

I N S U L A T E D

The 6000 Series

▶ VERSATILE AND CAPABLE FOR ALL CLIMATES.

These coiling doors are engineered and designed for maximum strength and durability. Manufactured to stringent code standards, the Series 6000 insulated coiling door is an industrial product built to provide a high degree of confidence for specifiers and end users. A wide variety of slat gauges and color options are available.

Powder Coat

Select powder coat options from a palette of 188 colors. RAL numbers are provided for each color to ensure that your selection is consistent.

Hood

Half-hexagonal formed hoods deliver superior structural rigidity and aesthetic appeal.

Windows

Clear acrylic glazed lites approximately 5" x 1-1/8" in size and spaced 7" on center. Pattern options include one or more full rows or groups of windows.

Service Panel

Guides feature an easily removable 24" inside angle simplifying the replacement of damaged slats or bottom bar.
