

Star Harbor Watercolor Society

Newsletter

Hey it is already October! I have been enjoying some of the cooler weather and hope you have too! It does make me feel like painting more.

Let me go over some dates and events so we can all stay on the same page.

October 1st, 2nd and 3rd

We had a fantastic start with our workshop with Frank Eber. He was a delight to work with and said he would love to come back! Yes, people love us.

October 24th

It will be busy with free paint Friday and some are getting a early start on their Christmas Cards. Come and share your patterns for Christmas Cards with us.

November 7th

This is our next business meeting. We will be voting on our new officers and signing up for food to bring at our Christmas get together. After our short meeting the current officers with have a private meeting with the newly elected officers. This is to ensure a smooth transition and to keep the ball rolling. The rest may wish to stay, visit and paint.

November 14 and 21st

These days will be Christmas Card Fridays.

November 28th

This will be a NO Paint Friday.

December 5th

We will meet at Selwyn Wilson's house for our Christmas get together.

December 12th and 19th

These will be Free Paint Fridays.

December 26th

This is going to be a NO Paint Friday.

****Below is some information I got from the Gallery. This is a fantastic price and a great way to display your work for a chance to sell it. The picture will give you an idea about the panels they are talking about. Please contact them using the email or phone number given below their message if you are interested.**

number given below their message if you are interested.

Attention all artists: We have fresh panels available for rent in the studio! For only \$25 a month, you can hang your work in the gallery on a 4 ft. by 8 ft. panel. Of course, this also helps the gallery tremendously! Email, message, or call today to reserve your space. If you have larger work that you want to display, let us know and we will work with you in regard to that as well.
