Widows Window

Acts 6:1-4

1. In those days when the number of disciples was increasing, the Hellenistic Jews among them complained against the Hebraic Jews because their widows were being overlooked in the daily distribution of food.

2. So the Twelve gathered all the disciples together and said, It would not be right for us to neglect the ministry of the word of God in order to wait on tables.

3. Brothers and sisters choose seven men from among you who are known to be full of the Spirit and wisdom. We will turn this responsibility over to them

4. And will give our attention to prayer and the ministry of the word.

Miriam Neff of Widows Connection points out the following:

To the widow:

Be generous regardless of the quantity of your possessions, no one's 'stuff' is their own anyway.... be filled with faith, you can't help but be when you see how special you are to your Creator and your new husband.

Besides the emotional impact of losing a spouse and the loneliness it brings, there are other issues which emerge such as financial battles, spiritual matters, relational issues, lack of physical support and guidance, adjusting to a new environment, becoming a "single" person which on its own is a huge change and then also learning who to trust in one's vulnerability.

If you are ready to join Widows Window, we would love to hear from you.
