**TRUTH FOR TODAY**

**Romans 8:28**

**“And we know that God causes everything  
to work together for the good  
of those who love God and are called  
according to his purpose for them.”**

- KEVIN POHLE passed away suddenly last weekend and we express our deepest sympathies to Sarah and the family. May our Lord's merciful love bring comfort and healing at this sad time.
- Our deepest sympathies to the family and loved ones of DONALD SHAW. May our Lord's abiding love bring comfort and healing.
- Little ZARA BAYISAYI (2) is recovering at home after being hospitalised when she suffered a febrile convulsion caused by a very high temperature. Zara is still taking medication after a severe chest infection but is happily well on her way to recovery and will need a check up in ten days. Please keep Zara and her family in your prayers.
- Please pray for healing for MAUREEN PRETORIUS who has a bronchial infection.
- Please keep our District Bishop, JONATHAN ANDERSON in your prayers. He recently underwent a stem cell transplant and is currently at a crucial stage of his treatment where his immune system is vulnerable. He will need further isolation for six months and we pray for success of the procedure and for healing and strength.
- We pray for travelling mercies for HILTON & CAROL VOLKWYN who are holidaying in Italy. May they have a wonderful trip and bring home treasured memories.
- Please pray for our KIDS CONNECTION & YOUTH CAMP this weekend. May the children, teachers and leaders be blessed.

**PRAYING FOR OUR CHURCH FAMILY THIS WEEK**

We pray for Tony & Edna Wessels and family.
