DCCS is funded solely through donations, grants and several fundraisers conducted throughout the year. All services offered are free to cancer patients, dependent upon available funding. All funds raised stay in Douglas County to provide financial aid, gas cards, food cards, support and services associated with a diagnosis and treatment of cancer. **Volunteer opportunities are available.** Contact 541-440-9409 for more information.

It is an honor to assist cancer patients, ease their burden and allow for them to focus on healing.

The DCCS Board of Directors constantly strive to provide support and services to cancer patients. If you or anyone you know is in need of the support and services DCCS provides, please contact us or go to our website at <http://www.dccancerservices.com/programs.html>. The need for continued funding is ongoing. Please support our fundraising events.

We thank you for your support!

## WHAT WE NEED...

One of the popular items provided to breast cancer patients are the Knitted Knockers. Breast cancer survivors who come to the DCCS office are introduced to the soft and lightweight items as a prosthesis. Our supply is running low and we would appreciate donations of this item. If you enjoy knitting or crocheting, **we have donated yarn at our office** and the information and pattern for these may be found at <https://www.knittedknockers.org/>.
