PARTNERS IN PRAYER
21st July 2019

“God wants to be as close to us as a branch is to a vine. One is an extension of the other. It’s impossible to tell where one starts and the other ends. The branch isn’t connected only at the moment of bearing fruit. The gardener doesn’t keep the branches in a box and then, on the day he wants grapes, glue them to the vine. No, the branch constantly draws nutrition from the vine. Separation means certain death.” — *Max Lucado, Just Like Jesus: A Heart Like His*
