Sketch of the entities

Picture of the place today

Several children at a holiday camp encountered five to eight very tall dark humanoids about 8-foot tall with three fingers and no thumbs. The children were chased by the beings. Other campers including a teacher saw the beings also. Military personnel saw an object hovering over some local woods during the same time.

Imprints were found on the ground, 3' diameter.

Reliability evaluation:
- high -
possible confusion with a military squadron;
military exercises or maneuvers
