TRUTH FOR TODAY

*Trust in the Lord with all your heart and lean not
on your own understanding; in all your ways acknowledge him,
and he will make your paths straight.*

--Proverbs 3:5-6

- Please keep DENISE HEATLIE in your prayers. She will be having a colonoscopy and gastroscopy at the Linmed on Tuesday. We pray for correct diagnosis and treatment after the procedures.
- AYANDA MBULI was hospitalised after being involved in a car accident. She is now recovering at home as she receives further treatment and will also need to undergo tests by a specialist. We pray for her healing and recovery.
- AMELIA KRUGER was diagnosed with cancer and is recovering after having the tumour removed and undergoing chemotherapy and radiation. She suffered severe side effects from the chemotherapy and had radiation burns and we pray for strength and healing.
- Please pray that JOAN SNYMAN will have relief from pain and discomfort.
- Please pray for COLIN WILLIAMS who may lose his home due to financial pressures.

But blessed is the one who trusts
in the Lord, whose confidence is in
