

# Priority Wait List:

Our priority wait list, is a paid wait list.

In order to get placed on this wait list you need to fill out the pre-adoption questionnaire and email it to us at [capecodhedgehogs@gmail.com](mailto:capecodhedgehogs@gmail.com) to review. We will get back to you with in a few days to set up a phone call to talk more about what questions you have about taking care of a hedgehog, along with any questions you might have.

Once you become an approved home, you have read though our Adoption Process and agree to what we have outlined in our contract (Ex. No Breeding of any animal from Cape Cod Hedgehogs). Then we will send you a Paypal invoice, which will include the 75.00 **Non-Refundable Deposit** (which is applied to the final cost of the hedgehog) along with a 3.00 Paypal fee and MA State Tax's. Reaming balance is due at pick up of the animal, **Cash Only**.

Being on our priority wait list, allows you to have first pick of new available babies, over the general public. (Ex. you are looking for a specific sex and color, you would have choose in the order your deposit and approved application was received).

When you are on this wait list, and expected babies are born, we will email you and let you know. Around 2-3 weeks (given the mom if she will allow photos) we will message everyone the photos. I will start in order and contact you to see which baby you would like. you will then have 24 hours to respond with your pick. If you do not respond, we will move on to the next person in order. But you will not be bumped off the list.

Any questions, please free to ask.
