## Pastor's Corner

Pr. J. David Bryant

Friends,

The Lord be with you.

As we enter Lent, I wish to share a devotion with you. It helps us to ponder our appetites, what the early church referred to as “the stomach.” Our appetites are the cravings for food, sex, money, power, excessive sleep, etc., which pull us away from being the love of Jesus to self and others.

“Their god is their stomach . . . Their mind is set on earthly things. ([Philippians 3:19](#))

### EMPTY

Perhaps some of you have seen a reality-TV series entitled, “My 600-lb Life.” The episodes follow the progress of individuals who are in desperate need of extreme weight loss. If you have not seen the show, you may quickly discover that you have much more in common with these individuals than you assume.

It could be that you also struggle with health issues related to weight. Whether you do or not, however, is beside the point. What’s striking is how so many of the individuals in the series are struggling with the same deep-seated problem. For years upon years, they have tried to fill an empty place in their lives with food.

That empty place may have come from a tragic death in their childhood, from abuse, or simply from a general sense of brokenness they cannot define. Their choice for filling that emptiness, however, has been food.

With what have you tried to fill your empty place? Maybe you’ve tried to fill it with food, work, or entertainment and recreation. Or perhaps you’ve tried to fill it with approval from others, constant busyness, alcohol, drugs, pornography, social media, politics, or news networks.

What you already know, however, is this. These things never fill the empty place. They never work. No matter how much you consume, the empty place always returns.

The frightening truth is that you and I, in the loneliness of self, are far emptier than we dare to fear. And that’s why we desperately need Jesus.

When Jesus came to this earth, he came to do far more than simply pay off the outstanding debt of our sin as if it were some abstract equation. In living a holy life on our behalf and then taking our failures to the cross, Jesus reshaped our entire relationship with our Creator. Now, through the power of the gospel, the Holy Spirit fills us. Jesus fills us. He fills us with his promises and his living, breathing Word...

And as he does, he fills your empty place and mine as nothing else will!

Prayer: Lord Jesus, forgive me. Forgive me for all the ways I have tried to fill my empty place with things that do not satisfy. Fill me with your Spirit. Amen.”

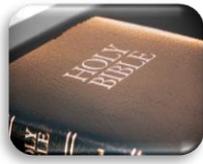

Let’s spend Lent pondering this devotion together. What do we, gathered together as JOY, seek to fill us rather than Jesus? What do we crave rather than Jesus Christ?

Wishing you a profitable Lent,  
JDB+

### **PRESIDENT'S MESSAGE**

Now, with March soon to be upon us, we prepare to enter Lent. Days get longer and our Winter Friends will soon be pondering return trips above the snowline.

Our Annual Meeting fell late this year. We had much to discuss and consider. One of the things we discussed was providing a monthly update on Church Council actions. Soon, we will be voting to adopt changes to the JOY Constitution. News on that will be coming your way very soon.

This month's Church Council meeting falls on 2/24, so there's nothing to report just yet. I am looking forward to working with the newly voted in members of the council, and what perspectives they may have on helping the congregation grow. Information about the Council meeting will appear in March. This is because February is a short month.

We're looking forward to a great 2020 together. Thanks for your time and generosity. Stay tuned, for monthly Council news is now a part of the newsletter.

Melody Shaffer,  
Church Council President

## **Updates on Paraments:**

In last month's newsletter I mentioned that W&M would like to purchase new Paraments for Holy week. This is something we believe would add to the beauty and reflection of the season. The Paraments will run about \$2,800.00.

We did have a few donations and will continue to look for other donations and will offer Fund Raising events. If you personally have designated funds in the Memorial Account that you may want to contribute to this project, or you would personally be willing to make a donation, please let myself or Linda Collins know. This will help in our planning. Thanks for your support of this project!

## **Palm Trees:**

The selling of Palm Trees last year went so well that we are going to do it again this year. I will go out and purchase the Palm Trees that will be used to decorate our Altar for Palm Sunday. We are asking Joy members to pay the cost of the tree you'd like to purchase and you can then take it to beautify your own home.

Once again, I will purchase and if you need help getting it home let me know. I have not checked prices yet this year. Last year the large trees were under \$20.00 and the small plants were \$10.00. I figure they are about the same this year.

What is needed: (2) 5-6 Foot, (2) 3-4 Foot, and (4) Smaller plants for the Altar

If you are interested please let me know. (Chris 321-388-2555)

Blessings to All,  
Chris Allebaugh

## **3<sup>rd</sup> TUESDAY WOMEN'S BIBLE STUDY**

**Meeting March 17 @ 11:30 a.m.**

*We are called!*

Reformer Martin Luther used the word “vocation” or “calling” to refer to all aspects of human life. We are called to respond to God not just in our personal relationship with God but in our relationships with family and friends, in our work, and in our communities. This four-part Bible study will explore stories from both the Old and New Testament. As we reflect on how our biblical forebears heard and responded to God's call, we will gain insight into how God is calling us—and how God may be calling others through us.

### **Session 3 “Called to Serve”**

Jesus is clear that one of the central ways we respond to God's call is by serving others. When we serve others, we are recognizing Christ present in their need. When we serve others, they see Christ visible in our loving service. This session engages scriptural texts that help us focus on the questions, “Who is my neighbor, and what does my neighbor need?”

On Tuesday February 18th WELCA of Joy shipped out 75 quilts; 40 new children's book bags and over 500 bars of soap! We more than made our pledge! Thank you, all members of Joy!

We also donate health kits to Daily Bread on a monthly basis. Please see Connie Steinhorst or Linda Kratzer if you have any "hotel samples" or other health items like toothpaste or tooth brushes you would like to donate.

Thank you everyone for your donations and helping with the packing and delivery of the backpacks.

Please consider volunteering with our team on the 4<sup>th</sup> Friday of the month.

## Property Committee Update

The new Year 2020 has started with whirl wind of activity for the JOY Property Committee. We welcomed a new member to our group. Newly elected Council Member Gary Krause has joined our ranks. Gary brings renewed vitality and expertise talents as a professional electrician. As some of our older members are getting on and cutting back do to health limitations, it is nice to have some of our younger members be able to join and lend a much-welcomed hand.

January saw the group tackle the Memorial Garden bridge renovation. Some of the preparation of the wood work was completed off site at the home of members, with final assembly taking place at JOY. The newly renovated bridge should serve the members of JOY for years to come. The sprinkler system around the Church was once again the object of the work as it seems to be in constant need of care support. The various zones of the system are being tested and the sprinkler heads and connecting plastic pipe are being replaced as needed. Time has taken its toll on the original phone system which was more than likely installed as JOY was originally built. The antiquated PBX system fails causing the phones in the church to fail and stop working. The initial cause was assumed to be with phone service from Spectrum and a service call was placed to Spectrum. The technician discovered that there were some cuts in the cable from the outside of JOY roof to the central air conditioner room in the Wollam Jackson room. The cable was replaced, but the technician also discovered that the PBX system had failed, so the system was disconnected and later new phones were purchased to replace the three phones in the church. Following the security/safety inspection by the Brevard County Sheriff's Office and the recommendations for security cameras outside around the church perimeter, quotes from local vendors have been obtained to place six security cameras outside the building with recording capabilities inside the church and smart phone monitoring. Funding for the project will be obtained through a federal grant program. January also saw the men hard at work in cleaning dead trees and low hanging branches around the church. Some of the branches are in the wires of the Florida Power and Spectrum phone and internet lines. FPL has been contacted and they will come and have the limbs around the wires removed, allowing the Property Committee to remove the lower limbs safely without having to worry about the wires. The interior of the Church has also received some much-needed attention. Cracks in the walls and ceilings have been patched, new brackets installed for the Christmas wreath. A dry erase board was installed on the wall of the Wollom-Jackson room, thanks to a donation from the Harris Corporation, through the efforts of Peggy Kemmerer.

Erik U. Mäenpää,  
Property Chair

### ***MARK YOUR CALENDAR "DAY CAMP 2020"***

Day Camp 2020 is set for June 15-19, 9am-4pm. The following week, Blessed Redeemer will host a second Day Camp. We are drawing from two different pools of children, so this is collaborative and not competitive.

Stephen Bryant will be JOY's congregational contact person. He is looking for volunteers to handle housing four counselors, the Sunday night welcome for counselors, managing check-in/check-out, registration, daily snacks, and a nightly fun thing for counselors. Feel free to contact him at: [stephenbry@gmail.com](mailto:stephenbry@gmail.com)

Registration forms will be available once they become available to us from Novus Way. Children K-8 are welcome to attend. And, it's perfectly fine if they are not Lutheran. Fee will be less than \$10 per child.

## BSA Scout Sunday

On February 9<sup>th</sup> Scouts BSA had its annual Scout Sunday Day. Our very own Alexis Woods, a member of Joy, is also a member of Scouts BSA Troop 117 all Girl Troop. On February 9<sup>th</sup>, Alexis along with 4 other members of Troop 117 enjoyed the service at Joy. The troop helped with greeting members of Joy and helped with serving during fellowship. A big part of Scouts BSA is a Scout being Reverent. Alexis wanted to show how she is Reverent, as well as share her Church with her troop. Thank you to Pastor Bryant, and the Joy Council for allowing her to do just that. Also, a HUGE thank you to the members for being welcoming to Troop 117.

## *Men of Joy*

You may have noticed a wall-mounted TV screen in the room we all use for Sunday morning fellowship. That's the beginning of a project the Men of Joy are doing to outfit our meeting rooms with computer monitors/TVs so that we can show educational videos, slide presentations and the like. These should be of use for our educational program, for our meetings, and for outside groups that meet at Joy. Our goal is to install several more screens in the side rooms, but we could still use your help. If you or a friend or neighbor upgrade your HDTV to a newer model and your old one is an LCD TV 47-55 inches in size, please keep our project in mind. Thanks to one of our members for the donation of the first screen. If you have a TV to donate, please call Mort Walton or Jim Collins, and we'll pick it up.

By the way, you are welcome to use the screen for any meetings that you have; just bring along a laptop with an HDMI video connector, plug in the cable provided with the TV and turn on the TV by pressing the front panel on the lower right corner by the ON/OFF symbol. If you're set up to use a second monitor, your picture should come right up. We don't yet have a remote control for this unit. You can display video files, PowerPoint slides, photo albums, documents and many other types of media. The TV also has built-in speakers.

## We care about you!

If you so desire, please let us know when you or your family is in the hospital. If you want to have information about your hospitalization and basic condition released to Joy Lutheran Church, you need to inform the hospital. Also, please have someone call the church at 321-951-0166 and let us know you have been hospitalized.

Please contact the church office, if you would like to have a visit from Pastor Bryant, a Stephen Minister, or would like to be listed for prayer support.

*<sup>18</sup>The Lord is near to the brokenhearted, and saves the crushed in spirit. <sup>19</sup>Many are the afflictions of the righteous, but the Lord rescues them from them all. Psalm 34:18-19(NRSV)*
