Dear Praying Pastors, Friends and Family,

Since we opened Tina’s House this year we have seen the Lord bless with one of our two mothers getting saved out of a young life of prostitution and drugs. She had received Christ on her own in her bedroom after hearing messages in church, asking questions in Brenda’s life counseling class, and reading her Bible. Roxana is now a changed person in the Lord from when she came 4 months ago and also wants to be baptized after her baby is born in August! Amen! Below is her testimony she wrote to her family and friends, all on her own telling them about her new found life in Christ.

Roxana’s testimony in English. *I recently received the Lord Jesus Christ in my life! I want to tell you that I feel better than ever: I feel happy, I feel fulfilled because I gave my dear Matthew in but. I feel like my life is clean, I feel like I'm reborn! Even if life is not so good and beautiful as I was saying a long time ago, well dear people with Jesus Christ and his father is more beautiful and better than ever! Receive the Lord in your hearts and repent of your sins, and your life will be eternal and beautiful with him! The Bible is the only pure truth, and if you make time at least 10 minutes a day to find out how wonderful and good the Lord is, believe me you will be truly happy! I didn't believe in what he did, but now I think and that's the best thing in my life! Pray to him, because Jesus Christ is at every step of your life and if you truly accept it in your heart, you will see that life is good! Amen*

We are heartbroken for one of our mothers-to-be. Larisa was arrested due to an outstanding warrant. We have no idea how much time she has to continue to serve and in my opinion it is the system that failed her. Two years ago she was arrested for stealing a cell phone of a \$100 value. It was returned, but she was arrested and given a 1 1/2 years sentence. They let her out early to give birth and she was suppose to return after the baby was a year old. She abandoned that baby and went on the run and ended up in our home. Larisa has every strike against her to make it in life! It is so sad. The only good we know is that she, at least, heard the Gospel a few times over and hopefully one day she’ll accept Him (Jesus Christ) into her heart.

Support Update Our decision to go ahead and open “Tina’s House’ by faith this year has come at a financial cost and burden as it has been taking approximately \$1,500.00 / month more than we have taken in each month.

Brenda and I have given every dime of our personal support, ministry support, and love offerings trying to keep things going but it is still not enough. At this time in our lives (age 62 & 56)) we have no retirement, no medical insurance, or savings. We have given all to this calling because we love the people and want to see them saved. We are on the front lines trying to rescue theses young lives from the grip of Satan and bring them to the saving knowledge of Christ. We are physically, emotional, spiritually, and financially drained, and in need of your prayers and financial support more than ever.

Please pray with us the Lord will speak to hearts to help us get current (\$5,650.00) plus sufficient funds going forward. Also, for another missionary to come join our team and help carry the load.

God is able and we are trusting His perfect will.

In Christ’s Love,
Keith and Brenda Price
