

Scrip & Benefit Mobile Student Fundraising Programs

What are Scrip cards and Benefit Mobile?

Gift Cards!

Scrip cards are regular gift cards you order online and receive by mail.

Benefit Mobile is an app for your mobile device where you can purchase digital gift cards instantly.

What type of gift cards?

Choose from hundreds of national retailers; restaurant, grocery, gas/auto care, home improvement, travel, entertainment and much more!

For a complete list of participating *Scrip* retailers please visit www.scripzone.com

For a complete list of participating *Benefit Mobile* retailers please visit www.benefit-mobile.com

How does it work?

When you order gift cards from Scrip or Benefit Mobile, each retailer will give the Westfield Band Boosters a percentage of the purchase price. The boosters will deposit 90% of the retailer rebate into your students band account.

Why only 90%?

Non-profit organization laws do not allow booster clubs to give 100%.

How can my student use the money?

Anything band related; instruments, reeds, trips, lessons, uniforms and more!

When will the money be deposited to my student's account?

Reports will be run at the end of the month and money will be credited once the boosters receive the funds from Scrip/Benefit Mobile.

Can family and friends order too?

Yes! They will need to set up an account and select the student (Team Member) they want to support when placing their order.

Setting up and ordering Scrip Cards and Benefit Mobile

Scrip Cards

- 1) Go to www.scripzone.com and click "New User".
- 2) Create an account.
