No points will be earned on a day pass or turned over if full membership is paid later.

1.2 FAMILY ANNUAL MEMBERSHIPS – \$30.00 family membership includes the spouse and any children living at home through age 18.

1.3 COMPLIMENTARY MEMBERSHIPS– New members will receive their first year annual membership free. Current URSA members who recruit new single or family memberships will also receive that sorting season’s annual membership for free.

1.4 MEMBERSHIP REQUIREMENTS - Participation in an URSA event requires being a paid and rated member of the URSA to collect winnings. Their membership status must show as current in the URSA Members database at the show, or shall have submitted a First Time Membership or Renewal Membership application, including appropriate fees, to the URSA Secretary; prior to the event or class he or she is entering. Participants will have the opportunity to purchase their First Time or Renewal Memberships anytime during the year. Memberships can be purchased at the event or mailed in to the URSA Secretary. Each member will be required to pay a \$10 cattle fee and a \$5 arena fee at each show they participate in.

**Participation in an URSA event by a participant who is not a current paid and rated URSA member, or has not submitted a First Time Membership or Renewal Membership application as specified, will result in disqualification of the participant and the participant’s teammates. The member or members of a disqualified team that had a current membership shall be entitled to receive a refund of his or her entry fees. The disqualified participant that is not current shall not receive a refund of entry fees and no member of a disqualified team is eligible for any prize or winnings.

Acceptance of an entry at an event by URSA shall not constitute a waiver of the requirement set forth in this rule. Membership fees will not be refunded as a result of classifications or rule disagreements.

**IMPORTANT - Memberships are NON-REFUNDABLE & NON-TRANSFERABLE.

SECTION II CLASSIFICATION

2.1 RATING SYSTEM CLASSIFICATIONS

URSA will track sorting dollars won and sorting dollars spent on entry fees by each contestant at all URSA sanctioned events. With this data, the dollars won will be divided by the dollars spent on entry fees by each contestant. That will provide every contestant with a win/loss ratio.

Each contestant's ratio will then be placed on a bell curve ONLY with other contestants of the same rating. Based on where a contestant's win/loss ratio falls on the bell curve will decide if he or she moves up one rating or down one rating. Only in extreme circumstances will a contestant's rating move more than one rating.

Both Beginners and Rookies can be moved up regardless of their winnings if it is determined that their sorting abilities are superior to the level of competition in which they currently compete.

For those contestants that have not competed enough to have adequate data to evaluate, we will lean heavily on our Rating Committee to ensure that the ratings remain fair.

The Rating Committee will have two shows to observe new riders and determine whether their rating is appropriate. After the second show of the season, or the first two shows in which a new rider competes, his/her rating will remain the same throughout the remainder of the season. At the beginning of the season current riders, whose rating may be in question, may be placed on a "watch list" by the Rating Committee. The Rating Committee will then have two shows to observe riders on the "watch list" with the option of adjusting their rating. After that time period the individual's rating will not be changed for the remainder of the year.

2.1.1 "Watch List" – Any rider the Rating Committee may be still observing at the beginning of the year, in order to rate them properly, will be placed on a list to be observed for the first two shows of the season or the first two shows in which the listed rider competes. After the 2nd show that rider will then be assigned their official rating for the remainder of the current sorting season.

2.2 RATING RULES

***Important Note - URSA will rely heavily on the Rating Committee to keep the ratings fair and accurate.

2.2.1 The **#1 Rookie** rating is only for those participants who are novice riders. This is only an introductory level and is probationary meaning if you or your horse's skills dictate it you may be moved at any time.

2.2.2 The **#2 Novice** rating is only for those participants that have **never been rated higher than #1** in any sorting or other cow horse organization and is an amateur rider. This is a probationary rating meaning if you or your horse's skills dictate it you may be moved at any time.

2.2.3 **An Amateur** is defined as #3 and #4 rated contestants that are inconsistent in their ability to sort cattle whether it is because of their cattle reading ability, their ability to get successful partners and/or the ability of their horse.

2.2.4 **An Open** is defined as a #5 or #6 rated contestant that excels within the sport of Ranch Sorting. These are experienced sorters that have continued to improve and advance within the rating system or professional horseman that have recently entered the sport and their horses and sorting abilities dictate that they are superior to the Novice and Amateur contestants. These could be cutting horse and cow horse trainers that in a very short period of time have learned how to be competitive in sorting and have advanced to the open level.

Data Driven Rating Evaluation is the contestant's data that will be collected and carried over from one year to the next, until as determined by URSA he or she has competed enough to accurately depict a contestant's performance. Once data is used to depict a contestant's performance, then the slate is cleared and data is collected again until a rating evaluation is determined.

2.2.6 URSA will use 6 rating classifications. All contestants, regardless of age, will be assigned a rating classification. Each new member of URSA must be given a rating classification before competing in a URSA sanctioned event. The member is required to accurately and honestly answer all questions regarding his or her rating criteria.

2.2.7 **New Membership Probationary Rating** is where all new members will compete on a probationary rating for their first year of competition. If for any reason, it is found by URSA that the person is inappropriately rated then URSA Rating Committee will adjust the rating accordingly. If that person is found to have falsified information about his or her rating then URSA may revoke the membership of that person.

2.2.8 **Youth** - All Contestants in the Youth Division must be 12 or younger by January 1st of that year.

2.3 CRITERIA TO ADVANCE RATINGS

2.3.1 URSA member guidelines for increasing a riders rating at the beginning of the year. The following are change criteria qualifiers for existing riders of the previous year. A rider needs to meet two of the following:

- An URSA rider has won a high point saddle in their Class, #1 through #6 in a state or local series is an automatic number bump.
- An URSA rider's percent of entry payment to money won is:

#5 95%

#4 75%

#3 65%

#2 55%

#1 45%

- An URSA rider has, as an average per show, won money:

#5 \$850.00 avg

#4 \$525.00 avg

#3 \$400.00 avg

#2 \$225.00 avg

#1 \$95.00 avg

- An URSA rider has finished his/her last two active years in the top five of any division or the top three of the same class when there are 10 or more sorters in that class. This is based upon the rider's average points won per show.
- Any rider rated on a National level shall be rated as such or higher in URSA, but no lower than their present URSA rating. URSA may work with associated clubs to respect and adjust URSA ratings with the associated club's ratings.

2.3.2 URSA member guidelines for increasing a rider's rating during the year.

Any pre-existing member with one or more year's absence from riding in any shows is subject to review by the current Rating Committee. Any new URSA member will be observed at any state sanctioned show and can have their rating changed at the discretion of the Rating Committee until the entry deadline for the third show they attend.

2.3.3 URSA members may protest their assigned rating by sending a **written objection** to the Rating Chairman. The URSA rating committee will review your protest and their decision will be final.

2.3.4 If an URSA member places in the bottom 25% of his or her class, based on percentage of money won for the year, they may petition to receive a ratings reduction (to the next lower rating). The request must be **in writing** and given to the Rating Chairman.

- a. The member must have ridden in a **minimum of four shows**.
- b. If a rider meets criteria and is raised a rating number, that rider must remain at that rating for two years before petitioning to be lowered.
- c. However, a rider may receive a rating increase each year he meets criteria.
- d. Additionally, if a rider is lowered (through petition) a rating number, that rider must remain at that rating for two years before petitioning to be lowered again (if criteria met).

Once a rider receives a rating number of 2, he or she cannot petition to be lowered back to a 1.

2.3.5 Appeals and Special Circumstances

Members may appeal their official rating in writing. Appeals shall be mailed to URSA. **NO PHONE APPEALS WILL BE ACCEPTED!** Written appeals shall include the correct name, address, requested number change and a brief explanation of why an appeal should be granted. The rating committee chairman will document all appeals and will give all the information to the committee for a decision. NOTE: A filing of an appeal does not guarantee a rating change.

Members will be notified of number changes by one of the following: in writing, a phone call, or on the URSA website.

**The Rating Chairman and the President will be carried over to the next year's URSA executive's board.

2.4 FORFEITURE OF MONEY WON- Teams whose combined ratings are higher than the class number or class cap will forfeit their winnings. It is the responsibility of the URSA assigned team entry personnel as well as the member to make sure they are riding at their current rating. Beginners and Rookies move up throughout the year.

2.5 MEMBERSHIPS – All new members are assigned a probationary rating for their first year of competition. If at any time within the first year it is determined by URSA that the contestant is miss-rated, the rating will be adjusted.

2.5.1 Statistical Data- At the end of each year all contestants' statistical data will be evaluated and ratings will be adjusted. This classification system is used to limit the margin of error in setting sorting categories. It is based on statistical data rather than opinion and it treats each member identically and fairly. Each contestant is classified or rated with a number 1 through 6 with 6 being the most advanced.

2.5.2 Performance Rating- Your classification number is your performance rating. The sum of your classification number and your partners' classification numbers cannot exceed the number of the sorting class. This procedure closely defines the caliber of each sorting division.

2.6 URSA RATING COMMITTEE- A rating committee will be in place to review all questionable ratings for the 2019 URSA season. It will be the committee's sole responsibility to observe and review all questionable ratings of contestants. The committee will consist of five individuals appointed by the board, one of which will be the association President. A rating adjustment will require a majority vote. That change will be in effect the next URSA show in which that contestant competes. If there is a conflict of interest by a person on the committee, that person will not vote and the fourth committee person will replace them. The committee has full authority and will be 100% supported by the association. We want members to know that fairness is our utmost priority and URSA will not allow underrated contestants to continually compete at the wrong rating.

2.7 RATING REVIEW PROGRAM- URSA has instated a rating review program for any contestant that does not believe their current rating is accurate. Please see Section 2.3 of this rule book.

SECTION III URSA RANCH SORTING CLASSES AND RULES

3.1 URSA SORTING CLASSES - for the 2017 season will consist of but not limited to:

A. 2 MAN SORT

1. All Levels Handicap
2. #8 Handicap
3. #6 Handicap
4. #4 Handicap
5. Youth (Age 12 and Under as of Jan 1)

B. RANCH HAND SORT

1. #9 Ranch Hand Handicap
2. #7 Rookie HC w/1 cap on
Sorter*** (ALL DRAW)

In a Ranch Hand class, one person must be the designated Sorter and one person must be the designated Gate regardless of their rating.

Special sanctioning URSA may approve 3-man and 1-man Arena Sorting or Ranch Sorting.

***Please see specific details for this sorting class in section 3.4.1

3.2 RANCH SORTING RULES

3.2.1 Ranch sorting is typically a 2 man team sorting 10 cattle numbered 0-9 and 1 optional unnumbered cow for a total of 11 head. A run starts with team members on opposite side of start line from cattle.

3.2.2 The judge will raise the flag when the pen is ready. The judge will signal the beginning of the run by dropping the flag when the nose of the first horse crosses the start/foul line and the first number to be sorted will be announced. – The announcer will draw a number, which will determine the first cow to be sorted. The cattle will then be sorted increasing in sequence from that number.

3.2.3 The cattle must be sorted in number sequence. If any part of a cow crosses the start/foul line out of sequence before the correct cow starts across the start/foul line a disqualification will occur. A disqualification will also occur if any part of a sorted cow re-crosses the start/foul line. Any cow not entirely across the start/foul line will not be counted. The 10th cow must be completely across the line before the blank cow starts across or the team will receive a no time.

3.2.4 URSA Youth classes are to be run consistent with all URSA rules.

3.3 Ranch Hand Sorting Guidelines

This class is designed to showcase two separate horse and rider abilities. The Gate Horse holds herd and turns back wrong numbered cattle while the Sort Horse is continuously in the herd to separate and cut out the correct numbered cattle in sequential order. Contestants can ride together two times if they change the designated sorter.

Sort Horse & Rider The sort horse and rider will be responsible for sorting all cattle in the correct order by working through the herd to both turn back and cut the cattle from the herd.

- This horse and rider is allowed to make both offensive and defensive moves while cutting the cattle.

Gate Horse & Rider

- Must compete in a defensive manner

- Must not make any aggressive moves on the object numbered calf

- May make aggressive moves on any and all numbered cattle other than the object numbered calf

- Cannot turn toward the object numbered cow and drive it out when otherwise it wouldn't have gone out at that speed.

3.4 Class Descriptions

3.4.1 #7 Rookie HC with #1 Cap on Sorter**

This division is designed to help our Rookie sorters advance in their skills in the ranch sorting arena. In this division there will be #3 or above rated sorter in the gate while the Rookie #1 sorts the cattle. This division will be an all draw division with different entry fees and payouts for gate and sorter. This division uses the same rules for ranch hand sorting described in Section 3.3 with the exception that the #3 and above may never be a sorter in this class. This division will be an all draw class. The gateman in this class may be offensive only up to the end of the first panel of the pen. If a cow is past that point a gateman may push that cow through the gate. The gateman may not make any offensive moves past the point designated.

*****#7 Rookie HC Exception: Any child under the age of 12 years old may pick an immediate family member or guardian, of any rating, to ride with one time in the #7 HC Rookie class. IF the immediate family member or guardian is rated less than a number 3, he/she may only ride 1 time in the gate with their child and may not enter the draw.**

3.5 Entries and Number of Go's

3.5.1 **Pick & Draw** - The Pick & Draw system is designed to allow new contestants to the sport an opportunity to find rides and meet other contestants. The URSA All Levels class has a 5 ride limit. It is required to be a pick 1, automatically draw.

You can pick up to 4 or draw all 5. All other classes with the exception of the #9 Ranch Hand and the #7 Rookie will be a 4 ride limit. It is required to be a pick 1, automatically draw 1. You can pick up to 3 or draw all 4. The #9 Ranch Hand has a 5 ride limit with 2 picks as the gate, and 2 picks as the sorter and 1 automatic draw. The #7 Rookie class has a 3 ride limit and is all draws.

3.5.2 **Handicap System**

The URSA uses a handicap system for ranch sorting.

The handicap will be in place for the first round only. The handicap will be a $\frac{1}{2}$ second off for each number a team is under the maximum team rating. For example, the maximum rating is 12. A team may be rated a 10. Therefore, $12-10 = 2 \times \frac{1}{2} \text{ sec} = 1 \text{ second}$ off the official sorted time.

All Levels HC: The combined numbers of this team will be twelve or less.

9 RH HC Division: The combined numbers of this team will be nine or less.

#8 HC Division: The combined numbers of this team will be eight or less.

#6 HC Division: The combined numbers of this team will be six or less.

#4 HC Division: The combined numbers of this team will be four or less.

3.5.3 **Running Order** - All URSA Sanctioned classes are progressive (you must sort in each go round to advance) 0 head sorted is considered a no time. All finals at an URSA sanctioned sorting will have their running order, determined by draw, mechanically or physically at URSA assigned personnel's discretion.

3.5.4 **Payment of Fees** – Cash or Checks is accepted at any URSA sanctioned show. Checks will not be accepted from sorters that have previously written bad checks. If the sorter requests invoicing, the invoice must be paid in full before the next URSA sanctioned show in order to continue compete in the next available URSA sanctioned show.

3.5.5 **Entering with Same Partner** – Two member teams are permitted to ride together only once in each class, unless it is the result of a draw or in the Ranch Hand classes, where they can ride together two times if they change designated sorters or under special sanctioning.

3.6 **DRAW-OUT AND REPLACEMENT and EMERGENCY DRAW-OUT -**

Any team may draw-out of any event with notice prior to the start of that class with no draw out charge. If no notice is provided then entry fees are forfeited to the competition's pot. If an individual draws out, the contestants entered with him/her may draw out or replace the partner with a new partner of the same rating or less. If a team participant's partner fails to notify URSA of a draw-out, and does not appear prior to first go-round of

a competition, the participants entered with him may get a substitute partner of the same rating or less. In no instance may a participant use another participant's entry fee. If a substitute contestant is replacing a contestant who has a doctor or vet's release, or has been officially drawn out, that replacement will be required to pay entry fees, but no late fees. In no instance will the team be moved to a later draw position while the participant locates another partner. In the event of an emergency involving a competing contestant, his/her family or his/her horse; URSA may draw that team out and refund their money.

SECTION IV SANCTIONING

4.1 URSA SANCTIONED SORTINGS:

- 4.1.1 **Approved** -To be a sanctioned URSA sorting, it must be cleared on the association calendar and approved by the Executive Committee. No more than one sanctioned sorting will be approved on the same date and the State recommends no other sorting be scheduled.
- 4.1.2 **Required classes**- All Levels Handicap, Beginner class or Rookie #7 HC, and one other class are mandatory to qualify as a sanctioned event.
- 4.1.3 **Event Producer** Failure to comply with any URSA rules could result in forfeiture of future sanctioning by the Event Producer, including any shows already sanctioned or pending sanctioning. Each producer operating under the association shall be solely responsible for any and all liability and shall hold URSA and its officers and directors harmless from any liability.
- 4.1.4 **URSA Bylaws**- rules and guidelines will govern all sanctioned classes.
- 4.1.5 **The Event Producer of a sanctioned show** shall have the right to require any contestant to provide his or her social security number prior to the receipt of any prize money. A contestant, who does not meet this requirement upon request, forfeits the winnings to the Event Producer
- 4.1.6 **Both URSA and the Event Producer** of a sanctioned show shall have the right to require any contestant, or in the case of a Youth rider, the contestant's parent or guardian to sign a Liability Release form holding the Association and the Event Producer, et al, harmless for any and all injury incurred as a result of the penning/sorting.
- 4.1.7 **Special Sanctioning** - may be granted by URSA and allow for potential modifications, which may include: higher rides limits, special venues and additional pick and draw positions. Any and all deviations if granted must be advertised in advance of the show.

4.1.8 **URSA** will strictly enforce a black ball list of participants who write bad checks or who fail to pay entry fees or other required fees of any URSA sanctioned show or contest.

SECTION V REASONS FOR DISQUALIFICATION

- 5.1 **UNSPORTSMANLIKE CONDUCT** –URSA reserves the right to disqualify any contestant who does not act in a sportsmanlike, reasonable or professional manner. This shall include abusive schooling of horses. Disqualified contestants forfeit all fees.
- 5.2 **IN THE ARENA HORSEMANSHIP** - Abusive schooling or treatment of horses will **not** be tolerated. Any contestant who is in violation of this rule will be disqualified.
- 5.3 **TRASH CATTLE RULE** - The definition of trash cattle is any wrong numbered or blank cattle that starts across or crosses the start/foul line or that starts back across or crosses back across the start foul line, or any correctly sorted number that starts across the start/foul line and backs out before going all the way through is a no time.
- 5.4 **GATE CALL** – There is a (one time) 30-second gate call for every team after the announcer calls for that team. If that team has not entered the arena within the allotted time they will be disqualified. Additionally, if a contestant is late a second time or more, he or she may be disqualified.
- 5.5 **ROUGHING** - A team will be disqualified for roughing and hocking cattle - consisting of any physical contact by horse or rider at the judges' discretion.
- 5.6 **WORKING CATTLE WHILE DISMOUNTED** - Any rider working cattle must be mounted on horseback. Working cattle on foot is reason for disqualification.
- 5.7 **HAZING** - Contact with cattle by hands, ropes, bats or any other equipment or apparel will result in a no time. Waiving of hats, reins, or whips at cattle will result in a No Time.
- 5.8 **NO TIME** – Any part of a cow in sequence that starts across the start/foul line and backs out is a No Time. If no cows are sorted in the allotted time the team will receive a No Time.

SECTION VI REASONS FOR RE-RIDES

- 6.1 NUMBER ALREADY CALLED** - If a duplicate number is called within the same set of cattle a re-ride will be given immediately upon point of discovery using the same set of cattle with any number that has not already been used. Those re-rides will begin at zero time and zero cows. Re-rides may also be given for official or mechanical errors or downed cattle. In these cases, contestants will be given the option to take their time on the number of cattle sorted when the run is stopped by the official or re-ride **immediately** with the same number beginning at a time of zero.
- 6.2 COW LEAVES THE ARENA** - At judge's discretion a re-ride or a no time can be given if a cow leaves the arena. All re-rides will occur **immediately** using the same numbered cattle starting at 0 cattle with a new clock. Time can also be given on sorted cattle at the time a wrong numbered cow leaves the arena.
- 6.3 INJURED UNNUMBERED or UNFIT CATTLE** - Prior to a team crossing the start / foul line the team must notify the judge of any UN-numbered, injured, or unfit cattle. Once brought to the judge's attention the Judge (not the contestants) will determine whether to correct the problem or proceed forward. No re-rides will be given once a team has committed the cattle by crossing the start / foul line. If at the judge's discretion, a re-ride is given because of UN-numbered, injured, or unfit cattle the re-ride will occur **immediately** using the same numbered cattle once injured, unfit or unnumbered cattle are replaced.

Possible reasons for a judge to remove cattle:

- lame
- sick
- exhausted
- blind
- bleeding
- There will be no re-rides for inconsistent cattle unless the judge and URSA President agree.
- If it is determined by the judge during a set that a cow becomes unfit then that cow will be replaced but no re-rides for previous teams will be allowed.

SECTION VII URSA RANCH SORTING RULES

7.1 QUALIFICATION GUIDELINE FOR URSA

- 7.1.1 Sorters must be a paid URSA member to receive points toward year-end prizes.
- 7.1.2 **YEAR-END AWARDS:** State Champion sorters will be awarded in each Division & Class (individual) by accumulation of the highest points earned at their five URSA sanctioned shows. In the event of a tie for year-end, the tie will be broken by whoever had the highest money earned in their top five URSA sanctioned shows. Year-end awards will be presented at a banquet, place to be announced by the Board.

- 7.2 **PLACINGS** - Teams sorting in three go's will place higher than teams sorting in two go's. Teams sorting in two go's will place higher than teams sorting in one go, regardless of how many cattle were sorted. All ties (if lap timers are not used) will be brought back to the finals unless greater than 5 additional positions are created. All ties that are run off will be drawn for position of go. All ties can be eliminated by the use of lap timers, which is recommended.

- 7.3 **LAP TIMERS** -It is recommended that Hand Held Lap Timers are used at all URSA sortings.

- 7.4 **TIME LIMIT** - A 60, 75 or 90 second allotted time limit for each class will be required at URSA board discretion (URSA Recommends a 60 second clock).

- 7.5 **SETTLING CATTLE** - Each new herd must be familiarized with both sides of sorting pens before the first team runs on a herd. Cattle will be settled prior to run at judge's discretion. It is the judge's responsibility to see that cattle herds are settled as long as needed. Each arena and set of cattle are different and for that reason, a URSA president or Vice President should make a decision and advise the judge on which way the cattle should be settled to be the most fair to the contestant and the well-being of the cattle. For settling cattle, the URSA executive has the following three options:

1. Cattle may be settled on one side every time and sorted one way for that go round or class.
2. Cattle may be settled on one side for the first run of each herd and then alternated to the opposite side each consecutive run.
3. Cattle may be settled on one side for the first run of each herd and then resettled on the side with the most cattle remaining.

For determining number of runs on each herd, an URSA executive shall advise the judge and should announce before the class starts one of the following options:

1. Run 10 runs per herd and then the remaining runs that are less than ten on the final herd.

2. Divide the herds as equally as possible by the number of teams.
3. Make a decision that no herd will have more than #_____ runs due to the condition and well-being of the cattle.

7.6 **SPOTTING OF CATTLE** - Spotting of cattle at all URSA events is permissible and highly encouraged. It brings more excitement to the sport and equals the playing field for all participants.
