Strawberry Salad is back! | Spring is nearly here!

Vegetarian Options

March hosts the beginning of the Lenten season. We want you to rest assured that incorporating **vegetarian** options into meals will be as easy as no bake cookies. While Ash Wednesday and Fridays get the most attention, we are ready to accommodate veggie options for any meal, any day!

Sweet Tooth Fixings

We'd be lying if we told you we don't enjoy a good excuse to enjoy some sweets. Since desserts are already included with your meal purchase, this month we recommend the following tasty choice:

Leprechaun Cake**

White Wedding Cake

March Monthly Special

Spring is just around the corner! Hooray! We look forward to welcoming spring time and lighter fare, especially the fabulous fruits we incorporate into our dishes. Don't be fooled though, March can be notorious for unexpected overnight freezes, and chills that can be hard to shake. That's why for our monthly special we're splitting the difference by pairing our fantastic **strawberry salad** (which comes with our **original recipe strawberry** dressing) with our exceptional savory **Baked Potato Soup**. It's a match made in heaven's kitchen!

Plus, since March boasts St. Patrick's Day, we're tinting our white wedding cake green, making it a **Leprechaun Cake!
