Strawberry Salad is back! | Spring is nearly here!

Vegetarian Options

March hosts the beginning of the Lenten season. We want you to rest assured that incorporating **vegetarian** options into meals will be as easy as no bake cookies. While Ash Wednesday and Fridays get the most attention, we are ready to accommodate veggie options for any meal, any day!

Kim's Creations

Each month, Kim will recommend a fantastic featured dessert. For February, she recommends:

Chocolate Sin Cake

Lighter Fare

Still in the zone with resolutions? We create incredible **homemade soups**, and tasty veggie covered **salads** come with every entree purchased.

Pasta Bolognese

Spring is just around the corner! Hooray! We look forward to welcoming spring time and lighter fare, especially the fabulous fruits we incorporate into our dishes (strawberry salad is back!!) However, considering March can be notorious for unexpected overnight freezes and chills that can be hard to shake, we're pleased to offer a newer dish as our special for the month: a hearty **pasta bolognese**. This delicious dish features an incredible veggie sauce, and will definitely be a hit at your next event!
