

# Our Leaders, the Financial-Elite Are (almost all) Pedophiles

.....These people are obsessed with Pedophilia, no remorse or forgiveness, they shall all be put to death.

## Human Sacrifice

Jeremiah 32:35, “And they built the high places of Baal, which are in the valley of the son of Hinnom, to cause their sons and their daughters to pass through the fire unto Molech; which I commanded them not, neither came it into my mind, that they should do this abomination, to cause Judah to sin.”

Truth is stranger than fiction! Human sacrifice has been around since the beginning of mankind. As we learn from our text verse, child sacrifice occurred in the Old Testament. It is shocking to grasp the truth that God's people actually succumbed to such a heathen practice. Under the right circumstances, anyone is capable of anything. A society

that will tolerate and practice the abortion of 57,000,000 children (as we have in America), are capable of any evil. And in fact, abortion is a form of human sacrifice, sacrificing precious lives on the altar of self and personal convenience!

The picture to the right is Moloch. Notice that the man placing a baby into the hands of Moloch, with a fire blazing under the arms of the alter. Notice the people worshipping the large idol. This is wickedness. Idolatry and human sacrifice are often synonymous. The occult and satanism are synonymous. Both groups worship the Devil in one form or another. Satan is often worship by occultists in the form of “Lucifer,” the angel of light (2nd Corinthians 1:13-15). Wiccan witches worship Lucifer. Satanists worship the Devil (although some gullibly claim that Satan is only an ideal to them). Both groups hate Jesus Christ and Biblical Christianity. Lucifer was an archangel in Heaven before he rebelled against God. Michael and Gabriel are also archangels, who didn't follow Lucifer. Luciferians don't like to call Lucifer “the Devil” or “Satan,” because of the evil connotations. Freemasons recognize him as “Baphomet.”

The following disturbing photo on the next page is of the Cremation Of Care ceremony at Bohemian Grove in California. You can hear a brief clip of the actual ceremony here... CREEPY!!! Alex Jones of Infowars.com snuck in with a camera in the year 2,000 and recorded the event, which sent chills throughout the world as truth-seekers discovered the shocking truth—Our nation's top leaders are Satan worshippers!!! The photo below is from Alex's camera...

**ABOVE: Bohemian Grove, a secret society of elite devil worshippers and homosexuals who meet every July just north of San Francisco. President Richard Nixon said it was “the most faggy God damned thing you could ever imagine.” Former attendees included such men as Ronald Reagan, George Bush Sr., George Bush Jr., Henry Kissinger, Walter Cronkite, Alan Greenspan, Jimmy Carter and Colin Powell, to name just a few.**

At the Bohemian Grove, the world's top leaders meet every summer just north of San FranSICKO, for an orgy of sexual depravity and debauchery. The meeting features an occult ceremony invoking the god of Bohemia, where a 40-foot owl is worshipped, and a human being is sacrificed in effigy. Many people question if the sacrifice is a real human being. We simply do not know. Actual witches gather outside the gates of the club during its festivities, holding séances and performing witchcraft rituals. Please watch the excellent 2:02 hour eye-opening video by Alex Jones titled, “DARK SECRETS: INSIDE BOHEMIAN GROVE.” Folks, this is not television, we're talking about real life events here! Our government's leaders and the highest ranking whose who of every industry and profession meet together each year at Bohemian Grove to worship Moloch (Baal). They invoke the spirit of Satan!

Hollywood is saturated with satanism and the occult. I'm surprised that there is not more information online, considering the massive depth of satanism in our American culture. Human sacrifice is commonplace in the United States and Europe. Every year 50,000 children disappear without a trace in the United States. Shockingly, many of those children are lost by Child Protection Services (CPS). Please watch this disheartening video of Senator Nancy Schafer courageously exposing CPS kidnapping of children for cash incentives, and a massive epidemic of child sexual abuse within the CPS system. Mrs. Schafer and her husband were brutally murdered in 2010 for exposing the child molesting ring operating through the CPS system in the United States.

**WARNING:** In 2006, a disturbing movie was produced starring Nicolas Cage titled, “THE WICKER MAN” This is one of the creepiest films ever made! The frightening thing is that everything in the movie is a 100% accurate portrayal of witchcraft, Baphomet, yin-yang, the phallic symbol (obelisk), goddess worship, the occult and satanism. The female

dominated occult group torture Nicolas Cage, breaking both of his legs with a sledge hammer. They then put a bee's helmet over his head and fill it full of several hundred stinging bees, which sting his eyes swollen and blind him. The torture continues and he is injected with adrenaline by the head witch to prevent him from fainting. He is dragged and locked inside a giant Wickerman, which is then set ablaze by his own biological daughter. Nicolas Cage is sacrificed to the goddess, burned alive while screaming and begging for mercy. The cold-hearted crowd laughs and cheers as an innocent man burns to death, and then the film ends. Creepy!

I've done much personal research into the occult, witchcraft and satanism. As a Christian, that makes the subject much more interesting. It also makes it much easier for me to understand such things, because I have a good understanding of the Word of God in the King James Bible. No one can truly understand the New World Order apart from a basic understanding of the Holy Scriptures. The first place to start is with **2nd Corinthians 4:4**, which identifies our enemy as, "**Satan**,

**the god of this world.**" Satan is behind all the major wars in this world. Satan is responsible for the evils of Hollywood. Satan is the owner of Sin City Las Vegas. Satan is the owner of every dirty liquor establishment. Satan is a lying, thieving, murdering, hater! The Devil is a nefarious (extremely wicked) spirit, who never sleeps.

It shouldn't be surprising that human sacrifice exists, when every year in the U.S. people murder over one million human lives in the womb. The public relations folks at Bohemian Grove assure the concerned public that no human lives are lost during their Cremation Of Care ritual each July at the club. Yet, we still wonder, because of the lying nature of all politicians and our federal government. Mr. Obama has now topped 1,000 lies since accepting the Office of U.S. President several years ago in 2009. It has been a nightmare for our country!

However, the following human sacrifices are 100% real. Children are deliberately kidnapped, murdered and sacrificed to Satan. Truth is stranger than fiction. This is the world today! END

### **FORMER SCORPIONS BASS PLAYER ADMITS GOING TO SNUFF PARTIES**

**"Hostile" movie reflects elite murder parties**

**INFOWARS.COM** - Ralph Rieckermann, the former bassist for The Scorpions, admits he has attended elite snuff parties where people are murdered for the entertainment of the wealthy guests who pay up to \$100,000 to attend.

**If regular people knew what the occult elite did behind closed doors, they would be horrified, terrified and completely baffled by the fact that they hold most of the world's wealth and power. While there is a massive concerted effort to keep these truths out of the public space, sometimes some of that disgusting, stinking truth leaks out in unexpected places.**

The rock and roll band, "The Scorpions," are as satanic and pedophile as can be. On the front cover of their "Virgin Killer" album, a 12-year-old girl is displayed naked. The occult perverts who designed the album cover use an Illuminati pyramid, with the point of the capstone in her vagina. It is too promiscuous and unholy for me to show you. She is 99% naked and the photo is highly provocative. The band members of *The Scorpions* and everyone involved in producing such wickedness ought to be rotting behind bars in prison!!! God will burn them in Hell fire unless they repent and get saved! Time is running out!

It does not surprise me that a heathen heavy-metal rock band that promotes child indecency, would also attend secret society snuff parties. Rieckermann says much worse things happened at the parties, which he refused to talk about publicly. I do not condemn anyone, for I am a big sinner just like anybody else. The truth is that God's Word condemns all humanity. That's why Jesus Christ didn't come to condemn anyone, because **"he that believeth not is condemned already" (John 3:18b)**. Jesus warned, **"except ye repent, ye shall all likewise perish" (Luke 13:5b)**. **HE THAT BELIEVETH IS NOT CONDEMNED!!!** (a precious salvation MP3 sermon by Dr. Jack Hyles, 1926-2001).

On his personal website, in the biography ("Bio") section, Ralph Rieckermann asks the viewer what is the most important thing for any human being? His worldly answer is to live in the moment. But the Holy Bible has a very different answer...

***Ecclesiastes 12:13-14, "Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man. For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil."***

#### **Human sacrifices 'on the rise in Uganda' as witch doctors admit to rituals**

**Witch doctors in Uganda have admitted their part in human sacrifice amid concerns that the practice is spreading in the African country.**

**THE TELEGRAPH | January 2010**

One man said he had clients who had captured children and taken their blood and body parts to his shrine, while another confessed to killing at least 70 people including his own son.

The latter has now given up the ritual and is campaigning to stamp it out, according to BBC News.

The African country's government claimed human sacrifice was on the increase.

According to officials trying to tackle it, the crime is directly linked to rising levels of development and prosperity - and an increasing belief that witchcraft can help people get rich quickly.

During its investigation, to be broadcast on Thursday on Radio 4 and Newsnight, the BBC team witnessed anti-sacrifice campaigners torching the shrine of a witch-doctor in northern Uganda, who agreed to give up the practice.

He said clients came to him in search of wealth.

"They go and capture other people's children. They bring the heart and the blood directly here to take to the spirits," he said.

"They bring them in small tins and they place these objects under the tree from which the voices of the spirits are coming."

The witch doctor, who said he was paid 500,000 Ugandan shillings (around £160) for a consultation, denied any direct involvement in murder or incitement to murder, saying his spirits spoke directly to clients.

Moses Binoga, the assistant police commissioner who is head of the Ugandan anti-human sacrifice and trafficking task force, said there were 26 murders thought to be part of ritual sacrifice last year compared with three cases in 2007.

"We also have about 120 children and adults reported missing whose fate we have not traced," he added. "From the experience of those whom we recovered, we cannot rule out that they may be victims of human sacrifice."

### **Child sacrifice and ritual murders rise in Uganda as famine looms**

#### **Surge in deaths and kidnaps among poor linked to witch-doctors and organ trafficking**

When James Katana returned from a church service to his village in the Bugiri district of eastern Uganda he was told that his three-year old son had been taken away by strangers.

"We were looking for my child for hours, but we couldn't find him," he said. "Someone rang me and told me my son was dead and had been left in the forest. I ran there and saw him lying in a pool of blood. His genitals had been cut off, but he was still alive." A witch-doctor is now in police custody, accused of the abduction and attempted murder of the boy.

Despite the mutilation and terror the child experienced, police say he was one of the lucky ones. Uganda has been shocked by a surge in ritualistic murders and human sacrifice, with police struggling to respond and public hysteria mounting at each gruesome discovery.

In 2008 more than 300 cases of murder and disappearances linked to ritual ceremonies were reported to the police with 18 cases making it to the courts. There were also several high-profile arrests of parents and relatives accused of selling children for human sacrifice.

In January this year the Ugandan government appointed a special police taskforce on human sacrifice and announced that 2,000 officers were to receive specialist training in tackling child trafficking with the support of the US government. Since the taskforce was set up there have been 15 more murders linked to human sacrifice with another 200 disappearances, mainly of children and young adults, under investigation.

"This year we have had more occurrences of people attempting to sell their children to witch-doctors as part of ritual ceremonies to guarantee wealth and prosperity," said Moses Binoga, acting commissioner of the anti-human sacrifice and trafficking taskforce.

Both police and NGOs are attributing the surge to a new wave of commercial witch-doctors using mass media to market their services and demand large sums of money to sacrifice humans and animals for people who believe blood will bring great prosperity.

"Cases of child sacrifice have always existed, mainly in the Ugandan central region, but there is a new strain of traditional healers in Uganda and their geographical spread is mainly attributed to increased unemployment and poverty," said Elena Lomeli. She is a volunteer with the British charity VSO who is supporting ANPPCAN Uganda, a child abuse NGO, in its work with victims in the capital Kampala. "My experience working with victims suggests that the abusers are greedy people who want to get rich quick. In rural areas, people can sacrifice their own child. In urban areas, educated and rich people will look for somebody else's."

Looming food shortages and famine hitting Uganda's poorest in the north and east are also feeding the demand for sacrificial rituals. "These are not poor people paying for these rituals, they are the wealthy elite taking advantage of the

desperate poor," said Binoga. "In January a 21-year-old woman was jailed for 16 months for kidnapping a child and trying to sell him to a witch-doctor for a large sum. These cases are on the increase."

Ugandan police are increasingly linking the sudden increase in cases to organ trafficking. The anti-human trafficking taskforce said many of the bodies found in the past few months were missing organs such as kidneys, hearts and livers, a detail not consistent with many traditional ritualistic practices.

In May a report released by the US State Department said Uganda had become an international hub for human trafficking and highlighted the increased trade of children in the east of the country for their body parts . "We are investigating the possibility that some of these murders are the work of an international organ trafficking ring who are making these murders look like human sacrifice," said Binoga. ## Homosexual prostitution inquiry ensnares VIPs with Reagan, Bush

### 'Call boys' took midnight tour of White House

By Paul M. Rodriguez  
and George Archibald  
© 1989 THE WASHINGTON TIMES

A homosexual prostitution ring is under investigation by federal and District authorities and includes among its clients key officials of the Reagan and Bush administrations, military officers, congressional aides and U.S. and foreign businessmen with close social ties to Washington's political elite, documents obtained by The Washington Times reveal.

One of the ring's high-profile clients was so well-connected, in fact, that he could arrange a middle-of-the-night tour of the White House for his friends on Sunday, July 3, of last year. Among the six persons on the extraordinary 1 a.m. tour were two male prostitutes.

Federal authorities, including the Secret Service, are investigating

criminal aspects of the ring and have told male prostitutes and their homosexual clients that a grand jury will deliberate over the evidence throughout the summer, The Times learned.

Reporters for this newspaper examined hundreds of credit-card vouchers, drawn on both corporate and personal cards and made payable to the escort service operated by the homosexual ring. Many of the vouchers were run through a so-called "sub-merchant" account of the Chambers Funeral Home by a son of the owner, without the company's knowledge.

Among the client names contained in the vouchers — and identified by prostitutes and escort operators — are government officials, locally based U.S. military officers,

businessmen, lawyers, bankers, congressional aides and other professionals.

Editors of The Times said the newspaper would print only the

names of those found to be in sensitive government posts or positions of influence. "There is no intention of publishing names or facts about the operation merely for titillation,"

said Wesley Pruden, managing editor of The Times.

The office of U.S. Attorney Jay B. Stephens, former deputy White House counsel to President Reagan, is coordinating federal aspects of the inquiry but refused to discuss the investigation or grand jury action.

Several former White House colleagues of Mr. Stephens are listed among clients of the homosexual prostitution ring, according to the credit-card records, and those persons have confirmed that the charges were theirs.

Mr. Stephens' office, after first saying it would cooperate with The Times' inquiry, withdrew the offer late yesterday and also declined to say whether Mr. Stephens would recuse himself from the case be-

cause of possible conflict of interest.

At least one highly placed Bush administration official and a wealthy businessman who procured homosexual prostitutes from the escort services operated by the ring are cooperating with the investigation, several sources said.

Among clients who charged homosexual prostitute services on major credit cards over the past 18 months are Charles K. Dutcher, former associate director of presidential personnel in the Reagan administration, and Paul R. Balach, Labor Secretary Elizabeth Dole's political personnel liaison to the White House.

In the 1970s, Mr. Dutcher was a congressional aide to former Rep. Robert Bauman, Maryland Republican, who resigned from the House after he admitted having engaged in sexual liaisons with teen-age male

## 5,200 Pentagon Employees Download Porn!

U.S. News

### Pentagon said lax on child porn probe

Published: January 5, 2011 at 10:35 AM

WASHINGTON, Jan. 5 (UPI) — A U.S. senator says the Pentagon should have paid more attention to employees downloading child pornography on their work and home computers.

Senator Charles Grassley, R-Iowa, told The Boston Globe he was informed that Pentagon investigators failed to check all the names on a list of 5,200 employees suspected of viewing child pornography.

He said 1,700 names on the list were not reviewed, the Globe reported Wednesday.

"These cases were not considered a priority by the Defense Department in the first place, and they should have been," Grassley said.

They stem from an expansive investigation by Immigration and Customs Enforcement known as Project Flicker.

Downloading child pornography is a federal crime punishable by prison sentences of five to 20 years.

Members of Congress and other officials say employees with high-level security classifications are vulnerable to blackmail if they access such materials.

The Defense Department's inspector general has told Grassley the department is working to correct problems with the investigation.

Practicing family attorney Gregory Hession confirms child protective service agencies engage in abusive, deliberate and dirty tricks motivated by federal funding. Every year thousands of families are forcibly separated from their children based on unsubstantiated or outright false allegations of child abuse. Gregory Hession, a practicing constitutional and family law attorney in Mass., says that for these families, the nightmare has only begun.

Children in child protective services (CPS) have been abused, wounded, brain washed, drugged, adopted out and some have even died. Hession has represented hundreds of these families and has dedicated himself to exposing CPS abuses and reuniting loving, deserving families. He documents CPS abuses in the July 23, 2007, issue of The New American magazine. ...
