PARTNERS IN PRAYER
2nd June 2019

“When your heart is filled every day by the kindness
of the Father, you have enough of His grace overflowing
that you can extend His grace to others.”

— **Bill Hybels**

- Our deepest sympathies to SUSIE DU RANDT and her family after the sudden passing of her son HENNIE. May our merciful Lord bring peace and healing in their time of sadness and grief.
- Please keep AYANDA MBULI in your prayers.
- Please pray for health issues for CLARE GOVENDER.
- BONNIE VAN DER NEST is frail at the moment as she recuperates at home after a procedure to drain fluid from her lungs. She will see the surgeon next week and we pray for a positive outcome and healing and strength as she recovers.
- JEANNETTE SHARE is recuperating after shoulder surgery and we pray for healing and continued recovery.
- LEONIE BUITENDAG would like to thank everyone for their prayers and care during her recent hospitalisation. She was diagnosed with a viral infection which resulted in increased spinal pressure and caused severe headaches. She underwent a procedure to relieve the pressure and had immediate relief. Praise be to God.
- IRMA CROXFORD is living with chronic and severe pain in both hips and we pray that the new medication she is taking will bring relief.
- Please pray for age related health concerns for MAXI VAN DER WATT.
