30 a.m., cost \$6.00. Everyone will receive a picnic basket with their choice of an Italian sausage or hot dog. The basket will also include cole slaw, potato salad and home-grown corn on the cob. A variety of toppings will be available with dessert and beverage included.

September starts off with a regular Pot Luck on Labor Day, September 3rd at 1:00 p.m. On September 15th the Egg-in-a-Bag Breakfast Buffet is back at 8:00 a.m., cost is \$6.00. Also, September 29th at 5:00 p.m., we will have something different. We will be serving a roast pork dinner. It will be buffet style and include sliced roast pork loin, homemade stuffing, mashed potatoes and

gravy, vegetable, dessert and beverage for \$8.00 per person. Hopefully some of our snowbirds will be heading back and can attend.

By mid-September, I will have finalized all the food events for the season. It will be posted in the clubhouse, online on our home page and copies will be available.

So, get your calendars ready to reserve some special dates.

'Till then stay cool and have a great summer!

Joke of the Month

Buddy Siddell

Little Johnny's Chemistry teacher wanted to teach his class a lesson about the evils of liquor, so he set up an experiment that involved a glass of water, a glass of whiskey, and two worms. "Now, class. Observe what happens to the two worms," said the professor putting the first worm in the glass of water. The worm in the water moved about, twisting and seemingly unharmed. He then dropped the second worm in the whiskey glass. It writhed in pain for a moment, then quickly sank to the bottom and died. "Now kids, what lesson can we derive from this experiment?" he asked. Little Johnny raised his hand and wisely responded, "Drink whiskey and you won't get worms!"
