

SUPPORT THE FRIENDS OF BERLIN PERFORMING ARTS AND PURCHASE A BRICK WITH YOUR FAMILY NAME ON IT!

Friends of Berlin Performing Arts is a booster organization dedicated to raising funds and providing support for not only our arts programs at Berlin High School, but also our children and students as they explore the arts. Most of the financial needs of the arts program at Olentangy schools are met only from money raised through our booster program. This money is needed to help pay for instruments, equipment, stage supplies and transportation vehicles. The success of our arts program is heavily dependent on the funds raised by the FBPA thorough parental support and community fundraising efforts. There are many ways we as parents and friends can support and build up this new school arts program. Being a new school there are many challenges to finance all that is needed to get our programs off to a great start! Please consider donating or helping with our fundraising efforts to make Berlin one of the most successful high schools in our district! Please visit our website to find out how you can donate to support FBPA!

*** Purchase one brick for \$75 or get 2 or more for \$65 each.**

Name: _____

Phone Number: _____

Amount Enclosed: _____

Date Mailed: _____

Please make checks payable to FBPA
