PRAYING FOR OUR CHURCH FAMILY THIS WEEK

We pray for Gunda Roodt and her family.

Gender based violence knows no religion, age, nationality, culture or socio-economic class. Lord please open our eyes and hearts to this reality. Create within our structures that which will stimulate discussion, provoke thought and raise awareness around this human rights violation on earth.

We are mindful of the different forms of violence - Physical violence, Emotional violence and the violence of poverty, starvation, humiliation and degradation, especially against women and children. Lord, strengthen us to take action to support the 16 days of activism. {Adapted from "16 Days of Prayer and Activism against Gender Based Violence."}
