

# OPPORTUNITIES

for YOU  
to MAKE a DIFFERENCE

## **“Home Sponsor”**

You can make a HUGE difference in the girls lives by simply  
Giving a general donation monthly or yearly  
\$250, \$500 or \$1000

## **“Re-Blossoming” Project**

We have purchased 4 acres of land in the Sekenani area on the edge of the  
Maasai Mara National Reserve and we are raising the funds so that we can move from our  
current location to the new one.

**The entire project will cost us \$250,000 and we have already raised \$50,000!**

Because of some current situations with where we are at now there is a very real need for  
us to raise the funds as quickly as possible in order to get the new home built and move the girls.

We needed to purchase land – DONE (4 acres)
