Information about NA

Public Relations

Our vision is that one day:

**Narcotics Anonymous has
universal recognition and
respect as a viable program
of recovery.**

Narcotics Anonymous is a global, community-based organization with a multi-lingual and multicultural membership. NA was founded in 1953, and our membership growth was minimal during our initial twenty years as an organization. Since the publication of our Basic Text in 1983, the number of members and meetings has increased dramatically. Today, NA members hold nearly 67,000 meetings weekly in 139 countries. We offer recovery from the effects of addiction through working a twelve-step program, including regular attendance at group meetings. The group atmosphere provides help from peers and offers an ongoing support network for addicts who wish to pursue and maintain a drug-free lifestyle. Our name, Narcotics Anonymous, is not meant to imply a focus on any particular drug; NA's approach makes no distinction between drugs including alcohol. Membership is free, and we have no affiliation with any organizations outside of NA including governments, religions, law enforcement groups, or medical and psychiatric associations. Through all our service efforts and our cooperation with others seeking to help addicts, we strive to reach a day when every addict in the world has an opportunity to experience our message of recovery in his or her own language and culture.

Membership Survey: Contains the results of a biennial survey of 22,803 NA members.

Information about NA: Includes facts about the history of NA, organizational philosophy, and membership demographics.

In Times of Illness: This relied-upon booklet was recently revised to reflect members' experiences with challenges such as mental health issues, chronic illness and pain, and supporting members with illnesses. It includes section summaries in the table of contents.

"MANIPULATION"

I asked myself some time ago, why things did I do such unfamiliar and negative things?

Now I can admit that it was to obtain a familiar sensation, constantly!

For so many years I was slowly killing myself with this insane process of trying to achieve that first sensation. not knowing that this can only be experienced once.. I found that being caught in the grip of this vice is active addiction. Which is a user in a form of

"MANIPULATION"

"once an addict, always an addict is a tired old lie!

WE DO RECOVER

NEWCOMERS

You don't have to be clean when you get here, but after
Your first meeting we suggest that
You keep coming back and come clean.

You don't have to wait for an overdose or jail sentence to
get help from NA, nor is addiction a hopeless condition
from which there is no recovery.

it is possible to overcome the desire to use drugs with the
help of the Twelve Steps Program of Narcotics Anonymous
and the fellowship of recovering addicts.

Addiction is a disease that can happen to anyone. Some of
us used drugs because we enjoyed them, while others
used to suppress the feelings we already had.

Still others suffered from physical or mental ailments and
became addicted to the medication prescribed during our
illnesses.

Some of us joined the crowd using drugs a few times just
to be cool and later found that we could not stop.

Many of us tried to overcome addiction and sometimes
temporary relief was possible, but it was usually followed
by an even deeper involvement than before.

Whatever the circumstances, it really doesn't matter.
Addiction is a progressive disease such as diabetes. We
are allergic to drugs. Our ends are always the same: jails,
institutions or death.

If life has become unmanageable and you want to live
without it being necessary to use drugs, we have found a
way. There are twelve steps that help us overcome active
addiction and gain manageability of our lives.

Recovery doesn't stop with just being clean.

As we abstain from all drugs (and yes, this means alcohol
and marijuana too) we come face to face with feelings
that we have never coped with successfully. We even
experience feelings we were not capable of having in the
past.

We must become willing to meet old and new feelings as
they come.

24-Hour Helpline

(866) 935-8811

We learn to experience feelings and realize the
can do us no harm unless we act on them.
Rather than acting on them, we call an NA
member if we have a feeling we cannot handle.
By sharing, we learn to work through it. Chance
are they've had a similar experience and can
relate what worked for them. Remember, an
addict alone is in bad company.

The Twelve Steps, new friends, and sponsors a
help us deal with these feelings. In NA our joys
are multiplied by sharing good days;
our sorrows are lessened by sharing the bad.
For the first time in our lives we don't have to
experience anything alone. Now that we have a
group, we are able to develop a relationship with
a Higher Power that can always be with us.

We suggest that you look for a sponsor as soon
as you become acquainted with the members in
your area. Being asked to sponsor a new
member is a privilege so don't hesitate to ask
someone. Sponsorship is a rewarding
experience for both; we are all here to help and
be helped. We who are recovering must share
with you what we have learned in order to
maintain our growth in the NA Program and our
ability to function without drugs.

This program offers hope. All you have to bring
with you is the desire to stop using and the
willingness to try this new way of life.

Come to meetings, listen with an open mind, as
questions, get phone numbers and use them.
Stay clean just for today.

The Helpline sub-committee

maintains a telephone information service for Narcotics Anonymous that helps addicts and others in the community find us easily and quickly.

Helpline volunteers often serve as the first point of contact between the community-at-large and the NA Fellowship. For this reason, it's vital that careful attention be paid to the work of this sub-committee.

NORTH DADE AREA NA

Service Statement

"Everything that occurs in the course of NA Service must be motivated by the desire to more successfully carry the message of recovery to the addict who still suffers.

It was for this reason that we began this work. We must always remember that as individual members, groups and service committees, we are not and should never be in competition with each other.

We work separately and together to help the newcomer and for our common good. We have learned, painfully, that internal strife cripples our Fellowship; and prevents us from providing the services necessary for growth."

Spiritual Principles

Steps*Traditions*Concepts

Sixth Principle

"WILLINGNESS to try is the beginning of doing our part. However grand or humble that might be, it is a state of readiness replacing depression and anxiety."

Sixth Step

"We are entirely ready to have God remove all these defects of character."

Sixth Tradition

"An N.A. group ought never endorse, finance, or lend the N.A. name to any related facility or outside enterprise. lest problems of money, property or prestige divert us from our primary purpose."

Sixth Concept

"Group conscience is the spiritual means by which we invite a loving God to influence our decision."

Seventh Principle

FAITH is the evidence of our trust in God. True faith is the result of surrender coupled with experience that God can and will do for us if we ask for help.

Seventh Step

"We humbly asked Him to remove our shortcomings."

Seventh Tradition

"Every N.A. group ought be fully self-supporting, declining outside contributions."

Seventh Concept

"All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes."

NDACNA CONVENTION

North Dade Area Convention of Narcotics Anonymous

NDACNA Convention Committee

meets 2nd Saturday of the month at

Armani Studio 5601 nw 7th ave, Miami Contact Convention Chair: Phyllis J. @ 305-345-4008

The purpose of the North Dade Area convention of NA

is to bring our membership together in the Celebration of Recovery.

Meetings, workshops, and other activities are scheduled to encourage unity and fellowship among our members and will reflect the primary purpose of Narcotics Anonymous.

Why Register early ?

The money collected from registration is used to pay for the hotel and convention facilities, associated services, for equipment, maintenance, printing of pre-registration packets and other related expenses. Administrative expenses include rent for committee meetings, telephone charges, and general expenses prior to the convention.

We believe that once participants understand that it is the fees from registration that make this event possible, and that the registration funds collected are used for the planning and implementation of present and future conventions, the reasons for registering become clear. It is the support of each member's registration and/or donation that helps make our Convention a success.

Where: Darryl's Banquet Hall

1290 Ali Baba Ave.

Opa Locka, FL.

When: The second Sunday of Every Month

Time: 1:00 PM

Darryl's Banquet Hall is NOT affiliated with Narcotics Anonymous

The purpose of an H&I meeting is to carry the message of recovery to addicts who do not have full access to regular Narcotics Anonymous meetings. H&I meetings, except for those in long-term facilities, are intended to introduce those addicts in attendance to the basics of the NA program.

“Many Narcotics Anonymous members have found Hospitals and Institutions service to be an important part of their personal recovery.

Our members, who actively participate in H&I service, are very important resources in our fellowship. A commitment to H&I service is one of the many ways to become involved with the NA service structure and help us feel a part of our fellowship.”

Contact H&I Chair Kelvin @ 305-316-1297 for more info

STUNTED DREAMS

Dreams are formulated from within one's Imagination.

A man who doesn't follow his dreams has NO destination.

A man who dares not to dream, Has no Faith in GOD

Therefore he is defeated, before he even starts.

He has become trapped in a word, deep inside his mind

Not knowing where to turn for fear of what he'd find

So be unafraid to follow your Dreams, because your destiny lies within

And

As you start to follow your Dreams your life will then begin.

A Clean Cut

*How does one react when life is cut short?
No Good-bye, no thank you, no final retort*

*Just memories of times both happy and sad.
Memories of love never hurt so bad.*

*As days go by, we go along with the norm.
Fighting the pain of loss and the emotional storm.*

*Just don't pick up and always remember
It's our love that lives on Forever!*
