The moment that you left me,

*my heart was split in two.
One side filled with memories,
the other side died with you.*

*I often lay awake at night
when the world is fast asleep,
and take a walk down memory lane
with tears upon my cheek.*

*Remembering you is easy,
I do it every day;
but missing you is a heartache
that never goes away.*

*I hold you tightly within my heart
and there you will remain.
You see life has gone on without you,
but will never be the same.*

In Memoriam

Afterglow

“I’d like the memory of me
to be a happy one.
I’d like to leave an afterglow
of smiles when life is done.
I’d like to leave an echo
whispering softly down the ways,
Of happy times and laughing times
and bright and sunny days.
I’d like the tears of those who grieve,
to dry before the sun
of happy memories
that I leave when life is done.”
