

## Greetings in name of our precious savior Jesus,

I want to give you a praise report about the **FUN in the SON event in BRONX, NY**. It was an awesome success. There were probably **10,000 people** that came through that Saturday. When all the bands came for the entertainment in the evening there were **7,000 people** sitting in the bleachers and standing.

I was honored because the pastor saw my **little yellow book, The Empty Spot**, and he liked it so well that he gave it to every family that came to the event. So, thousands of families went home with my little yellow book. Then he saw my follow-up book, **Now is the Time for Bible Studies**, and he liked it so well that he gave it to every person that got saved. When it was my turn to

give the alter call, it was late in the afternoon and **around 100-200 people were up by the stage listening**. Almost all of them got saved.

The church hosting the event is around a thousand people. The pastor wanted me to teach on the supernatural so that at the event everyone would be trained how to hear the voice of God when they approached people. I did eight services during the week before the event and each service was full.

They were dynamite, explosive, wonderful services. You could truly say they were more a visitation from heaven than services. People were weeping, crying, and shaking in the presence of God. In every service, when I did the call for the baptism of the Holy Spirit, the altars were filled from one side of the church to the other as people were being filled with the baptism of the Holy Spirit and speaking in tongues. Several people were saved, and several re-dedicated their life to Jesus.

One man came up to me and wanted to accept Jesus. He said that in his mind he heard a voice telling him to get a gun and go shoot and kill lots of people. He said that's why he came to church. He had never been to this church but he came because he didn't want to kill anybody. He accepted Jesus and was filled with the Holy Spirit. The church is aware of his situation and is discipling him.

A praise report from **Frederick, MD**, As I stood on an amphitheater stage, looking out at the people, I remembered that not too long ago the Lord spoke to me that I would be doing bigger meetings.

And God is truly showing me that that's the direction that Channel of Love Ministries is headed. Though the arena was not filled, the Lord reminded me, "Do not despise the day of small things." When I did the alter call several people came forward to the stage area and received Jesus as their Lord and Savior. The event itself was wonderful as people got clothing and groceries. Altogether, between this event and Friday night, approximately 35 people received Jesus.

One lady was across from the park sitting on her porch. The musicians on the platform were singing "I Surrender All." As they sang the song, the Lord spoke to this lady and said, "It is time for you to surrender to Me." She came into the park and up to the altar and accepted Jesus as her Lord and Savior. She said she had cancer throughout her body and we all prayed for her. We know that God has healed her.

A praise report from **Northern Lights Freedom and Life Church on White Earth Native American Reservation**. We had several wonderful meetings. The presence of God was so strong, that after three events, approximately 90-100 people accepted Jesus. At every event we served food.

This summer's been very fruitful -- lots of souls have come into the Kingdom of God. Because of that the enemy has been working over-time to attack the finances of Channel of Love Ministries. Please pray, pray, pray for a financial breakthrough. We desperately need your prayers and your financial support.

**Because of your love, support, and finances, these precious souls are now in the Kingdom of God**

We love you so much. We pray for your family and that you will be blessed in everything you set your hands to do.

Servants in Christ,

Joan and Marty Pearce
