## January Monthly Special

The new year is upon us! We hope your holidays were full of good cheer, and that great memories were made. Now that winter is in full force, we'd like to offer you a classic and healthy favorite. Our **herb chicken** is a tender, oven-baked breast, seasoned and savory. **Cranberry** or **Autumn** salads pair excellently, making this a great meal to balance flavor and taste with a little healthier fare. We at Occasions look forward to working with all of you this year!
