

Members of ESA Florida State Council travelled to St. Augustine to bring the Florida School for the Deaf and the Blind supplies from their wish list!. After a great tour of the school and meeting several students and dedicated teachers, the group enjoyed a holiday performance starring many of the school's talented performers! Florida is certainly blessed to have such a wonderful facility and ESA Florida State Council is proud to have the school as our state philanthropic project.

Pictured left to right below are ESA members Sally Bowler, Lois Leighton, Martha ("Sam") Wright, Barbara Floyd, Christine Bishop, Sarah Bybee, Joy Lehnert, Sylvia Watler, Allan Ciriale, Barbara Kalm, Terry Moherek, Ida Schultz (kneeling) and Sue Ciriale (kneeling). Not shown Liz Hahn and Jan Hall.

Thank you and have a Merry Christmas!
