## HOSPITAL VISITS

Pastoral Care and hospital visits are part of how we care for our family at BCMC. Of huge concern is a recent change in hospital policy which now means that unless the family specifically request a visit from the Minister or Church, it is very hard for us to visit you or a member of your family in hospital. Hospitals are no longer allowed to give out the names of Methodists or the people who are in hospital and so we need you to call us with details of a hospital stay, as well as dates, ward numbers etc.

This directly impacts on the way we can care and so we need your help. If you or a family member are going to spend time in hospital, please let the Church Office know with as many details as possible which means we can make sure that Hilton and the visiting Team are able to see and care for you.
