Good afternoon OCF membership,

Unfortunately the insurance company is backed up and according to Pearson & Dunn they will be receiving our quote for the upcoming 2019/2020 season some time this week. Until then, we realize that the insurance for the current year expires on August 15th, 2019. Due to this delay the insurance company will be holding continued coverage for the OCF members that currently have insurance for the 2018/2019 season until Friday August 23, 2019. At that time, and hopefully before, we should have all the answers we need to allow us to move into the 2019/2020 season and get everyone that needs insurance registered under the OCF group policy..

For those of you who need a certificate of insurance for continuing coverage until August 23, 2019, please email membership@ocfcheer.com directly and I will get it done as quickly as I can. Again, our apologies for this delay. We are working diligently to get this done for you and your athletes.

Regards,

Josh Lindberg
