

# Make the World a Better Place

2018-2019

Educational programs on social justice and other worldly topics related to making a better world, planned by the good folks at Heritage Presbyterian Church for thoughtful Benicians.

## BENICIA BY THE BAY:

### WATER, TIDES, WAVES, CURRENTS & FISH

Wed., April 24, 7 pm

*“If there is magic on this planet, it is contained in water.”*  
– Loren Eiseley, author, anthropologist

**Heritage Presbyterian Church**  
1400 E. 2nd St., Benicia

We live near a beautiful bay that is interesting to watch and allows for many forms of boating and water-fun.

Learn the simple science behind the water around us and how the tides, waves, and currents work on a daily basis, as well as threats to the water from pollution and global warming.

We also will explore the types of sea-life present in our bay including the fish seasonally present. As we did with the recent program on the sky, we will look at local artists' and photographers' interpretations of our beautiful bay and shoreline.

**NOTE:** This program is offered free to the community. There is a suggested \$5 donation asked to defray costs for offering these programs, **PLUS** a request to bring some canned or packaged food for hungry people helped by the **Food Bank of Contra Costa & Solano Counties**.

**For more information** about this and other **Better World** events, email: [betterworldbenicia@gmail.com](mailto:betterworldbenicia@gmail.com); visit: [www.hpcbenicia.org](http://www.hpcbenicia.org); phone: (707) 745-6650

**Final Better World event for the year:** May 22, 7 pm  
“Prejudice... why can't we just get along?”
