**PARTNERS IN PRAYER
13th January 2019**

Romans 8:38-39

“For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.”

- Please keep JB KELLY in your prayers. He has been in ICU for nearly three months suffering from a viral infection which has affected his organs. We give thanks that he is showing a slight improvement after his sedation medication has been reduced. We also keep his wife Sandy and the family in prayer during this stressful time.
- Please pray for strength and healing for PETER CARRIHILL who was admitted to the Glynnwood with severe dehydration.
- MARITZA TURNER is recovering at home after being treated in hospital for a severe sinus infection. Please pray for her continued recovery and restoration to good health.
- GUNDA ROODT consulted a specialist this week for a second opinion regarding major back surgery and we pray for wisdom and guidance as she makes a decision regarding her options.
- We give thanks to the Lord for travelling mercies over the holidays.
- We pray for our students and teachers in this new year of study.
