

Famous Quotes of Warning We Must Take Heed To

"They (the Jews) have worked more effectively against us than the enemies armies. They are a hundred times more dangerous to our liberties and the great cause which we are engaged in. It is much to be lamented that each state, long ago, has hunted them down as pest's to society and are the greatest enemies we have to happiness in America."

— George Washington

"Anti-Semitism is nothing but the antagonistic attitude produced in non-Jews by the Jewish group. This is a normal social reaction."

— Albert Einstein

"The Jews are a peculiar people: Things permitted to other nations are forbidden to the Jews. Other nations drive out thousands, even millions of people, and there is no refugee problem. Russia did it. Poland and Czechoslovakia did it. Turkey threw out a million Greeks and Algeria a million Frenchmen. Indonesia threw out heaven knows how many Chinese and no one says a word about refugees. But in the case of Israel, the displaced Arabs have become eternal refugees. Everyone should insist that Israel must take back every single Arab. Arnold Toynbee calls the displacement of the Arabs an atrocity greater than any committed by the Nazis. Other nations when victorious on the battlefield dictate peace terms. But when Israel is victorious it must sue for peace."

— Eric Hoffer

"If even Jesus couldn't satisfy them, then how could I satisfy them?"

— Harry Truman

"We the Jewish people control America and the Americans know it"

— President Richard Nixon

Benjamin Franklin

If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude Jews for all time, your children will curse you in your graves.

" Our power has been **created** through the manipulation of the national monetary system...The Federal Reserve system fitted our plan nicely since **it is owned by us**, but the name implies that it is a government institution. From the very outset, our purpose was to **confiscate** all the **gold and silver**, replacing them with worthless non- redeemable paper notes... We Jews **have put** issue upon issue to the American people. Then **we promote** both sides of the issue as confusion reigns. With their eyes fixed on the issues, **they fail to see** who is behind every scene. We Jews **toy** with the American public as a **cat toys** with a mouse... "

It is time to show that the cry of bigot is raised mostly by bigots. There is a religious prejudice in this country; there is, indeed, a religious persecution, there is a forcible shoving aside of the religious liberties of the majority of the people. And this prejudice and persecution and use of force, is Jewish and nothing but Jewish.

"Controlling the world's sources of news, Jews can always prepare the minds of people for their next move. The greatest exposure yet to be made is the way that news is manufactured and the way in which the mind of whole nations is molded for a purpose. When the powerful Jew is at last traced and his hand revealed, then comes the ready cry of persecution and it echoes through the world press. The real causes of the persecution (which is the oppression of the people by the financial practices of the Jews) are never given publicity."

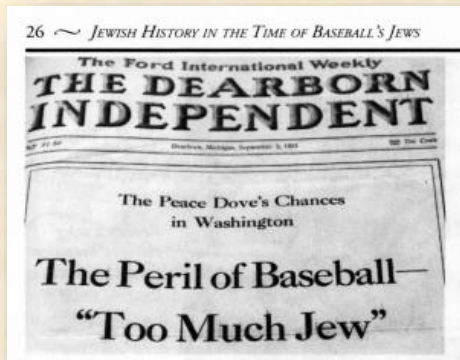

~ Henry Ford, Sr.

It is well enough that people of the nation do not understand our banking and monetary system, for if they did, I believe there would be a revolution before tomorrow morning.

Henry Ford (1863 - 1947)

Quotations from Chairman Henry Ford, Sr.

"Why discuss the Jewish Question? Because it is here, and because its emergence into American thought should contribute to its solution, and not to a continuance of those bad conditions which surround the Question in other countries..."

Not only does the Jewish Question touch those matters that are of common knowledge, such as financial and commercial control, usurpation of political power, monopoly of necessities, and autocratic direction of the very news that the American people read; but it reaches into cultural regions and so touches the very heart of American life."

—Henry Ford, Sr.
*Preface to Vol. I of
The International Jew*
The World's Foremost Problem
October, 1920

"I am convinced that nearly all wars are caused so that someone will profit and those who profited and those who are profiting now are the International Financiers, the Jews.

Gather together the fifty most wealthy Jewish Financiers, the men who create wars for their own profits, control them and you will put an end to it all."
