**PARTNERS IN PRAYER
8th September 2019**

“If you can't do great things, Mother Teresa used to say, do little things with great love. If you can't do them with great love, do them with a little love. If you can't do them with a little love, do them anyway. Love grows when people serve.” John Ortberg

- Sadly our District Bishop, JONATHAN ANDERSON has passed away after a long and brave battle with cancer. Our thoughts and prayers are with his wife Louise and his family.
- We pray for travelling mercies for Mr & Mrs NYASENGO who are travelling to Zimbabwe to attend a memorial service for their niece.
- Please keep BHARAT JAYRAM in your prayers. He is having radiation and chemotherapy for throat cancer.
- Please pray for Mr and Mrs MASEKO. Mama MASEKO is battling with high blood pressure and Ntate MASEKO is having treatment for cancer. The couple are also dealing with the loss of both their daughter and their daughter-in-law last year.
- DAMIEN VOLKWN was diagnosed with Phalyngo bronchitis this week which affected his voice. We pray for his speedy recovery.
