

# Wait List for Rescued Hedgehogs:

All rescue hedgehogs will be re-homed with the same contract that is needed to adopt a baby hedgehog from us. Except, they will come with no health guarantee as we only know what we are told by the previous owner. All rescue hedgehogs will start at \$100 to cover any vet costs. They all be seen prior to leaving our home by our treating vet, if needed. If they came to us with supplies, they will go home with their supplies. Same rules apply, you have to have proof of a heat system, cage. Have a vet in your area that can treat hedgehogs before they leave. All rescues stay with us for at least 45 days under quarantine. Once this time is up and there is no health problems that need to be addressed, they will be freed for adoption.

If you are interested, please email us with the following info to be placed on the wait list below.
