We ask that each team arrive a half hour prior to their first game in order to register, locate first court, and be ready to play on time. The registration line can take some time due to the amount of teams showing up.

We will try our best to have the full schedule available on our website, [www.tonyg3on3.com](http://www.tonyg3on3.com), sometime in the PM on Friday 4/26. Please note, in the past we have had to make changes to the schedule after the tournament has started. It is VERY important to still check the posted schedule when you arrive and throughout the day.
