Epsilon Sigma Alpha International Council Newsletter

Kim Kummer, ESA International Council President 2018-2019

I am fortunate to have grown up in a small enough community that my sisters and I had free reign to play from house to house. My favorite house to “play at” was the home of a retired couple. They were educators and never missed an opportunity to teach. I helped organize their books and magazines one summer; volunteered at the local Historical Society and even campaigned for a senator (wish I could remember who) hanging flyers on screen doors. They always made me feel I was important and they needed me to

accomplish whatever task we were doing. Looking back, I am sure I filled a void since their grandchildren lived far away. They have both passed on but now and then something will trigger a memory of my time spent with this sweet couple. The gift of friendship they offered me has lasted a life time.

ESA affords us the same type of friendship, the kind that lasts a lifetime, giving a lifeline when needed and someone to call with the answer. Have you shared the gift of ESA with someone this year? Since we are ALL part of the membership team it is all our responsibilities to share ESA. Our membership leaders, Tracy Swanson, Tammy Gregg and Alysha Wagley, are just a phone call, text or email away to give encouragement and support. They have great recruitment ideas on the ESA website. I mentioned it in January, but it is worthy of another shout out, start planning you **TACO 'bout ESA** party today! With March just around the corner what about a Dr. Seuss party on March 2nd and of course any mathematician can explain 3.14 as Pi but I prefer

Make plans now to travel to Memphis in July for the ESA IC Convention. The Convention Committee is working hard behind the scenes to provide everyone Merriment and Memories Memphis Style. The Welcome Party kicks off Wednesday evening, workshops will begin Thursday morning, and the Flag Ceremony will kick off the 1st General Assembly on Friday. Hope to see you there!

Easterseals

Hello Everyone

Hopefully spring is around the corner?? Even here in the desert it has not been a nice winter!

I want to personally thank each and every one of you who worked an event, held an event and/or did the Easterseals Challenge I sent out to everyone. The challenge is not too late to catch up on. Will not break the bank but can make a big difference for all those who depend on Easterseals. Email me and I will gladly email a copy back to you! Some helpful hints – housekeeping – or just reminders!

1. You can use the Turnaround fund for Easterseals donations. Just please remember to include the Affiliates EIN number and if they are mailing the check- please send the affiliate's address as to where you want it sent.
2. Remember Easterseals year runs from April 1 through March 31.
3. CHAPTER PRESIDENTS – please get your reports to your Easterseals State Coordinator by April 15th as they need to have time to compile the numbers in order to send to me by May 15th.
4. Reports need to include – miles – donated goods – donated moneys and number of hours.
5. If you need an affiliate contact information, please let me know and I will get that info for you.
6. REMEMBER _ this is Easterseals 100th Anniversary.... please maybe consider giving 100 extra pennies? Just think – if every ESA member gave a dollar – look at what we could do for those who depend on Easterseals and the services that they offer! We could really make a difference!!
7. If there are any questions, please contact me at dwaltesa@att.net or 317-294-9027
8. Would love to have 100% participation by all states.

U can make a big difference for those with disabilities..... remember ESA and Easterseals – “taking on disabilities together”!

Hope see many of you in Memphis and hope you plan to attend the Easterseals workshop!

Hugs and a big thanks for all that you do. Let's give a “gift” to Easterseals!

Association of the Arts

Hey Crafters! Want to share some exciting news with you! In conjunction with the IC Executive Board, we have made some changes to the Association of Arts Form and entry requirements. First, after much discussion, we have eliminated the Divisions of Literature, Music and Wearable Art. The number of entries in the past few years have not warranted keeping those Divisions. Second, we have made Quilting a separate Division. Third, in order to make things more equitable, we are limiting the number of entries that can be submitted from each member to one in each Division. For example, you can no longer submit 5 entries under the Photography Division. You can, however, submit one entry in Photography, one in Needlework, one in Painted Art, one in Visual Arts and one in Holiday for a total of 5 entries. We are also developing a

People's Choice award where those who attend convention and visit the display room can vote on their favorite entry. There will still be a Best in Show decided on by the Judges. We hope you will embrace these changes by sharing your Gifts with us in Memphis! Be watching the website for the new form!

Awards Chair

The 2018-19 Junior and Senior High Youth Outstanding Award forms have been updated and downloaded on the ESA Website. For your convenience, the Junior and Senior High Outstanding Youth Award forms are attached.

As a reminder, the DEADLINE for submitting the Junior and Senior Youth Award forms is MARCH 1st.

The Junior High Youth Award winner shall receive a \$500 cash award.

The Senior High Youth Award winner shall receive a \$1,000.00 Grant, which may be applied toward his/her tuition, registration fees, books, supplies and equipment, dormitory fees, or any other college fees or academic expenses.

I hope that you will promote both of these Awards this year. If you have any additional questions regarding Awards, please do not hesitate to contact me.

Philanthropic

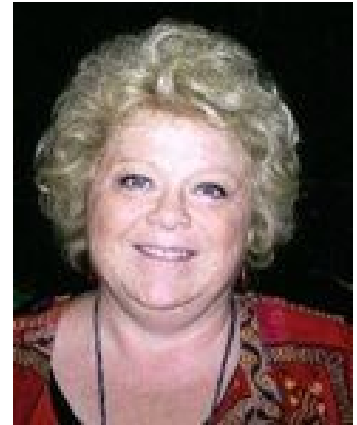

Hope everyone is having a successful year with your philanthropic projects. The updated Philanthropic form is now

available on the ESA website. Remember it is never too early to track your hours, mileage and money. The 2018-2019 Mileage Rate is \$0. 54.5 / mile.

I have received the name and contact information for the state philanthropic chair from a few of you – if you haven't sent it to me, please do so soon.

Thank you,
Chris York, Philanthropic Chair

Chaplain

Please continue to share your prayer request with the IC Chaplain but don't forget to share the happy moments as well—births, special anniversaries, special birthday, and even community awards. We need to celebrate together as well as pray together for those in need.

We are fast approaching the “time of deadlines”. As I get older, time seems to go so much faster. Christmas never seemed to come that fast when I was a kid and I thought that summer would never get here. But, living in the south, I am already seeing daffodils and paperwhites in bloom, the redbud trees are making an appearance and I can see the green glow of new leaves on the trees.

For Educational Directors, you will be judging yearbooks I hope everyone “shares their gifts” with others to see at IC Convention in July.

I look forward to hearing from each of you regarding the educationals in your state. When I go to our state board meetings, I love to hear the themes for the different chapters and the wonderful information that go with them. The educationals will be judged for the Gold Seal Merit Award and the Maie L. Wells Award.

All of the information about these awards are available on the IC website. Please note that the information was revised in August 2017, so don’t use any old forms that may still be floating around.

One will need to login to the ESA website and sign into the member center to access the link to the IC website for information on the educational awards is

State Council and Chapter News

Hello from the slightly soggy state of **Indiana**! Winter has definitely hit us hard this year, payback for the last two mild winters, I guess.

I am at the point of my presidency, where I keep thinking I am forgetting to do something. Has any other Presidents felt that way?

We are in the beginning of our many Radiothons for St. Jude, and several chapters are working hard on our State Projects-Camp Riley and Anna's Celebration of Life.

We are planning our Spring Conference and State Convention-so hard to believe I am more than half way through my year.

Hope to see many of you when we meet in Memphis this July!

was lots to do, yet it was very relaxing. We had great fun playing board and card games for Ways & Means on Saturday afternoon and Bunco Saturday night for the Disaster Fund. Disaster Fund proceeds totaled \$915.00. The P & C's donated an additional \$300.00 to the Disaster Fund. A total of \$265 was raised from

The 2020 IC Convention committee is preparing for great things in Grapevine, Texas. We hope to see many of you there. It's never too early to plan for July 2020!

Julie Walker Leith was busy collecting pairs of socks in Abilene, for the Hope for Heroes program: "Warm Feet for Warriors". Cheryl Deleranko helped deliver the 1,350 pairs of socks to The Soldier's Angels' office in San Antonio. They were ecstatic to receive this very generous ESA gift.

Let's all join in to advertise "*Ride for a Reason*" benefiting St. Jude Children's Research Hospital and the Lifetime Foundation: March 9, 2019, from 8:00 am to Noon. There are 18 cities in Texas participating, second only to Minnesota! What a fun way to donate.

District II (Houston) volunteers and friends helped raise over **\$332,000** at the Sunny 99.1 iHeart Radiothon in December 2018. Those same volunteers plus District IV (San Antonio) helped raise over **\$525,000** in San Antonio, at the KJ97 radiothon, also in busy mid-December. Seeing 4 Past Texas State Presidents work 14 +hour days was very inspirational. Thanks to **Susanne Dullack, Judy Owens, Carolyn Worley, and Royce Walker** for their unwavering dedication. And if THAT wasn't great enough, we have super champions for St. Jude, like **Ellen DeGeneres**. What a super spokesperson in that great T-shirt, helping our wonderful St. Jude kids.

ESA teaches us not only how to be great humanitarians, but to give back in any way, especially to our neighbors who have suffered a great loss. **Tina Gross with Zeta Omicron** (Houston) saw local news of a terrible house fire on New Year's eve. It was one of her neighbors. He was a recent widower with 3 small children and 2 dogs. Tina coordinated immediate efforts to collect everything from diapers to clothes. What an amazing effort, Tina. You make us all so proud, and your neighbor was so extremely grateful!

It is 2019 and January has almost passed us by! I know that my end of year and beginning of year was a whirlwind of cleaning, packing, cleaning, packing, cleaning, cleaning, cleaning, packing, packing, packing. Did I mention I have been constantly cleaning my house so that it is "show ready" at a moments notice since November? Did I mention that I have been packing our lives away box by box by box since September? FINALLY we are under contract though still in the due diligence period till the end of the month. Our final closing won't be until Feb 26th, if all goes well. HOWEVER, we have set a move date of Feb 1st and will be moving to Chapel Hill the first weekend of February. We have secured a lovely Town home to rent while we get our lives and finances in order so we can purchase something more permanent in Chapel Hill.

New Address is: 113 Vintage Drive, Chapel Hill NC 27516

Cell is the same: 607-351-5470

Email: laurengeryan@gmail.com

Of course all of this whirlwind of house activity has left zero room for anything else. ESA has been on the back burner since our December Gathering. Though I have brought in another new member for my new Chapter Chi Delta which is VERY loosely Chapel Hill based. But Leadership is just around the corner and I have managed to relocate ALL of my ESA belongings to my Work Office so that I can access them!

While I have been on an ESA break the rest of our States members have been Busy Bees of Philanthropy! We will be publishing our next newsletter before the end of the month and I cannot wait to see what everyone has been up to over the Holidays.

Come one...come all to Memphis in July! Now I know it is going to be hot but just bring a sweatband for the head, cool clothes (like weather cool!), a portable fan if you have one and you will be just fine! We do have air conditioning in the South!

A great time is being planned and you won't want to miss the 90th year celebration of ESA. There will be lots of surprises tucked in with all the usual business stuff.

Tours will begin on Sunday for the casinos in Tunica; then St. Jude Hospital tours will start on Monday and continue on Tuesday. Sprinkled in will be a Memphis MoJo Tour, Taste of Memphis BBQ, and Graceland Tour. All of this info is now available on the official ESA web site with the necessary registration forms.

Tuesday evening will start us off with a great event...the Foundation Fund Fest. Bring your money and shop "til you drop" while being entertained by the hard working cast and crew of the Foundation.

There will be workshops and fun and games on Wednesday prior to the Welcome Party, a full blown "Birthday Party" for ESA. Workshops will be scattered in and around meetings on Wednesday and Thursday, the PICPA No-host Luncheon will be Thursday and IC Board will once again have a fun Trivia event that evening.

First General Assembly will start early Friday morning with all the pomp and circumstances followed by the rip roaring Recognition Luncheon. The evening will conclude with a heartwarming St. Jude Challenge. Election results will be known before bed time, if there is such a thing at convention!

Saturday morning will open with the Agape' breakfast, then a very moving, heart touching Celebration of Life service prior to the 2nd General Assembly. Regional meetings will take place Saturday afternoon and then it is time to strut your stuff in your favorite Saturday attire as we celebrate the new officers of ESA and our most exciting announcement of the week...ESA's total contributions to St. Jude Children's Research Hospital.

With tears in our eyes and love for each other in our hearts, we will once say goodbye to our "sisters and brothers" of ESA. The prayers in our heart for a safe journey home for everyone on Sunday will give us much satisfaction of a week filled with love, sister and brotherhood and fond memories of Epsilon Sigma Alpha's "Merriment & Memories" Memphis Style.

Hope to see you there...

Your Arkansas Sisters and Brothers

Happy February. Hope this finds everyone well.

CA ESA welcomed a new Chapter to their ESA Family. Epsilon Lambda #5607 was chartered on January 26th. Joining us are Jill Allen, Shelly Delgado, Karen Fuchs and Lesli Jones. We are so lucky to have these 4 young and energetic women as members of ESA-CSC. What a boost they are going to give us.

Let the Fun Begin!

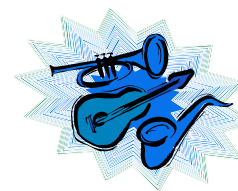

Did you know that 15% of US women send themselves flowers for Valentine's Day?

Take care and hugs to you all...*rickie*
