Each LAZER LURES is skillfully hand crafted, airbrushed, and finished. Premium paints, hardware, and finishes assure you a quality lure. LAZER lures' 35 individual operation include soldering and water testing. This quality, combined with a super wobbling action, depth ranges, and color assortment provide you with a consistent fish catching fool.

* Actual weights, lengths, and depth are approximate because LAZER lures are hand crafted and even select materials vary. Line diameters and individual techniques may also vary lure depths.

Guarantee LAZER LURES fully guaranteed against defective workmanship, or materials. Guarantee does not cover abuse, neglect, natural wear or accidental damage. We retain the option to replace, repair or refund the purchase price.
