**PARTNERS IN PRAYER
20th January 2019**

But from everlasting to everlasting the Lord's love is with those who fear Him,
and His righteousness with their children's children - with those who keep
His covenant and remember to obey His precepts.

Psalm 103:17-18

- We heard with sadness that ISABELLE WEBB passed away suddenly this week after a brave battle with cancer. Our thoughts and prayers are with her family and loved ones and we pray that our Lord's merciful presence will bring comfort and healing.
- Our deepest sympathies to Rev. Louise Wernich whose grandmother passed away.
- Please pray for PETER CARRIHILL who has dementia. He has been released from hospital and is back at the frail care home.
- We give thanks that Mama DINAH MPHAKA is recovering well after eye surgery and we pray for continued healing.
- Please keep ELIZABETH AZZOPARDI (80) in your prayers as she is treated for a chronic bronchial infection.
- FABIAN KARELSE (36), who is Hilton's nephew, was brutally attacked while travelling home from work on a train in Cape Town. He has severe swelling on the brain and is in a serious condition in hospital.
- We give thanks that JB KELLY is showing a slight improvement and pray for continued healing and that he will make a complete recovery.
- Please pray for Tshepo as he commemorates the two year anniversary of the death of both his parents due to HIV related illness. Tshepo has received a bursary to study in the Cape and we pray for provision as he tries to find a place to stay and for success in his studies.
- We give thanks and praise that KEVIN HEATLIE was not injured in an attempted hijacking earlier this week.
