Herb Chicken Tenders

And just like that, Autumn is upon us. I imagine we are all looking forward to that sweet spot where we can turn off the AC and have the windows open, putting those screens to good use! We thought this month we'd offer you a new spin on a classic and healthy favorite, **herb chicken tenders**, oven-baked and seasoned and savory. **Cranberry** or **Autumn** salads pair excellently, making this a great meal to balance flavor and taste with a little healthier fare, covering all the needed bases to leave you full and happy.
