Introduction

THE GUARDIANS OF REMEMBRANCE

- 101.** We, as members of The Royal Canadian Legion, strive to keep the memory alive of the 117,000 Canadian men and women who paid the supreme sacrifice in the service of Canada during war and on subsequent operations since Korea. This goal is achieved through our annual Poppy Campaign and the Remembrance Day services organized by this great organization throughout the country and by our fellow citizens who are working far from our shores.

THE POPPY CAMPAIGN

- 102.** The Poppy Campaign is the foundation of our Remembrance Program. We provide Canadians with the opportunity to Remember by providing them with a Poppy and to participate at Remembrance Day services. Our Remembrance activities however, go far beyond the two weeks leading up to 11 November each year. Canadians are generous when they see our Poppy volunteers on the street and the collection trays in the stores.

As a result of this generosity, we are able to ensure that Veterans and their families are cared for and treated with the respect that they deserve. The willingness to participate in the Poppy Campaign is one of the obligations we undertake when we become members of The Royal Canadian Legion. All of us must strive to never forget this solemn undertaking — it is part of the debt that we owe to those who have gone before.

It is through the Poppy Campaign and the generosity of our fellow citizens that, in addition to providing assistance to Veterans and their families, we foster the Tradition of Remembrance amongst our youth, the leaders of tomorrow.

The Poppy Campaign commences on the last Friday of October and concludes on November 11.

- 103.** Consider the importance of the Poppy Campaign to our nation. The Legion and its members are the Guardians of Remembrance, and the lines from John McCrae's poem — "... if ye break faith with us who die we shall not sleep, though poppies grow in Flanders Fields." — are as true today as when they were first written.

THE POPPY MANUAL

- 104.** For an undertaking as important as the Poppy Campaign, the tools and procedures contained in this manual are necessary to ensure a productive and effective campaign. Article XI of the General By-Laws provides the direction necessary to operate the Poppy Campaign and to use Poppy Trust Funds. This manual provides the amplification to ensure that all are aware of what is to be done and how it is to be done. In short, the Poppy Manual has two goals:
- a.** to provide guidance and information to address planning, organizing, implementing, conducting and concluding the Poppy Campaign; and
 - b.** to describe the authorized uses of Poppy Trust Funds and the prohibitions on any other uses of these funds.
- 105.** The Poppy Manual also provides guidance on a number of other subjects, which are:
- a.** responsibilities of the persons who fill the various chairs;
 - b.** the Branch Campaign;
 - c.** the Do's and Don'ts of Poppy Trust Funds;
 - d.** the Control of Poppy Trust Funds;
 - e.** historical information on the Poppy as a Symbol of Remembrance; and
 - f.** guidelines governing the use of this Legion trademark.

Responsibilities

GENERAL

- 201.** In order for the Poppy Campaign to be successful, all Legion members at each level of the organization must cooperate and communicate with each other to the fullest. There is a saying — “a chain is only as strong as its weakest link” — and this holds just as true for the Poppy Campaign as anything else. In short, it is through the cooperative effort of each member that we achieve success.
- 202.** As with any endeavour, the more we know about our roles and responsibilities, the easier it is to understand where we fit into the big picture. This chapter is devoted to providing this information.

DOMINION COMMAND

- 203.** At Dominion Command, responsibility for all Poppy and Remembrance matters and activities is vested in the Poppy and Remembrance Committee.
- 204.** The specific responsibilities of this Committee are as follows:
- a. formulating policy recommendations for consideration by the Dominion Executive Council and Dominion Convention (as appropriate) that address activities that foster the Tradition of Remembrance, the Poppy Campaign, uses of Poppy Trust Funds and the Poppy symbol trademark;
 - b. researching, creating, publishing and distributing Poppy and Remembrance promotional material for use during the annual campaign;
 - c. researching, creating, publishing and distributing Poppy and Remembrance material suitable for use by the media during the annual campaign;
 - d. researching, creating, publishing and distributing educational Poppy and Remembrance material to be used in schools;
 - e. researching, creating, publishing and distributing Poppy and Remembrance material on the Internet directed at schools, but available to any person; and
 - f. considering applications for Poppy Trust Funds and the Poppy symbol trademark.

PROVINCIAL COMMANDS

- 205.** Each Provincial Command is responsible for planning, organizing, implementing and reporting all Poppy and Remembrance activities within the jurisdiction of the Command.
- 206.** The following is a list of the major tasks that must be undertaken, but the manner in which they are organized at each Provincial Command may vary:
- a.** organizing and conducting Poppy Campaign workshops within the Command each year. The workshops are vital to the smooth operation of the annual campaign as it is here where all aspects of the Poppy program are discussed. Also, those attending the workshops have the benefit of learning from the experience of others;
 - b.** ensuring that Legion policy addressing Poppy and Remembrance matters is passed down the chain of command;
 - c.** bringing forward ideas and suggestions to Dominion Command to increase the efficiency of Legion Poppy and Remembrance activities;
 - d.** ensuring that the groups within their area of responsibility have the appropriate tools to conduct effective campaigns;
 - e.** ensuring that those members supervising the distribution of Poppy Trust Funds are fully aware of their responsibilities; and
 - f.** ensuring that Poppy Trust Fund returns are completed in accordance with the instructions provided in Chapter 6 of this manual and submitted on time.

Poppy Trust Funds
are to be maintained
in separate bank
accounts from
general funds.

DISTRICTS AND ZONES

- 207.** The Commanders at the District and Zone level also have a very significant role to play in the preparation and implementation phases of the Poppy Campaign. The responsibilities of these persons are as follows:
- a.** assisting in the training of branch Poppy Committee Chairmen;
 - b.** ensuring that each branch has an efficient committee and campaign organization;
 - c.** ensuring that branch campaigns receive an appropriate level of exposure in the local media;
 - d.** ensuring that Poppy Trust Fund accounts are maintained in separate bank accounts from general funds at branches; and
 - e.** ensuring that branch Poppy Trust Fund Committees provide Provincial Commands with timely annual financial statements that show income from the Poppy

Campaign, expenditures for promotional aids, Poppy material, campaign operating expenses and disbursements as required by Section 1206 of the General By-Laws.

NOTE: This Section does not provide District and Zones the Authority to collect or maintain a Poppy Trust Fund account.

BRANCHES

208. It is the responsibility of each Branch President to ensure that the following action is taken concerning the Poppy Campaign:

- a. appointing a Chairman of the Poppy and Remembrance Committee early and following up to ensure that a strong committee is in place;
- b. verifying that the persons participating in the campaign receive instructions as to their roles and responsibilities;
- c. ensuring that the Poppy Campaign is “the branch activity” of the year by motivating the executive committee and members to become involved;
- d. if required, obtaining local authority to canvass;
- e. ensuring that the Poppy and Remembrance material used has been manufactured by the authorized Dominion Command supplier and that it has been obtained through Provincial Command;
- f. ensuring that Poppy Trust Funds are accounted for in accordance with Sections 1102 — 1104 and Section 1206 of the General By-Laws;
- g. ensuring that Poppy Trust Fund accounts are audited annually;
- h. **ensuring that the Branch Status Report: Poppy Trust Funds is completed by 31 October and submitted to the appropriate Provincial Command.** A copy of this form is shown on page 36 of this manual and instructions for its completion are contained in Chapter 6; and
- i. ensuring that the general public is informed, through the local media, of the results of the campaign including the contributions received and the disposition of funds. (See Section 606)
- j. Branches can provide Poppy Trust Funds to District and Zones for prizes under the Poster and Literary Contests within the District and Zones.

Branch Status Report — Poppy Trust Funds must be submitted to the appropriate Provincial Command by 31 October.

INTERNATIONAL ZONES AND BRANCHES

209. All aspects of the Poppy Program within the International Zones and Branches will be contained within the bylaws of the international zone or branch in accordance with the General By-Laws, and as approved by Dominion Command.

PROMOTIONAL AND REPORTING MATERIAL

210. In addition to this Manual there are other materials that are invaluable to the Poppy Campaign as follows:
- a. **Poppy Promotional Material Order Form: Stock Number 200802** — This form is used to order all of the promotional material required to mount a successful campaign. When completed, it is forwarded to your Provincial Command office which will fill your order;
 - b. **Promotional Material Catalogue: Stock Number 200807** — This catalogue contains pictures and descriptions of the promotional material listed on the form mentioned just above;
 - c. **Wreath Catalogue: Stock Number 200817** — This catalogue is one piece of paper which displays Poppies, Wreaths and Crosses and is listed on the order form above;
 - d. **Wreath and Poppy Order Form: Stock Number 200804** — This is the form that is used to order your Wreath and Poppy supplies for the campaign. When completed, it is forwarded to your Provincial Command office which will ensure that your order is filled; and
 - e. **Branch Status Report: Poppy Trust Fund — Stock Number 200837** — This form is used to report the income, expenses and disbursements of Poppy Trust Funds. **The report must be completed by 31 October** annually and forwarded to your Provincial Command office. Instructions for completing the form can be found in Chapter 6 of this manual.
211. As stated in Subsection 208.e., of this manual all Poppy Promotional & Reporting Material listed above including all Poppies and Wreath supplies **must** be ordered through Provincial Command. After the Poppy Campaign, all residual supplies of Poppies and Wreaths in your branch are to be retained for future campaigns.

SUMMARY

212. In summary, this chapter outlines the responsibilities for Poppy and Remembrance matters at the Dominion Command, Provincial Command, District, Zone and Branch levels of The Royal Canadian Legion. Each has a role and our success is dependent upon each person in this chain performing their responsibilities to the best of their ability.

The Branch Campaign

GENERAL

- 301.** The annual Poppy Campaign is not an administrative chore to be handled by a few branch officers or the secretary. The campaign is the most important branch project of the year and it must be conducted by a committee dedicated to this purpose. The size of the committee will vary depending upon the size of the branch and the population of the community. For example, in large metropolitan centres, experience has shown that a joint Poppy and Remembrance Committee comprised of representatives from all branches in the area has proven advantageous. As stated, local conditions will dictate the size of the committee, but it is imperative that the size of the committee meets the needs of the branch to ensure a full and effective campaign.
- 302.** The campaign is also an opportunity to involve other Veterans organizations, youth groups sponsored by the branch, and other community service organizations who wish to assist in fostering the Tradition of Remembrance. It must be remembered that The Royal Canadian Legion is responsible for the campaign and care must be taken to ensure that control of the campaign and of Poppy Trust Funds is maintained and remains fully in the Legion's care.

The Poppy Campaign is conducted under the authority of Article XI of the General By-Laws and all who assist must be aware of this fact. Under no circumstance is another Veterans organization or any other group authorized to account for, hold or distribute Poppy Trust Funds. Nevertheless, it is essential after the campaign to publicly acknowledge the support of other Veterans organizations or other groups (e.g. the local cadet unit) that have assisted in the Poppy Campaign.

OPENING THE CAMPAIGN

- 303.** The commencement of the campaign is governed by two factors.
- a. Ceremonial Opening**
- i. The ceremonial presentation of first Poppies to the Governor General and Lieutenant Governors will take place at ceremonial functions as arranged by Commands at the most appropriate time. It is to the advantage of the Legion to have ceremonial openings as it is an opportunity to receive positive publicity.

Every effort is made to arrange these ceremonies as close to the official opening date as possible, but flexibility must be maintained. **These ceremonial presentations are not to be considered as a start of the annual Poppy Campaign;**

- ii. the ceremonial presentation of the National First Poppy to the Governor General by the Dominion President will be coordinated by Dominion Command for an appropriate date prior to the actual campaign start date. When possible, the date for the ceremonial presentation of the National First Poppy will be advised by 1 September to all Provincial Commands;
 - iii. presentation of Provincial First Poppies by Provincial Commands to Lieutenant Governors and any other First Poppy presentations by branches shall be actioned at a convenient date **subsequent** to the presentation of the National First Poppy to the Governor General.
- b. **Official Opening:** Subsection 1101.c., of the General By-Laws, states that the distribution of Poppies to the general public **commences no earlier than the last Friday in October and concludes on 11 November.**

Poppy Campaign begins the last Friday in October and concludes on 11 November.

THE BRANCH POPPY COMMITTEE

CHAIRMAN

304. The key to a successful campaign rests with the Poppy Committee Chairman, who is appointed by the Branch President. The Chairman must be capable of exercising leadership, have the ability to build consensus and, in general, be a person who has the trust and respect of the committee members. The Chairman is also responsible to ensure that the people participating in the campaign receive instructions as to their roles and responsibilities. The position of Chairman can be challenging, but it is a position that every member should aspire to, as it is during the Remembrance period that we renew our pledge to ‘not break faith’.

VICE-CHAIRMAN

305. The need to appoint a Vice-Chairman cannot be over-emphasized. This person assists the Chairman in any way possible and provides continuity in the event that the Chairman cannot carry on.

SUB-COMMITTEES

- 306.** A list of sub-committees needed to ensure a successful campaign has been compiled. Local conditions will dictate the degree to which a formal organization is required however, it must be remembered that the following responsibilities must be addressed, be it by a sub-committee or by an individual:
- a.** Publicity and Promotion;
 - b.** School Distribution;
 - c.** Event speakers Coordinator;
 - d.** Material and Supplies;
 - e.** Advance Sales, (wreaths and crosses);
 - f.** Telephone and Communication;
 - g.** Area Planner and Dispatcher;
 - h.** Door-to-Door Office and Factory Canvassing;
 - i.** Mail Campaign;
 - j.** Poppy Trust Fund Treasurer; and
 - k.** Poppy Sticker program coordinator.

PUBLICITY AND PROMOTION CHAIRMAN

- 307.** The chairman responsible for the Publicity and Promotion Sub-Committee must be familiar with all of the promotional material that is available to assist with the campaign. The material is listed in the Promotional Material Catalogue, described in Chapter 2, and it can be ordered through the Provincial Command which orders all Poppy Promotional Material from Dominion Command supply department. This action should be taken well in advance of the campaign, early to mid summer is best. In addition to knowing what is available to assist with publicity, the member is also responsible for:

- a.** ensuring that branch members understand the theme of the campaign and have sufficient detail to discuss it with others. In order to ensure that everybody is aware of the plan, a briefing is required well in advance of the campaign;
- b.** being familiar with video tapes that have a Remembrance theme, which are shown in the Promotional Material Catalogue and included on the Poppy Promotional Material Order Form; and
- c.** implementing Remembrance activities for local schools. These activities must be planned well in advance and cooperation, advice and assistance must be sought from teachers, administrators and school boards. The following is a list of the major activities involved with the school program:

- i. provide schools with the names of and a means to locate speakers who have been identified by the Event Speakers Coordinator as willing to speak to students on the subject of Remembrance;
- ii. create and distribute a Remembrance Program for use at school assemblies; and
- iii. provide advice and assistance as requested.

SCHOOL DISTRIBUTION

308. The Chairman of the School Distribution Sub-Committee has a very important task. The distribution of Poppies to our youth at school is one of our most important responsibilities. For many students, this is their first real exposure to the Tradition of Remembrance and if it is done in a positive manner, it will have a lasting impact. Distribution of Poppies must be done in a systematic manner to ensure that no one is overlooked. It should also be remembered that this activity is separate and set apart from the Poster and Literacy Contests which occur earlier in the fall.

EVENT SPEAKERS COORDINATOR

309. The duties of the Event Speakers Coordinator Sub-Committee is to locate and enlist individuals who are willing and able to speak to students on the subject of Remembrance. It is necessary to identify a number of speakers and the number required will be determined by local conditions. It is vital that these persons have a good understanding of the importance of fostering the Tradition of Remembrance in the schools and be willing to make themselves available on short notice. Once these speakers have been identified, it is important to pass their names along to the Publicity and Promotion Sub-Committee.

MATERIAL AND SUPPLIES

310. The Materials and Supplies Sub-Committee is responsible for:

- a. assessing the amount of Poppy and Remembrance material needed for the campaign;
- b. obtaining the necessary forms through the Legion Supply system;
- c. ordering a sufficient quantity of promotional material from the applicable Provincial Command. The material is shown in the Promotional Material Catalogue;
- d. ordering Poppies and Wreaths in a timely manner no later than mid summer; and
- e. ensuring that the Poppy material on hand, such as trays and info cards, are in good repair and of adequate quantities.

ADVANCE SALES

- 311.** The tasks for the Advance Sales Sub-Committee begin in early fall and should be completed by the first week in November. This sub-committee operates on the principle that the more wreaths and crosses on display in the community, the greater the level of public consciousness and the greater the support for the campaign. The principal responsibilities of the sub-committee are as follows:
- a.** canvass all commercial outlets in the branch area and offer the opportunity to obtain wreaths and crosses and other Poppy Promotional items to display in the business establishment during the Remembrance period. It is advisable that the canvassers be in possession of catalogues, which are described in Chapter 2, to show the type of Remembrance material that is available. While branches are authorized to sell wreaths and crosses and distribute Poppies to these businesses throughout the Fall, it is imperative that no Remembrance material be placed on display in any establishment until the official start of the campaign;
 - b.** arrange for wreaths and crosses to be placed at the Cenotaph by a Legion member if the purchaser desires; and
 - c.** in a timely manner after the Remembrance Day service, ensure that the wreaths and crosses are removed from the Cenotaph.

It is not mandatory that wreaths and crosses collected from the Cenotaph be destroyed. They may be used in another manner to promote Remembrance, such as for display at community cemeteries or placement at veterans' gravesites. Used wreaths and crosses **SHOULD NOT be re-sold.**

TELEPHONE AND COMMUNICATION

- 312.** The principal activity of the Telephone and Communication Sub-Committee is to recruit canvassers — “the people who poppy”. It is this group that has the greatest influence on the success or failure of the campaign. The Poppy Committee Chairman must devote a great deal of effort to determine the manner in which this group will be structured. The method of the Sub-Committee’s operation will vary from branch to branch and the following points should prove useful:
- a.** place a notice on the branch bulletin board immediately after Labour Day to inform the members of the approach of the Poppy Campaign, remind the members that they have a duty to help, explain the essential role the canvassers have to play and request volunteers;
 - b.** publish the notice in the September and October branch newsletters and include a method for members to reply;
 - c.** consider sending a letter to each member of the branch requesting that they advise the time and date they wish to “poppy” and follow up with a telephone call to confirm participation;
 - d.** one week before the campaign confirm the availability and scheduling of the volunteers;

- e. pass a list of the volunteers to the Poppy Campaign Dispatcher; and
- f. last and most important — Be sure to remind your volunteers to be on time. Other volunteers may have plans. Be considerate.

AREA PLANNER AND DISPATCHER

- 313.** The ideal member for this position is a person who has an intimate knowledge of the local area. The responsibilities are:
- a. ensuring that transportation is available for the canvassers and that those canvassing are picked up when their shift is finished;
 - b. scheduling canvassers so that high pedestrian traffic areas are manned on a continuous basis;
 - c. knowing how many canvassers are required at a specific location at any one time;
 - d. ensuring that an appropriate level of supervision is provided for any youth who are canvassing; and
 - e. responding to the needs of the canvassers.

DOOR-TO-DOOR, OFFICE AND FACTORY CANVASSING

- 314.** Some branches have found that these types of canvassing can be very successful and the same guidelines outlined for the Area Planner and Dispatcher apply.

MAIL CAMPAIGN

- 315.** Solicitation of funds through a mail campaign can be used in areas where other methods of distributing poppies is impractical. To conduct a Mail Campaign the Sub-Committee Chairman should be aware that the best results can be achieved by including an addressed return envelope with the Poppy and request for donation. Branch members should also be included in the mailing. It is useful to compile a list of prospective contacts asking for contributions. The list should include business establishments as well as influential groups and people and consideration of an email campaign as well.

POPPY TRUST FUND TREASURER

- 316.** The Poppy Trust Fund Treasurer Sub-Committee requires a separate room with an adequate level of security in which to carry out its tasks.
- 317.** The members must be aware of the following administrative requirements:
- a. each collection box given to a canvasser must be marked, sealed and registered before it is used;

- b. upon return of a collection box, the location of the canvassers and time and date of return are to be recorded and the donations counted as quickly as possible;
 - c. statistics need to be kept of the location where canvassers have been placed and, if possible, an hourly count of funds donated. This action provides the opportunity to assess the success of the campaign in the different areas of the community. For example, there may be a requirement for additional canvassers or if a canvassing location is very busy or if sparse, fewer canvassers will be required. Also, the information will be of great help when preparing for the next Poppy Campaign;
- d. funds are to be deposited as quickly as possible into a Poppy Trust Fund Bank Account which is **separate** from other branch accounts; and
- e. Poppy Trust Funds obtained during the Campaign must remain under the control of the Legion. Other Veterans groups or organizations may be permitted to take part in the Poppy Campaign but not in the distributing of Poppy Trust Funds.

POPPY STICKER PROGRAM COORDINATOR

318. In 2006 the Dominion Poppy and Remembrance Committee developed a poppy sticker in response to the many requests received which asked for an alternative to the traditional pin poppy. The committee was also concerned that our Veterans who reside in various facilities were denied the opportunity to participate in the annual Remembrance period by not being able to wear a poppy.

During the same period the food industry also expressed concerns regarding the use of traditional pin poppies in the various kitchens, restaurants, cafes and diners across Canada. Since then many who work in the food industry have used the poppy sticker as a means to participate in remembering Canada's lost war heroes.

Following the successful introduction of the poppy sticker the same committee began to develop a program designed to promote the distribution of poppy stickers to our Veterans who are housed in various facilities across Canada. In 2006 the first "Poppy Sticker Day" was held in selected locations across Canada. The continued success of these branches in distributing Poppy Stickers to our shut-ins is the inspiration behind seeing this program expand across Canada.

The following year the program was expanded to include primary schools. A brochure was created, which outlines the

program, how it is to be conducted and helpful hints that will ensure success. The brochure can be found at legion.ca.

THE CAMPAIGN CHECKLIST— “PUTTING IT ALL TOGETHER”

- 319.** The following checklist is intended to be used as a quick reference. For additional information, the previous Section outlining the duties and responsibilities of the applicable Sub-Committee Chairman needs to be consulted.
- a.** form a committee that knows the area and is willing to work hard;
 - b.** the complete committee should attend the available Poppy and Remembrance seminar;
 - c.** contact all branch members to seek their assistance;
 - d.** should the branch have a full time secretary/manager, the committee must work closely with this person to ensure that all necessary supplies are ordered in a timely manner;
 - e.** recruit Area Captains, including members of the Ladies Auxiliary, at the September branch meeting, stressing the importance of creating a canvassing team — early recruiting of teams boosts success;
 - f.** arrange for the Captains to be in charge of street distribution;
 - g.** ensure that there is sufficient material for teachers and speakers and that Poppies are available for all schools in the branch area. It is not unreasonable to expect education administrators to assist in defining the requirement;
 - h.** make personal contact with businesses (corner stores, service stations, restaurants, financial institutions, retailers, etc) to obtain permission to place poppy trays (silent solicitors) in their establishments;
 - i.** contact churches to determine if they wish to purchase a Cross or Wreath and be prepared to supply background material for inclusion in sermons, etc.;
 - j.** consider a Poppy Sticker Day by visiting shut-ins on either the first or second Sunday of the Remembrance Period;
 - k.** ensure no other branch activities, such as meetings, other canvasses or special entertainment, interferes with the Poppy Campaign;

- I.** use the Branch Publicity Sub-Committee Chairman to the best advantage by keeping that person fully informed of all campaign activities and use the material provided to its full advantage;
- m.** review past lists of donors, contact them and encourage them to provide another donation;
- n.** have at least one member of the Poppy Committee on duty in the branch at all times during the Poppy Campaign;
- o.** the week prior to the Poppy Campaign, confirm with the Captains that their teams are ready. Suggest to new Captains that it is desirable that they visit their area of responsibility to become familiar with the geography, if not already done;
- p.** confirm the availability of the other volunteers and youth groups that will assist during the campaign;
- q.** collect and number the coin boxes;
- r.** deliver Poppy trays to all of the locations that have agreed to accept them;
- s.** implement a procedure to ensure that supplies do not run short. Do not allow large amounts of money to accumulate and change the boxes frequently to reduce the amount of money left unattended;
- t.** it is desirable to complete the door-to-door canvassing in one day, in the event it must be done over two or three days, ensure that sufficient canvassers are available;
- u.** have plastic bags available to cover canvassing trays in the event of inclement weather;
- v.** at the conclusion of the campaign, ensure that the pick up of leftover material is managed in as professional a manner as the campaign itself;
- w.** when the campaign is over, use the media to acknowledge those groups which assisted in the campaign and to thank the community publicly; and
- x.** Pray for fine weather!

POPPY MATERIAL RENTAL COSTS

- 320.** In reference to Subsection 1104.b. of the General By-Laws, Branches and Commands may charge “pre-determined storage costs” of Poppies and wreaths, promotional aids and canvassing supplies to the Poppy Fund. However such costs will be determined by Dominion Command.
- a.** for Commands:
 - i.** Interior space in the Command building—A maximum of 200 sq. ft. may be compensated at \$7 per sq. ft./year for a full 12 months (\$1400 a year maximum); and
 - ii.** Exterior warehouse space—A maximum of 200 sq. ft. at \$3.50 per sq.ft/year for a full 12 Months (\$700 a year maximum).
 - b.** for Branches: (prior command approval is required)
 - i.** Interior space within the Branch—A maximum of 3 months (1 Sept. to 30 Nov.) compensation at \$7 per sq.ft./year for 200 sq. ft. (a total of \$350 a year); and
 - ii.** Exterior warehouse space—A maximum of 3 months for 200 sq. ft. at \$3.50 per sq. ft./year (a total maximum of \$175 per year).
 - c.** The manner of administering requests from branches to charge pre-determined storage costs to the Poppy Fund is left to the discretion of the Provincial Commands.

AFTER THE CAMPAIGN

- 321.** It is not mandatory that wreaths and crosses collected from the Cenotaph be destroyed. They may be used in another manner to promote Remembrance, such as for display at community cemeteries or placement at Veterans’ gravesites.
The resale of used wreaths and crosses should be strongly discouraged.

The Do's Of Poppy Trust Funds

ELIGIBILITY

401. Poppy Funds are made available through the generosity of the Canadian public and are part of the public trust between Canadians and the Legion. To safeguard this bond, Poppy Trust Funds must be held in trust at each Branch and Command level of the Legion. They may not be used as, or in place of, general or any other Branch funds.

Credibility and public support are enhanced when funds are used in the correct and proper manner. The improper use of these bylaws and guidelines may cause the offending branch or command the penalty of repaying amounts not properly approved, from Poppy Funds, to be repaid from general funds.

'Families' is defined as current spouse and dependant children including widows / widowers

The basic purpose and obligations of the Poppy Trust Fund are to assist a Veteran as defined in Subsection 101.d of the General By-Laws and their families.

Poppy Trust Funds may also be donated to a centralized Command Poppy Trust Fund.

Donations may be given to Veterans of Commonwealth countries as defined in Subsection 101.d of the General By-Laws who reside outside Canada and are in need of assistance. These funds will be paid to the Royal Commonwealth Ex-Services League (RCEL) through Dominion Command.

NOTE: Affiliate members are NOT eligible for poppy fund uses.

APPROVED USE OF POPPY TRUST FUNDS

402. The following are approved uses of Poppy Trust Funds. Prior permission may be required in some cases, when unsure you should contact your Provincial Command for guidance.

i. Campaign

- a. the purchase of Poppies, wreaths, canvassing supplies and promotional material for the annual Poppy Campaign.

SPECIAL USE EXPENDITURES

- 403.** This Section provides guidelines for the use of Poppy Trust Funds considered ‘special’ in nature. Branches must submit an application for use of funds in this Section to their Provincial Command Offices, on the approved form, prior to the funds being used. Making the same expenditure to the same recipient in subsequent years will require a new submission. Also refer to Section 603 of this manual.

In accordance with Subsection 130.b. of The General By-Laws, the financial year for Poppy Funds shall commence on the first day of October in each year and terminate on the thirtieth day (30th) of September the following year. References to “annual” or “yearly” basis refer to this time frame.

Control Of Poppy Trust Funds

POPPY TRUST FUND COMMITTEE

601.

- a.** Each branch shall establish a Poppy Trust Fund Committee. Although this Committee has responsibility for accounting, disbursing and reporting the status of the Poppy Trust Fund, it is responsible to the members of the branch. Poppy Trust Funds are public funds which are held in trust and the branch is responsible for this function; and
- b.** Poppy Trust Funds may be distributed only as authorized by Article XI of the General By-Laws and this manual. All decisions related to the control and distribution of Poppy Trust Funds must remain within the jurisdiction of The Royal Canadian Legion through designated Legion members only.

GRANTS AND BURSARIES

602. The Committee shall report expenditures and disbursements at General Meetings of the branch as follows:

- a.** the total amount of funds provided to individuals and the number of individuals shall be reported however, the names of specific recipients are not to be reported without the written consent of the recipients, and/or their parents and/or guardians, as applicable;

SPECIAL USE EXPENDITURES

603.

- a.** When it is proposed that funds be utilized for “special uses”, as allowed for in Section 403 of this manual, the Branch Poppy Trust Fund Committee is to seek approval for the proposed expenditure at a general meeting of the branch. The date of the general meeting and the motion recommending the expenditure are to be included in the request for approval forwarded to the applicable Provincial Command. A sample application form is included in this manual.

- b.** In some cases branches hold fewer than four meetings per year. In such cases the Branch Executive Meeting may approve the application for “Special Uses” however, the application will clearly state that it was approved by the Branch Executive Meeting.

The General Membership will be notified of this expenditure at the next General Meeting following receipt of Command approval. Branches who misuse this Section will be required to repay any funds found to be granted in error, from the branch general funds. Branch officers who abuse this Section are subject to penalty under Article III of the General By-Laws. A copy of the Executive Meeting minutes shall be included with the request to your Provincial Command.

BRANCH SERVICE OFFICER

- 604.** It is imperative that the Branch Service Officer be included as a member of the Poppy Trust Fund Committee as he/she can provide valuable guidance as to the manner in which Poppy Trust Funds may be utilized. The assistance of this person can help guide the Poppy Committee in the proper use of the Branch Poppy Trust Fund.

PROHIBITED EXPENDITURES

- 605. It is prohibited to commit to Poppy Trust Fund expenditures in advance of any Poppy Campaign.**

Poppy Funds received from the public must be held in trust and disbursed according to Legion policy.

PUBLIC NOTICE

- 606.** Prior to commencing the annual Poppy Campaign, branches shall provide the public with a financial statement through local media either by paid advertising or through a public service announcement or on their locally advertised website. Branches can also co-share such requirements with other branches within their district or zone to minimize expenses.

POPPY TRUST FUNDS AND THE PUBLIC

- 607.** As has been stressed throughout this manual, funds collected during the annual Poppy Campaign do not belong to the Legion, but the Legion is responsible for these funds. The funds have been contributed by the Canadian public to honour the memory of those who paid the supreme sacrifice as a means to assist with the Tradition of Remembrance and to permit the Legion to assist persons and activities that have been defined as being eligible to receive these funds. The funds are Public Funds and the Legion, at all levels, is charged with the trust of overseeing disbursements in an appropriate and transparent manner.

Poppy Funds received from the public, must be held in trust and disbursed according to General By-Laws of the Legion and policy in this manual.

608. A Command, branch or group of branches may hold Poppy Trust Funds for a short term in government or corporate bonds or other readily transferable securities authorized by the appropriate legislative body for the investment of trust funds. ‘Short term’ is defined as less than two (2) years.

RECORD KEEPING

609. Generally, the public does not understand what Poppy Trust Funds are used for and the following must be borne in mind by all persons involved in the administration and reporting of Poppy Trust Funds.

- a. as Poppy Trust Funds are public funds, the public has a right to know what they are used for;
- b. Legionnaires, in addition to being members of the branch, are also members of the public and they have as much right to know what Poppy Trust Funds are used for as any citizen;
- c. the fund must be kept in a separate trust account;
- d. the public must be informed, at least annually, of the results of the campaign and the disbursements emanating from the previous year’s campaign (see Section 606 of this manual);
- e. it is the responsibility of the Poppy and Remembrance Chairman to correct any misinformation circulated concerning Poppy Trust Funds; and
- f. at the conclusion of the campaign, comprehensive reports must be prepared that detail the monetary success of the campaign, what was done, by which group and where improvements can be made. The purpose of these reports is two-fold — they provide a permanent record of the activity that can be reviewed and they are invaluable to the group that will take on next year’s campaign.

BRANCH FINANCIAL REPORTS, POPPY TRUST FUND

610. Submitting financial returns on Poppy and Remembrance activity is of the utmost importance in that the information is required for the following reasons:

- a. it is through the analysis of the returns that the success of the campaign can be measured;
- b. they highlight strengths and weaknesses and assist Provincial Command Poppy Committees and Dominion Command to plan campaigns;

- c. in some provinces, Public Contribution Acts make it mandatory to submit a return; and
 - d. the returns serve to maintain and enhance our credibility; the submission of complete and accurate Poppy reports make it possible for Dominion and Provincial Commands to provide accurate information to the public.
- 611.** Subsection 1206.c. of the General By-Laws states that report submission is mandatory.

[each command shall] “establish rules to ensure that Poppy fund campaign returns are made to it with reasonable promptness by Branches and groups of branches in that Command;”

PROVINCIAL COMMANDS, FINANCIAL REPORTS

- 612.** Provincial Commands are required to submit the following returns:

Guidelines Governing The Use Of The Poppy Trademark

PURPOSE

- 701.** The Poppy symbol is a registered trademark of Dominion Command of The Royal Canadian Legion and is owned and controlled by Dominion Command. It cannot be used in any manner or configuration without the specific permission of Dominion Command.
- 702.** Without an effective and visible policy of trademark control, the Legion runs the risk of losing its trademark. It is for this reason that this guideline on using the Poppy trademark has been prepared. It will provide Provincial Commands and branches with the necessary background information and examples of where the Poppy image may and may not be used. It will also serve to offer direction on the established approval process.

POPPY AND REMEMBRANCE COMMITTEE

- 703.** The Dominion Command Poppy and Remembrance Committee is responsible for all matters related to the use of the Poppy symbol, the Poppy Fund and the Poppy Campaign. This Committee acts as the approving authority for all requests to use the Poppy image. The following Sections will provide examples of such usage and will outline the process for consideration and notification of approval requests.

The Poppy Symbol
is a registered
trademark of
Dominion Command
of The Royal
Canadian Legion.

HISTORY OF THE POPPY

SYMBOL OF REMEMBRANCE

- 704.** Each November, Poppies blossom on the lapels and collars of almost half of Canada's entire population. Since 1921, the Poppy has stood as a symbol of Remembrance, our visual pledge to never forget all those Canadians who have fallen in war and military operations. The Poppy also stands internationally as a "symbol of collective reminiscence", as other countries have also adopted its image to honour those who paid the ultimate sacrifice.
- 705.** The significance of the Poppy can be traced to international origins.
- a. The association of the Poppy to those who had been killed in war has existed since the Napoleonic Wars in the 19th

- century, over 110 years before being adopted in Canada. Records exist from that time of how thickly Poppies grew over the graves of soldiers in the area of Flanders. This early connection between the Poppy and battlefield deaths described how fields that were barren before the battles exploded with the blood-red flowers after the fighting ended.
- b.** Prior to the First World War, few Poppies grew in Flanders. During the tremendous bombardments of that war, the chalk soils became rich in lime from rubble, allowing “*popaver rhoeas*” to thrive. When the war ended, the lime was quickly absorbed and the Poppy began to disappear again.
 - c.** The person who was responsible more than any other for the adoption of the Poppy in Canada and the Commonwealth was Lieutenant-Colonel John McCrae of Guelph, Ontario, a Canadian Medical Officer during the First World War. Having penned the poem “IN FLANDERS FIELDS” on a scrap of paper, little did he know then that these 13 lines would become enshrined in the innermost thoughts and hearts of all soldiers who would hear them. Through his words, the red Poppy quickly became the symbol for soldiers who died in battle;
 - d.** His poem speaks of Flanders Fields, but the subject is universal — the fear of the dead that they will be forgotten, that their death will have been in vain. Remembrance, as symbolized by the Poppy, is our eternal answer which belies that fear.
 - e.** Three years later, an American, Moina Michael, was working in a New York City YMCA canteen when she started wearing a Poppy in memory of the millions who died on the battlefield. During a 1920 visit to the United States, a French woman, Madame Guerin, learned of the custom. On her return to France, she decided to use handmade Poppies to raise money for the destitute children in war-torn areas of the country. Following the example of Madame Guerin, the Great War Veterans’ Association in Canada (the predecessor of The Royal Canadian Legion) officially adopted the Poppy as its Flower of Remembrance on 5 July 1921.
 - f.** Thanks to the millions of Canadians who wear the Legion’s lapel Poppy each November, the little red flower has never died. The memories of Canadians for the 117,000 of their countrymen who died in battle remain strong.

SYMBOL OF UNITY

- 706.** At 0530 hours on the morning of 9 April 1917, the Battle of Vimy Ridge began, marking an important milestone in our military history. For the next few days, Canadian troops fought relentlessly, braving enemy forces, a heavily-fortified ridge and the weather. This battle was significant; not only was it a resounding success for Canada but, in the words of Brigadier-General A.E. Ross, it marked the “birth of a nation”. No longer would Canada be overshadowed by the military strength of her allies. This battle had proven Canada’s ability as a formidable force in the theatre of war.
- 707.** The bravery, discipline and sacrifice that Canadian troops displayed during those few days are now legendary. The battle represented a memorable unification of our personnel resources as troops from all Canadian military divisions, from all parts of Canada and from all walks of life, joined to collectively overcome the powerful enemy at considerable odds. Our troops united to defeat adversity and a military threat to the world.
- 708.** Now, decades later, Canadians stand united in their Remembrance as they recognize and honour the selfless acts of our troops from all wars. We realize that it is because of our War Veterans that we exist as a proud and free nation. Today, when people from all parts of Canada and from all walks of life join together in their pledge to never forget, they choose to display this collective reminiscence by wearing a Poppy. They stand united as Canadians sharing a common history of sacrifice and commitment.

THE LAPEL POPPY

- 709.** The Poppies worn in Canada today were first made in 1922 by disabled Veterans under the sponsorship of the Department of Soldiers Civil Re-establishment. Until 1996, Poppy material was made at the “Vetcraft” sheltered workshops run by Veterans Affairs Canada in Montreal and Toronto. The work provided a small source of income for disabled Veterans and their families, allowing them to take an active part in maintaining the tradition of Remembrance. When it no longer became practical for Veterans Affairs Canada to maintain the “Vetcraft” operations, the Legion volunteered to take on the continuing responsibility for the production of Poppies. In so doing, Dominion Command has awarded a production contract to a private Canadian company to produce the Poppies but all operations are conducted under strict Legion control.

POPPY PROTOCOL

710. This Section will provide answers to the most commonly asked questions.

a. What does the Poppy represent?

The Poppy is the international symbol of Remembrance.

b. Why should I wear a Poppy?

When you wear a Poppy or display a wreath, you honour the war dead and help Veterans and their families.

c. Who should wear a Poppy?

Everyone should be encouraged to wear a Poppy as it is a way for all Canadians to honour the memory of the thousands of Canadians who gave their lives in the defence of freedom. This freedom, however, also means having the right to choose and it is a person's right not to wear a Poppy if they choose.

d. When is a Poppy worn?

Traditionally, the Poppy is worn during the Remembrance period, which is from the last Friday in October to the end of the day on 11 November. Poppies may also be worn at other commemorative events throughout the year, such as the Battle of the Atlantic, the Battle of Britain, a memorial service at a Legion Convention and other similar occasions. The Poppy may also be worn by Colour Parties when on parade and by members attending funeral services for Veterans or Ordinary members.

e. How is the Poppy worn?

The Poppy should be worn with respect on the left breast, close to the heart. When wearing standard Legion dress, the lapel Poppy is worn on the left lapel immediately above the Legion lapel badge. When wearing summer dress, the lapel Poppy is worn on the shirt, immediately above and centred on the shirt crest. In inclement weather, the lapel Poppy is worn on the left side of the outer garment.

f. Can I attach the Poppy to clothing with another type of pin?

There have been many queries related to the wearing of the lapel Poppy, specifically as it relates to using a pin or other such fastening device in the center of the Poppy.

It is the position of the Legion that the Poppy is the sacred symbol of Remembrance and should not be defaced in any way. No other pin, therefore, should be used to attach it to clothing.

The Poppy is the international symbol of Remembrance and is worn from the last last Friday in October to the end of the day on 11 November.

While this should be the practice of all Legionnaires, it is recognized that the Legion cannot control its form of wear by the public. It is undoubtedly better to wear a Poppy with a pin in the center than not to wear a Poppy at all. The best that we can do is to encourage Legionnaires to wear it properly.

g. Are other types of Poppies available?

The Legion currently has a metal lapel Poppy pin with the words “We Remember” in a bottom banner. A Poppy sticker suitable for wear on clothing is also available.

h. When should a Poppy be removed?

The lapel Poppy may be worn throughout the whole of the Remembrance period and is removed immediately following the end of Remembrance Day, except in cases as described in Subsection 710.d. of this manual and the General By-Laws. Many people place their Poppy at the base of the Cenotaph in respect at the end of the Remembrance Day Ceremony. This is also fully acceptable.

i. Is the Poppy centre green or black?

The centre of the Lapel Poppy was originally black but was changed to green in 1980. In 2002, the centre was changed back to black to reflect the colours of the Poppies in Flanders – a red flower with a black centre. It is intended that the black centre will remain as the standard for the production of all future Poppy material.

THE REGISTERED POPPY TRADEMARK

HISTORY OF THE POPPY TRADEMARK

711. The Legion was given the responsibility to safeguard the Poppy as a sacred symbol of Remembrance by the People of Canada through an Act of Parliament in which the Legion was granted trademark copyright of the Poppy symbol in Canada. This trademark was registered on 30 June 1948.
712. This vital responsibility was bestowed upon the Legion to ensure that the largest Veterans organization in the country could act in preserving the Poppy as a sacred symbol of the sacrifice of our Veterans. In doing so, the Legion accepted the obligation to ensure that it would never be used for commercial or personal gain or would never be desecrated through inappropriate use.

CANADIAN INTELLECTUAL PROPERTY OFFICE

713. All trademarks are registered with the Canadian Intellectual Property Office (CIPO). According to their website this office is a Special Operating Agency associated with Innovation, Science and Economic Development Canada and is responsible for the administration and processing of the greater part of intellectual property in Canada.

WHAT IS A TRADEMARK?

714. A trademark is a word, a symbol, a design (or a combination of these features), used to distinguish the wares or services of one person or organization from those of others in the marketplace. Trademarks come to represent not only actual wares and services, but the reputation of the producer. As such, they are considered valuable intellectual property. A registered trademark can be protected through legal proceedings from misuse and imitation (CIPO, 2004).

REGISTERED VERSUS UNREGISTERED TRADEMARKS

715. As defined on the CIPO website a registered trademark is one that is entered on the Trademarks Register. An organization is not required to register their trademark because using a mark for a certain length of time can establish ownership through Common Law. Registration, however, is *prima facie* evidence of this ownership. In a dispute, the registered owner does not have to prove ownership; the onus is on the challenger. Use of an unregistered trademark can lead to a lengthy, expensive legal dispute over who has the right to use it. The Legion's Poppy symbol is a "**registered trademark**".

TRADEMARK NOTICE

716. According to CIPO, Canada has no specific legal requirement for a trademark notice, however, use of the symbols ® or TM beside the trademark is encouraged, such as on labels or packaging or in advertising or promotional materials. (CIPO Notes on Maintaining a Canadian Trademark Registration, 26 Oct 2005).

CONSISTENT USE

717. It is important that the trademark always appear in the form in which it has been registered without significant variation. (CIPO Notes on Maintaining a Canadian Trademark Registration, 26 Oct 2005).

INFRINGEMENT

- 718.** Infringement occurs when the trademark or a confusing trademark is used by someone other than the registered owner who is not an authorized licensee. In order to prevent loss of distinctiveness and to prevent the registration of confusing trademarks by others, appropriate steps should be taken to protect and enforce trademark rights. (CIPO Notes on Maintaining a Canadian Trademark Registration, 26 Oct 2005).

RIGHTS OUTSIDE CANADA

- 719.** The rights obtained by registering the trademark in Canada do not extend outside Canada. (CIPO Notes on Maintaining a Canadian Trademark Registration, 26 Oct 2005).

LEGION TRADEMARKS

- 720.** The Legion has registered its trademarks with CIPO through a Canadian Intellectual Property and Technology law firm. Registered trademarks of Dominion Command of the Royal Canadian Legion include but are not limited to:
- a.** The Poppy Symbol;
 - b.** The Legion Badge/Crest;
 - c.** The Legion Logo;
 - d.** The Legion Tie; and
 - e.** The words “Canadian Legion”, “Legion” and “The Royal Canadian Legion”.

POPPY TRADEMARK EXCEPTIONS

- 721.** It must also be reiterated that the Legion’s trademark and control of the Poppy image does not apply to any instance where the actual Poppy flower is used unless that usage is misrepresented as the Legion’s Poppy.

Guidelines Governing Permission To Use The Poppy Image

SITUATIONS WHERE USAGE WOULD BE CONSIDERED

- 8o1.** The following examples are some situations where a requested use of the Poppy image could be considered.

Please note that the use of the Poppy image is not restricted to these examples, rather they are listed to provide guidance. It is important to be aware that these situations are not automatically approved as each request must be reviewed on a case-by-case basis. The merits and implications of each request must be considered before a decision can be returned.

- 8o2.** All profits derived from the sale or distribution of any Poppy related material must be deposited in the applicable Command or Branch Poppy Fund.

Use of the Poppy symbol on signage of any configuration must first be approved by the Dominion Command Poppy and Remembrance Committee.

USE BY COMMANDS AND BRANCHES

SIGNAGE

- 8o3.** Use of the Poppy symbol on signage of any configuration must first be approved by the Dominion Command Poppy and Remembrance Committee.

WEBSITES

- 8o4.** Used on websites as an image or an icon to promote **Remembrance**. Permission will be restricted to the two-week Remembrance period and throughout the year during other periods of Remembrance. The Poppy symbol should not be used on websites on an ongoing basis.

PRINTED MATERIAL

- 8o5.** The Poppy symbol may be used by Commands and branches for printed materials to be used in support of the Poppy Campaign. The Poppy image may also be used on invitations and programs celebrating commemorative events at the branch.

REGALIA

- 8o6.** Dominion Command is the sole authority for the design, distribution and use of regalia items incorporating the registered Poppy trademark. Commands and branches are not authorized to use the Poppy symbol for the design and

- ii. **Members of Parliament:** Use by elected members of the Federal Parliament in the development of promotional Remembrance material;
- iii. **Provincial:**
 1. provincial licence plates: assurances must be received indicating that these plates will be available to Veterans at no charge – they are not to be considered and assessed as a vanity plate – with only a small fee permitted for administrative costs (usually \$5.00). It is imperative that the Provincial Command office verify that an appropriate validation process will be employed in the issuance of Veterans' licence plates incorporating the Poppy symbol;
 2. Remembrance-themed Public Service Announcements;
 3. Transportation Department roadside signage for Veterans' memorial highways; and
 4. use by elected members of provincial legislatures in the development of promotional Remembrance material.
- iv. **Municipal:** Local advertisements offering free services to Veterans, such as a city transportation company's notice of free transportation to Veterans

on Remembrance Day. Approval will be contingent on the occasion being celebrated.

b. Community Use:

- i. **Parks:** Commemorative parks in the memory of Veterans where the Poppy would be positioned with respect, i.e. not inset or depicted in tiles on the ground or positioned in any way that would see the Poppy trod upon; and
- ii. **Memorials:**
 1. Veterans' monuments in memorial parks;
 2. headstone markers; and
 3. museum displays erected to commemorate fallen Veterans.

c. Buildings: Murals with a Remembrance theme;

d. Street Blades/Signs:

- i. street blades/signs for streets in an area unique to Veterans or to commemorate specific memorial events. This could include street blades/signs named after war battles that included Canadian participation. In all cases for any street blade/sign, each proposed name must be provided, either collectively or individually, as blanket-use permission will not be granted;
- ii. street blades/signs recognizing Veterans in general, such as Veterans Way;
- iii. street blades/signs named in honour of individual Veterans. Proposals must include authenticated background information on each Veteran to be honoured, including wartime service and date of death; and

- i. street banners to recognize commemorative events, such as the Year of the Veteran; and
- ii. individual, hand-made banners produced by a branch to recognize commemorative events. Such banners will not result in any profit.

g. Education Use:

- i. programs for school Remembrance Day Ceremonies; and

SITUATIONS WHERE USAGE WOULD NOT BE CONSIDERED

809. The following will apply *to both Legion related and non Legion related* applicants.

810. The following examples are situations where a requested use of the Poppy image would not normally be considered. It is important to be aware that such situations are not automatically declined as each request must be reviewed on

a case-by-case basis. The merits and implications of each request must be considered before a decision can be returned.

811. Particular care must be taken when a request is received from a commercial venture. Usage approval could be mistakenly interpreted as an endorsement of the product by The Royal Canadian Legion.
812. The Poppy symbol should not be used as a part of, or in conjunction with any name; be it of any command, branch, individual, group or business. The Legion Logo is the only authorized use of the Poppy in conjunction with a name. Prior permission will be needed to use the Legion Logo.
813. Similarly, the image of the Poppy in the foreground of barbed wire is **NOT** authorized for use.
814. The Poppy symbol will not be used on or in conjunction with any item or in any application, which would in any way diminish its known value as a symbol of Remembrance.
815. Situations where the use of the Poppy image would **NOT** be considered include:

a. Community Use:

- i. **Parks:** Any area on the ground that could result in the Poppy being trod upon;
- ii. **Memorials:**
 1. designation of Veterans from non-Allied or non-Commonwealth countries;
 2. fixed or non-fixed memorials that do not clearly recognize Veterans; and
 3. a watermark on walls of recognition or any placement that could have text written across the Poppy image.
- iii. **Buildings:** On floor tiles, including use in Legion branches;

- i. letterhead or printed material by corporations, companies or individuals;

- iv. Remembrance Day signage used by corporations or retail outlets.

The Poppy symbol

any item or in any
application, which
would in any way
diminish its known
value as a symbol
of Remembrance.

c. Artwork, Posters and Prints:

- i. posters or newspaper advertisements promoting a concert for a vocal group, choir or musical ensemble;

- ii. sites that include the sale of commercial products;
- iii. sites that list members of an organization with wartime service but that also include those with modern-day military service;

- v. permanent display on websites or temporary display that extends beyond the Remembrance period;

When used to promote Remembrance the use of the Poppy image on Websites of Veterans' organizations, the Department of National Defence, the Canadian Cadet Organization or other youth or non-profit organizations is permitted. Such usage cannot be permitted, however, on any commercial sites of such organizations promoting the sale of their product.

- i. **Personal:** Tattoos.
- j. **Other:** The promotion, association or display of alcoholic beverages in any manner.

PROCEDURE TO REQUEST PERMISSION TO USE THE POPPY IMAGE

- 816.** The following application process will apply to all requests made from all sources.
- 817.** Requests for the use of the Poppy image, for any purpose and in any configuration or design, are to be forwarded to the Secretary, Poppy and Remembrance Committee at Dominion Command with sufficient time to permit a review by the Committee. The request, outlining details of the usage, may be forwarded by mail, fax or electronically and is to include:

 - b. a description of exactly how and where the Poppy will be used or displayed;
 - c. an explanation of why the Poppy usage is requested;

 - f. an indication of where the profit, if any, will be directed, whether to an organization, charity or manufacturer; and
 - g. a draft drawing or design depicting how the image will be used, including image size and placement.
- 818.** Failure to provide the required details will result in a delay of any decision being returned as the missing information must be received before the request can be placed before the Poppy and Remembrance Committee for its consideration.

DECISION NOTIFICATION

- 819.** A decision on individual requests will be returned to the originating Command, branch or organization/individual. If the usage request is approved, the Poppy image will be made in a variety of electronic formats in an attempt to meet the preference and needs of the originator.

ACKNOWLEDGMENT

- 820.** When approval has been granted for the use of the Poppy symbol, an acknowledgment to The Royal Canadian Legion must be provided. In the case of books, websites and CDs, this acknowledgment will read:

“The Poppy, when used as a symbol of Remembrance in Canada, is a registered trademark of Dominion Command of The Royal Canadian Legion and is used with the kind permission of Dominion Command.”

821. In other instances, the Legion is to be credited verbally or in related printed material.

ADVERTISING POPPY PRODUCTS

822. Regardless of whether a product or item has been granted approval to use the Poppy trademark, Legion policy prohibits the practice of advertising the availability of any such item or product to all branches. These requests will be denied, with the suggestion that the individual or company contact Legion magazine for their paid advertising options.

Commands and branches are requested to play a substantive role in protecting our trademark from unauthorized usage.

DISCOVERY OF MISUSE

823. Commands and branches are requested to play a substantive role in protecting our trademark from unauthorized usage. All members are requested to report unauthorized uses of the Poppy trademark to the Secretary, Poppy and Remembrance Committee at Dominion Command.

MISUSE

824. The unauthorized use of the Poppy symbol by any command, branch, corporation, group or individual may result in litigation or sanction against the offending party.

CONCLUSION

825. This information was developed to provide guidelines governing the use of the registered trademark Poppy image. The Legion has been entrusted with the significant task of safeguarding the sacred Poppy, protecting it from misuse and commercialization. Our Wartime Veterans bravely accepted the duty and responsibility to protect our rights and freedom; it is now we who must accept the duty and responsibility to protect and honour them. Through the collective efforts of all Legion members, we will ensure that the Poppy remains the symbol of Remembrance for their sacrifices.
