

OPPORTUNITIES

for YOU to MAKE a DIFFERENCE

“Home Sponsor”

You can make a HUGE difference in the girls lives by simply
Giving a general donation monthly or yearly
\$250, \$500 or \$1000

Solar Lights

The home's only source of electricity is via solar and Kenyan nights can be very dark when you live in an area without any light pollution. We are needing to upgrade our system: batteries, inverter, panels and bulbs.
\$3000

Kitchen Sink

We just recently were blessed with out very own borehole (well) and so are not hoping to be able to put in a kitchen sink to be able to wash dishes in. We are grateful for the water we carry now in buckets, but it would be amazing to just turn a faucet on.
(Outdoor pipes, plumbing, counter, sinks)
\$3750

Library/Study Area

Long wooden tables, benches and bookcases are on our list of items that are needed.
\$1750

Bean Bags

There are items the home NEEDS and items we WISH for and bean bags are a “wish” item. We would love to be able to get 10 of them for in the library and we have found a place in Nairobi area that we can get them made in bright Kenyan colors.
\$85 per bean bag
Total \$850 for all ten of them
