

## In 1917 Maximilian Kolbe founded the *Militia of the Immaculata*.

His fight was not turned toward killing the enemies of the Church, but aimed to convert them so they could achieve eternal salvation. It is in this spirit that he addressed his enemies. (once again, Christian mercy ensured these people would continue destroying our lives and right to pursue our destiny in the 21<sup>st</sup> century! It's much long-suffering, but it's how we'll gain a peaceful eternity in the end) -S.P.

**The Talmud: a collection of anti-Catholic instructions**

In an article titled "The Poor Ones" he describes the hatred expressed for Christ and His Church in *The Talmud*: "Man was redeemed, and Christ founded His Church upon a rock. Some of the Hebrew people recognized Him as the Messiah, but others – among them principally the Pharisees – did not want to recognize Him. Instead, they persecuted His followers and issued numerous laws obliging the Jews to persecute the Christians. These laws, together with stories and appendixes, became their sacred book called *The Talmud* around the year 500.

"In this book Christians are called idolaters, worse than Turks, murderers, impure libertines; they are manure, animals in human form, worse than animals, children of the Devil, etc. Catholic priests are called fortune-tellers and bald-headed dunces ... the Church is called a house of stupidity and filth; sacred statues, medals and rosaries are called idols. In *The Talmud* Sundays and holy days of obligation are considered days of perdition.

"This book teaches, among other things, that a Hebrew can deceive a Christian and steal from him since all the properties of a Christian are – from the text itself – 'like the desert, the first to take them becomes the owner.'

"This book, written in 12 volumes and breathing hatred against Christ, is considered by these Pharisees a sacred book, more important than Sacred Scriptures."

At the time of the International Congress of Freemasonry in Bucharest in 1926, Fr. Kolbe wrote the article "Rycerz Niepokalanej" [The Knight of the Immaculate] in which one reads:

....following page

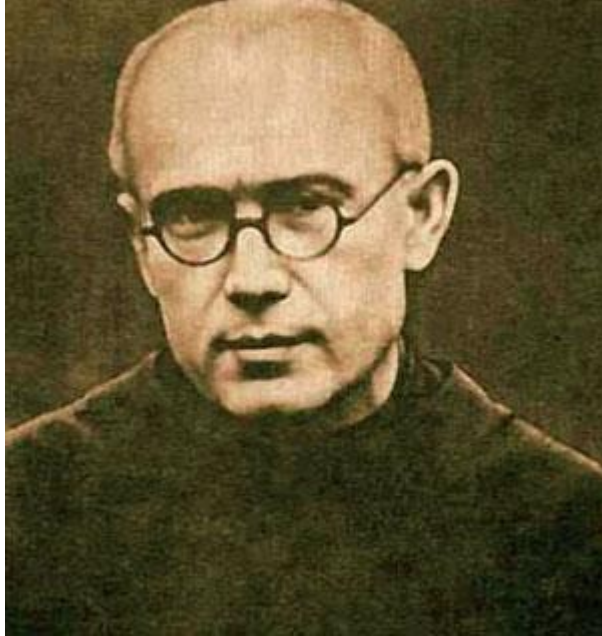

**“These men [the Freemasons] believe that they are the ones who will rule everything, but let us hear what is written in the *Protocols of the Learned Elders of Zion*. Protocol n. 11 states: ‘We will create and put in effect the laws and the governments ... in opportune moments ... by means of national rebellions. ... What we want is that the multitudes, disoriented by the revolt, still in a condition of terror and uncertainty, should understand once and for all that we are so strong, so untouchable, so powerful that in no way will we take into account their opinions and wishes. Instead we are ready and able to crush with irresistible power their manifestations at any moment and in every place. ... Then, in fear and trembling, they will close their eyes to everything and await the consequences. ...**

**The secret structure of Freemasonry is controlled by the Jews. When men from Christian heritage reach the 33<sup>rd</sup> level, they realize they've been used for the Zionism's global goal of dominance.**

**“For what purpose have we created this policy and insinuated it into the minds of the Masons, without giving them any possibility of examining its underlying meaning? ... This is what has served as the basis for our secret organization of Masonry, whose existence is not known or even suspected by these cattle, attracted by us into the army of Masonic lodges.”**

**Here, Fr. Kolbe directs himself to the Masons, saying, “Freemasons, did you hear this? The Hebrews, who have secretly organized and secretly direct you, consider you as beasts, recruited into the Masonic lodges for ends that you neither know nor suspect ... Are you aware, Freemasons, of what awaits those among you who will begin to think for themselves? Listen to this in the same Protocol: ‘Death is the inevitable conclusion of every life ... We will execute the Masons in a way that no one can suspect, not even the victims themselves: They will all die at the moment it is deemed necessary, apparently because of common illnesses.’**

**With all his awareness, he still acted as a Christian & wanted to save the Jews, but this didn't prevent him from denouncing their conspiracy. In 44 countries they were removed, yet never killed-off. (that's 43 second-chances) With all our mercy, their historical actions have never ceased. Like President Truman said post-WWII, and many said before referring to Germany....Spain....Canaan... Once they have the power, they try killing everyone else w/o mercy or second thought.**

our force is. Gentile Freemasonry only serves as a screen for us and our objectives, but our plan of action will always remain unknown by the people.”

The Saint then presents his position with subtle irony: “But we are an army whose ‘Commander’ knows each and every one of the enemies, who has observed and observes every one of their hidden actions, each one of their words, and even their very thoughts. Ask yourselves, under such conditions, can one speak of secret plans, clandestine actions and invisibility?”

And here Fr. Kolbe reveals the name of the “Commander” of his army: “It is the Immaculate Virgin, the refuge of sinners, but also the one who tramples the infernal Serpent. She will crush its head!”

**OUR LADY OF FATIMA**

The saint Founder continues:  
“Freemasons, you who recently during the Bucharest Congress were pleased by the fact that Masonry is growing stronger everywhere, reflect well and answer sincerely: Is it not better to serve the Creator with interior peace ... rather than to obey the orders of those who hate you?”

Finally, Maximilian Kolbe directs himself to the secret Chiefs of Freemasonry with these words:

“And you, small squadron of Hebrews, the ‘learned elders of Zion,’ who have already consciously provoked so many misfortunes and are preparing yet others, to you I direct this question: What advantage will you gain?  
... A huge accumulation of gold, pleasures, diversions and power, but none of this makes man happy. And if still it should give some happiness, how long will it last? Ten years perhaps, or twenty ... I ask you, Hebrew leaders, you who have let yourselves be seduced by Satan, the enemy of humanity, would it not be better for you also to return sincerely to God?”

In another article of 1926, Fr. Kolbe, again citing the *Protocols of the Elders of Zion*, wrote: “They say of themselves: ‘Who or what is in a position to overthrow an invisible force? And this is precisely what
